

## Anatomy Of The Auschwitz Death Camp

An eminent psychiatrist delves into the minds of Nazi leadership in “a fresh look at the nature of wickedness, and at our attempts to explain it” (Sir Simon Wessely, Royal College of Psychiatrists). When the ashes had settled after World War II and the Allies convened an international war crimes trial in Nuremberg, a psychiatrist, Douglas Kelley, and a psychologist, Gustave Gilbert, tried to fathom the psychology of the Nazi leaders, using extensive psychiatric interviews, IQ tests, and Rorschach inkblot tests. The findings were so disconcerting that portions of the data were hidden away for decades and the research became a topic for vituperative disputes. Gilbert thought that the war criminals’ malice stemmed from depraved psychopathology. Kelley viewed them as morally flawed, ordinary men who were creatures of their environment. Who was right? Drawing on his decades of experience as a psychiatrist and the dramatic advances within psychiatry, psychology, and neuroscience since Nuremberg, Joel E. Dimsdale looks anew at the findings and examines in detail four of the war criminals, Robert Ley, Hermann Göring, Julius Streicher, and Rudolf Hess. Using increasingly precise diagnostic tools, he discovers a remarkably broad spectrum of pathology. *Anatomy of Malice* takes us on a complex and troubling

## Read Online Anatomy Of The Auschwitz Death Camp

quest to make sense of the most extreme evil. “In this fascinating and compelling journey . . . a respected scientist who has long studied the Holocaust asks probing questions about the nature of malice. I could not put this book down.”—Thomas N. Wise, MD, Johns Hopkins University School of Medicine  
“This harrowing tale and detective story asks whether the Nazi War Criminals were fundamentally like other people, or fundamentally different.”—T.M.

Luhrmann, author of *How God Becomes Real*

The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis’ murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps

## Read Online Anatomy Of The Auschwitz Death Camp

them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable.

"In the vein of *Tuesdays with Morrie*, a devoted proteaegae and friend of one of the world's great thinkers takes us into the sacred space of the classroom, showing Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel not only as an extraordinary human being, but as a master teacher"--

Only recently available for the first time in English, *Panorama* is the newly rediscovered first novel of H. G. Adler, a modernist master whose work has been compared to that of Kafka, Joyce, and Solzhenitsyn. A brilliant epic told in ten distinct vignettes, *Panorama* is a portrait of a place and people soon to be destroyed, as seen through the eyes of the young Josef Kramer. It moves from the pastoral World War I-era Bohemia of Josef's youth, to a German boarding school full of creeping prejudice, through an infamous extermination camp, and finally to Josef's self-imposed exile abroad, achieving veracity and power through a stream-of-consciousness style reminiscent of our greatest modern

## Read Online Anatomy Of The Auschwitz Death Camp

masters. The author of six novels as well as the monumental account of his experiences in a Nazi labor camp, Theresienstadt 1941–1945, H. G. Adler is an essential author with unique historical importance. Panorama is lasting evidence of both the torment of his life and the triumph of his gifts.

These 213 documents on the theory, planning, and execution of, and reaction and resistance to, the Nazi plan to exterminate European Jews date from the 1920s through the closing days of World War II and focus on the experience of eastern Europe. The crystallization of the principles of Nazi anti-Semitism, the policies of the Third Reich toward the Jews, the period of segregation and enclosed ghettos, and the stages through which the 'final solution' were implemented are some of the topics covered. Other documents shed light on Jewish public activities and the organization of the Underground and Jewish self-defense. Many of the documents of Jewish origin were not published previously. This comprehensive collection is essential for understanding the history of the Holocaust. Yitzhak Arad has written numerous books, including *The Pictorial History of the Holocaust*. Israel Gutman is a coeditor of *Anatomy of the Auschwitz Death Camp*. Abraham Margaliot taught at the Hebrew University of Jerusalem. Introducer Steven T. Katz is a professor of religion and the director of the Center for Judaic Studies at Boston University.

Memorial Museum, Washington, D.C.

Rudolf Hoss has been called the greatest mass murderer in history. As the longest-serving commandant of Auschwitz, he supervised the killing of more than 1.1 million people. Unlike many of his Nazi colleagues who denied either knowing about or participating in the Holocaust, Hoss remorselessly admitted, both at the Nuremberg war crimes trial and in his memoirs, that he sent hundreds of thousands of Jews to their deaths in the gas chambers, frankly describing the killing process. His "innovations" included the use of hydrogen cyanide (derived from the pesticide Zyklon B) in the camp's gas chambers. Hoss lent his name to the 1944 operation that gassed 430,000 Hungarian Jews in 56 days, exceeding the capacity of the Auschwitz's crematoria. This biography follows Hoss throughout his life, from his childhood through his Nazi command and eventual reckoning at Nuremberg. Using historical records and Hoss' autobiography, it explores the life and mind of one of history's most notorious and sadistic individuals.

Seventeen scholars furnish insights into 800 years of Polish-Jewish relations including post-Holocaust Poland, in which approximately 10,000 Jews remain today of a population that numbered about three quarters of a million in the latter 18th century. Hundert (history and Jewish studies, McGill U.) also includes a book review section,

“A substantive contribution to the history of ethnic strife and extreme violence” (The Wall Street Journal) and a cautionary examination of how genocide can take root at the local level—turning neighbors, friends, and family against one another—as seen through the eastern European border town of Buczacz during World War II. For more than four hundred years, the Eastern European border town of Buczacz—today part of Ukraine—was home to a highly diverse citizenry. It was here that Poles, Ukrainians, and Jews all lived side by side in relative harmony. Then came World War II, and three years later the entire Jewish population had been murdered by German and Ukrainian police, while Ukrainian nationalists eradicated Polish residents. In truth, though, this genocide didn’t happen so quickly. In *Anatomy of a Genocide*, Omer Bartov explains that ethnic cleansing doesn’t occur as is so often portrayed in popular history, with the quick ascent of a vitriolic political leader and the unleashing of military might. It begins in seeming peace, slowly and often unnoticed, the culmination of pent-up slights and grudges and indignities. The perpetrators aren’t just sociopathic soldiers. They are neighbors and friends and family. They are also middle-aged men who come from elsewhere, often with their wives and children and parents, and settle into a life of bourgeois comfort peppered with bouts of mass murder. For more than two decades Bartov, whose mother was raised in Buczacz, traveled extensively throughout the

## Read Online Anatomy Of The Auschwitz Death Camp

region, scouring archives and amassing thousands of documents rarely seen until now. He has also made use of hundreds of first-person testimonies by victims, perpetrators, collaborators, and rescuers. *Anatomy of a Genocide* profoundly changes our understanding of the social dynamics of mass killing and the nature of the Holocaust as a whole. Bartov's book isn't just an attempt to understand what happened in the past. It's a warning of how it could happen again, in our own towns and cities—much more easily than we might think.

A riveting examination in words and photos of Auschwitz, from its roots as a violent market town to the concentration camps built during World War II, provides a compelling conclusion on the evolution of a deadly killing site.

This volume presents a comprehensive collection of essential documents for students and laymen interested in the history of the Holocaust. The collection reflects both the major trends in Nazi ideology and policy towards the Jews and the behaviour and reaction of the Jews to the Nazi challenge. The book is divided into three geographical-political sections: Germany and Austria; Poland; and the Baltic countries and areas of the Soviet Union occupied by Nazi Germany during the Second World War. Each section is preceded by a short introduction setting the documents against the background of events and developments in these areas.

A short and thoroughly accurate history of the Auschwitz concentration camp, this compelling book is authoritative in its factual details, devastating in its emotional impact.

## Read Online Anatomy Of The Auschwitz Death Camp

By the spring of 1945, the Second World War was drawing to a close in Europe. Allied troops were sweeping through Nazi Germany and discovering the atrocities of SS concentration camps. The first to be reached intact was Buchenwald, in central Germany. American soldiers struggled to make sense of the shocking scenes they witnessed inside. They asked a small group of former inmates to draft a report on the camp. It was led by Eugen Kogon, a German political prisoner who had been an inmate since 1939. *The Theory and Practice of Hell* is his classic account of life inside. Unlike many other books by survivors who published immediately after the war, *The Theory and Practice of Hell* is more than a personal account. It is a horrific examination of life and death inside a Nazi concentration camp, a brutal world of a state within state, and a society without law. But Kogon maintains a dispassionate and critical perspective. He tries to understand how the camp works, to uncover its structure and social organization. He knew that the book would shock some readers and provide others with gruesome fascination. But he firmly believed that he had to show the camp in honest, unflinching detail. The result is a unique historical document--a complete picture of the society, morality, and politics that fueled the systematic torture of six million human beings. For many years, *The Theory and Practice of Hell* remained the seminal work on the concentration camps, particularly in Germany. Reissued with an introduction by Nikolaus Waschmann, a leading Holocaust scholar and author of *Hilter's Prisons*, this important work now demands to be re-read.

Annotation This important and original book is the first sustained analysis of the unique ways in which oral testimony of survivors contributes to our understanding of the Holocaust. Langer argues that it is necessary to deromanticize the survival experience and that to burden it with accolades about the "indomitable human spirit" is to slight its painful complexity and ambivalence.

In the years after World War II, personal accounts and judicial evidence documented how the Nazis used poison gas to murder Jews and other persecuted groups. Yet revisionist historians have recently attempted to deny the Nazi's systematic gassing of millions. This remarkable book refutes these revisionists by confirming indisputably the grim historical truth about gassings. The volume was written by twenty-four authors from six countries (including Germany and Israel), most of them historians or jurists and many of them survivors of concentration camps. The authors set out the historical situation, provide new details about the dimensions of the gassings, and consider how it was possible for the Holocaust to have happened. Maps of extermination centres, plans of gas chambers and crematoria, and facsimile reproductions of secret Nazi documents are also included. Previously published in German and French, the book has now been translated and revised for English-speaking readers.

A major new interpretation of the Holocaust, contextualizing the destruction of the Jews within Nazi violence against other groups.

This searing memoir of the author's concentration camp experience "is the

autobiography of an extraordinarily acute conscience” (Newsweek). “Whoever has succumbed to torture can no longer feel at home in the world.” At the Mind’s Limits is the story of one man’s incredible struggle to understand the reality of horror. In five autobiographical essays, Amery describes his survival—mental, moral, and physical—through the enormity of the Holocaust. Above all, this masterful record of introspection tells of a young Viennese intellectual’s fervent vision of human nature and the betrayal of that vision. “These are pages that one reads with almost physical pain . . . all the way to its stoic conclusion.” —Primo Levi “The testimony of a profoundly serious man. . . . In its every turn and crease, it bears the marks of the true.” —Irving Howe, *The New Republic*

Pernkopf's atlas has been called a "troubled masterpiece." It has been praised for its artistry and accurate detail but has attracted controversy due to Pernkopf's Nazi connections and the findings of the 1998 commission at the University of Vienna that some of the illustrations were based on executed victims of political terror. It remains unproven however that any illustrations were based on Jewish victims or prisoners of war.

Renowned Holocaust scholar Raul Hilberg considered the German railway system that delivered European Jews to ghettos and death camps in Eastern Europe to be not only an essential component of the “machinery of destruction”

## Read Online Anatomy Of The Auschwitz Death Camp

but also emblematic of the amoral bureaucracy that helped to implement the Jewish genocide. German Railroads, Jewish Souls centers around Hilberg's seminal essay of the same name, a landmark study of German railways in the Nazi era long unavailable in English. Supplemented with additional writings from Hilberg, primary source materials, and historical commentary from leading scholars Christopher Browning and Peter Hayes, this is a rich and accessible introduction to a topic in Holocaust history that remains understudied even today. Documents the historical, political, social, cultural, and military context of the Holocaust, discussing the persecution of the Jews, Gypsies, Soviet prisoners of war, and Polish citizens.

"First published by I.B. Tauris & Co. Ltd. in the United Kingdom"--T.p. verso. An examination of how inmates survived, both physically and mentally, their internment in camps, discussing not only the Nazi concentration and extermination camps but also the Soviet Gulag.

The Silesian town of Bedzin lies a mere twenty-five miles from Auschwitz; through the linked ghettos of Bedzin and its neighbouring town, some 85,000 Jews passed on their way to slave labour or the gas chambers. The principal civilian administrator of Bedzin, Udo Klaus, was a happily married family man. He was also responsible for implementing Nazi policies towards the Jews in his

## Read Online Anatomy Of The Auschwitz Death Camp

area - inhumane processes that were the precursors of genocide. Yet he later claimed, like so many other Germans after the war, that he had 'known nothing about it'; and that he had personally tried to save a Jew before he himself managed to leave for military service. A Small Town Near Auschwitz re-creates Udo Klausa's story. Using a wealth of personal letters, memoirs, testimonies, interviews and other sources, Mary Fulbrook pieces together his role in the unfolding stigmatization and degradation of the Jews under his authority, as well as the heroic attempts at resistance on the part of some of his victims. She also gives us a fascinating insight into the inner conflicts of a Nazi functionary who, throughout, considered himself a 'decent' man. And she explores the conflicting memories and evasions of his life after the war. But the book is much more than a portrayal of an individual man. Udo Klausa's case is so important because it is in many ways so typical. Behind Klausa's story is the larger story of how countless local functionaries across the Third Reich facilitated the murderous plans of a relatively small number among the Nazi elite - and of how those plans could never have been realized, on the same scale, without the diligent cooperation of these generally very ordinary administrators. As Fulbrook shows, men like Klausa 'knew' and yet mostly suppressed this knowledge, performing their day jobs without apparent recognition of their own role in the system, or any

## Read Online Anatomy Of The Auschwitz Death Camp

sense of personal wrongdoing or remorse - either before or after 1945. This account is no ordinary historical reconstruction. For Fulbrook did not discover Udo Klause amongst the archives. She has known the Klause family all her life. She had no inkling of her subject's true role in the Third Reich until a few years ago, a discovery that led directly to this inescapably personal professional history.

Examines the history of persecution against European Jews, discusses the definition of a Jew according to the German regime, and describes the processes through which Jews were eliminated during the Holocaust years."

The Horror of My Thoughts -A visit to Auschwitz and Birkenau- by Nat Crosby and published by Winnisimmet Press. Using photo illustrations, poetry, and history, Nat Crosby presents his reactions to visiting Auschwitz. Nat's short descriptions show the rise and fall of the most notorious Nazi death camp of the Holocaust. The photo illustrations show the graphic nature of the museum dedicated to preventing the Shoah from ever being forgotten. Like black and white, his poetry expresses the divide between the reality of the death camp and the physicality of the place. The poetry is a call to discover for oneself what should not be discovered. The history and illustrations are a reminder of the horrors that should never be forgotten.

A single word - "Auschwitz" - is sometimes used to encapsulate the totality of persecution and suffering involved in what we call the Holocaust. Yet focusing on a single concentration camp, however horrific the scale of crimes committed there, leaves an incomplete story, truncates a

## Read Online Anatomy Of The Auschwitz Death Camp

complex history and obscures the continuing legacies of Nazi crimes. Mary Fulbrook's encompassing book explores the lives of individuals across a full spectrum of suffering and guilt, each one capturing one small part of the greater story. Using "reckoning" in the widest possible sense to evoke how the consequences of violence have expanded almost infinitely through time, from early brutality through programs to euthanize the sick and infirm in the 1930s to the full functioning of the death camps in the early 1940s, and across the post-war decades of selective confrontation with perpetrators and ever-expanding commemoration of victims, Fulbrook exposes the disjuncture between official myths about "dealing with the past" and the extent to which the vast majority of Nazi perpetrators evaded responsibility. In the successor states to the Third Reich - East Germany, West Germany, and Austria - prosecution varied widely. Communist East Germany pursued Nazi criminals and handed down severe sentences; West Germany, caught between facing up to the past and seeking to draw a line under it, tended toward selective justice and reintegration of former Nazis; and Austria made nearly no reckoning at all until the mid-1980s, when news broke about Austrian presidential candidate Kurt Waldheim's past. The continuing battle with the legacies of Nazism in the private sphere was often at odds with public remembrance and memorials. Following the various phases of trials and testimonies, from those immediately after the war to those that stretched into the decades following, *Reckonings* illuminates shifting public attitudes toward both perpetrators and survivors, and recalibrates anew the scales of justice.

This is the first attempt to explain how Jewish doctors survived extreme adversity in Auschwitz where death could occur at any moment. The ordinary Jewish slave labourer survived an average of fifteen weeks. Ross Halpin discovers that Jewish doctors survived an average of

## Read Online Anatomy Of The Auschwitz Death Camp

twenty months, many under the same horrendous conditions as ordinary prisoners. Despite their status as privileged prisoners Jewish doctors starved, froze, were beaten to death and executed. Many Holocaust survivors attest that luck, God and miracles were their saviors. The author suggests that surviving Auschwitz was far more complex. Interweaving the stories of Jewish doctors before and during the Holocaust Halpin develops a model that explains the anatomy of survival. According to his model the genesis of survival of extreme adversity is the will to live which must be accompanied by the necessities of life, specific personal traits and defence mechanisms. For survival all four must co-exist.

Anatomy of the Auschwitz Death Camp Indiana University Press

Provides a chilling account of the experiments and scientific research performed on human subjects, primarily concentration camp inmates, by Nazi physicians, based on previously unpublished photographs and documents used during the Nuremberg trials.

Maps and photographs document partisan activities, mass murders, deportations, escapes, and concentration camp deaths in World War II Europe

The story of American Jewry is inextricably entwined with the awesome defeat of the Holocaust and the rebirth of the state of Israel. However, for Michael Berenbaum, and others of his generation, whose adult consciousness included the war in Lebanon and the Palestinian Uprisings, the tale is more anguished, for the Jewish People are now divided, uncertain about the implications of the past and the direction of their future. Berenbaum explores the Jewish identity of this generation, the first to mature after tragedy and triumph. He probes the Holocaust's impact on Jewish consciousness and the imprint of American culture on Jewish identity. Challenging Zionism's conventional assumptions, he details American Jews' changing

## Read Online Anatomy Of The Auschwitz Death Camp

relationship to Israel as he examines the tensions created within Jewish tradition between a history of victimization and the empowerment of Jews. While demonstrating that the security of victory is one step from the anguish of victims, even when the victors have recently emerged from the fire, Berenbaum holds out the hope of liberation for Judaism, maintaining that five thousand years of history, with its chapter of Holocaust and empowerment, provide a unique foundation upon which to build a future. Michael Berenbaum is Hymen Goldman Professor of Theology at Georgetown University and Project Director of the United States Holocaust Memorial Museum in Washington, DC. He is the author or editor of several books, including *The Vision of the Void: Theological Reflections on the Works of Elie Wiesel* and *The Holocaust: Religious and Political Implications* (with John Roth).

Scholars chronicle the history and events at Auschwitz

"The powerfully told story of a group of German Jews desperately seeking American visas to escape the Nazis, and an illuminating account of America's struggle with the refugee crisis caused by the rise of Hitler. Official tie-in to the U.S. Holocaust Museum multi-year exhibit"-- The Nazis asked him to swear allegiance to Hitler, betraying his country, his friends, and everything he believed in. He refused. Poland, 1939. Professional photographer Wilhelm Brasse is deported to Auschwitz-Birkenau and finds himself in a deadly race to survive, assigned to work as the camp's intake photographer and take "identity pictures" of prisoners as they arrive by the trainload. Brasse soon discovers his photography skills are in demand from Nazi guards as well, who ask him to take personal portraits for them to send to their families and girlfriends. Behind the camera, Brasse is safe from the terrible fate that so many of his fellow prisoners meet. But over the course of five years, the horrifying scenes his lens capture,

## Read Online Anatomy Of The Auschwitz Death Camp

including inhumane medical "experiments" led by Josef Mengele, change Brasse forever. Based on the true story of Wilhelm Brasse, *The Auschwitz Photographer* is a stark black-and-white reminder of the horrors of the Holocaust. This gripping work of World War II narrative nonfiction takes readers behind the barbed wire fences of the world's most feared concentration camp, bringing Brasse's story to life as he clicks the shutter button thousands of times before ultimately joining the Resistance, defying the Nazis, and defiantly setting down his camera for good.

A *New York Times* Bestseller "I'll be forever changed by Dr. Eger's story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we've lost, or to pay attention to what we still have."—Oprah "Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well." —Desmond Tutu, Nobel Peace Prize Laureate "Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal." —Jeannette Walls, *New York Times* bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor's guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she'd

## Read Online Anatomy Of The Auschwitz Death Camp

been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers.

This shattering memoir by a journalist about his father's attempt to survive the aftermath of Auschwitz in a small industrial town in Sweden won the prestigious August Prize. On August 2, 1947 a young man gets off a train in a small Swedish town to begin his life anew. Having endured the ghetto of Lodz, the death camp at Auschwitz-Birkenau, the slave camps and transports during the final months of Nazi Germany, his final challenge is to survive the survival. In this intelligent and deeply moving book, Göran Rosenberg returns to his own childhood to tell the story of his father: walking at his side, holding his hand, trying to get close to him. It is also the story of the chasm between the world of the child, permeated by the optimism, progress, and collective oblivion of postwar Sweden, and the world of the father, darkened by the long shadows of the past.

Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections.

## Read Online Anatomy Of The Auschwitz Death Camp

### Godwin Books

50 years after the liberation of the death camps in Nazi Germany, the former project director of the U.S. Holocaust Memorial Museum in Washington, DC, and current director of its Research Institute, compiles a fascinating collection of firsthand accounts of the Holocaust. From the first boycott of Jewish businesses in Germany in 1933 to testimony at the Nuremberg Trials in 1946, this illustrated volume includes survivor testimonies, letters, government documents, newspaper reports, diary entries and other firsthand materials, as well as Holocaust scholar Michael Berenbaum's insightful commentary putting the materials into context. The book's chronologically organized documentary approach provides a unique perspective on this much-published subject, and drawing on the most current research in the field of Holocaust studies, offers readers an unforgettable and engrossing history of the Nazis' largely successful effort to eradicate the Jews and other "undesirables" of Europe.
