As Ruth navigates her lonely life, she strives to find happiness and pleasure where she can, but the world may conspire to defeat her. “A sly and wistful, if harrowing, human comedy . . . [An] original voice in fiction and one well worth listening to.” —The Boston Sunday Globe “Unforgettably, beat by beat, Hamilton maps the best and worst of the human heart and all the mysterious, uncharted country in between.” —Kirkus Reviews “Hamilton’s story builds to a shocking crescendo. Her small-town characters are as appealingly offbeat and brushed with grace as any found in Alice Hoffman’s or Anne Tyler’s novels.” —Glamour Test your trading knowledge and skills—without risking any money You may read the best trading book, but how much of that knowledge will you retain a week later? Packed with tools and practices, this study guide takes us deeper into *Simple & Free: 7 Experiments Against Excess* by New York Times bestselling author Jen Hatmaker, helping us combat the areas of overindulgence and excess in our lives, freeing us to feel less stressed and more fulfilled. In *Simple & Free*, first published as *7*, Jen Hatmaker gave readers the story of how her reckoning with excess and materialism turned into a social experiment--which soon propelled a spiritual movement. Now, in this study guide, Hatmaker invites us to delve deeper into solutions and practices for our own seven areas of excess--from stress to spending to social media. This nine-week study guide walks us through these excesses and equips us with practical tools for creating solutions--and making this idea a way of life, not just an experiment. Taking the best from *Simple & Free* and packing these points with Scripture followed by prompting questions, this resource is broken down into focused, thematically organized weeks for readers to explore patterns and solutions around sustainability and gratitude in greater depth. What's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God--a call toward simplicity and generosity that transcends social experiment to become a radically better life.

Many readers of the Pearl of Great Price give the facsimiles in the book of Abraham only a cursory glance before turning to something more familiar and understandable. That's because the facsimiles are Egyptian in nature and do not seem relevant in our modern world of gospel enlightenment. So what is their worth? It is self-evident that we have received no useless and unneeded revelations, said Elder Bruce R. McConkie. All that the Lord does has a purpose and serves a need. *A Study Guide to the Facsimiles of the Book of Abraham* shows the meaning of every character in the facsimiles and helps readers comprehend their great value. As translated by the Prophet Joseph Smith, they bear witness of the gospel as had by Adam, Noah, and other ancient patriarchs. Appealing to translation, inspiration, and likening, author Allen J. Fletcher brings to light the more mysterious components of the facsimiles, helping us make sense of them in our day and apply their timeless teachings in our lives.

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Teachers are learners too, and for the past ten years, Gail Boushey and Allison Behne work with hundreds of teachers and students nationwide, gaining insight into best practices for reading instruction. Using those insights, they developed *The CAFE Book, Expanded Second Edition: Engaging All Students in Daily Literacy Assessment and Instruction* to help teachers apply what their research has shown--that reading instruction is not about the setting, the basal, or the book level. Rather, effective reading instruction is based on what that student needs in that moment. With the release of *The CAFE Book* in 2009, the CAFE system has been implemented in classrooms all over the world.
