We're in the midst of a digital media-making revolution--and the Canon Vixia G10 and XA10 camcorders are at the forefront. Blurring the line between "prosumer" and professional, the G10 and XA10 are sharper, cleaner, more compact, more portable, and boast more professional features than any prior palm-sized camcorder in their price range. This book is a comprehensive field guide to the concepts, strategies, equipment, and procedures for achieving the best results possible with Canon's top-of-the-line palm-sized camcorders. The guide focuses on the specific features of the Canon Vixia HF G10 and XA10, but users of other camcorders in the Vixia series, the Legria series (shooting PAL), and other camcorders will find a wealth of relevant information. With a high-definition palm-sized camcorder such as the Canon Vixia G10 or XA10, your potential is limited only by your imagination and your resourcefulness.

The latest versions of iMovie HD and iDVD 5 are, by far, the most robust moviemaking applications available to consumers today. But whether you're a professional or an amateur moviemaker eager to take advantage of the full capabilities of these applications, don't count on Apple documentation to make the cut. You need iMovie HD & iDVD 5: The Missing Manual, the objective authority on iMovie HD and iDVD 5. Even if you own a previous version of iMovie, the new feature-rich iMovie HD may well be impossible to

resist. This video editing program now enables users to capture and edit widescreen High Definition Video (HDV) from the new generation of HDV camcorders, along with standard DV and the MPEG-4 video format. iMovie HD also includes "Magic iMovie" for making finished movies automatically. The feature does everything in one step--imports video into separate clips and adds titles, transitions, and music. The finished video is then ready for iDVD 5, which now includes 15 new themes with animated drop zones that can display video clips across DVD menus, just like the latest Hollywood DVDs. This witty and entertaining guide from celebrated author David Pogue not only details every step of iMovie HD video production--from choosing and using a digital camcorder to burning the finished work onto DVDs--but provides a firm grounding in basic film technique so that the quality of a video won't rely entirely on magic. iMovie HD & iDVD 5: The Missing Manual includes expert techniques and tricks for: Capturing quality footage (including tips on composition, lighting, and even special-event filming) Building your movie track, incorporating transitions and special effects, and adding narration, music, and sound Working with picture files and QuickTime movies Reaching your intended audience by exporting to tape, transferring iMovie to QuickTime, burning QuickTime-Movie CDs, and putting movies on the Web (and even on your cell phone!) Using iDVD 5 to stylize and burn your DVD creation iMovie HD & iDVD 5: The Missing Manual--it's your moviemaking-made-easy guide.

Social media is a great tool, and the marketplace demands your involvement. But business owners have three problems with social media. They don't know where to get started, how to get started, or what to do with this incredibly powerful, free tool.

Friends, Followers and Customer Evangelists solves all three problems. It starts by explaining where to start, then gives illustrated, step-by-step instructions for getting started and then goes on to show you what to do with social media. Friends, Followers and Customer Evangelists is written to guide the novice and be of service to professionals. Anyone new to social media will find all the information they need to get started. At the same time, social media professionals will find the reference and technical information they need to serve their clients well. There is even a specific chapter, and an appendix, dedicated to video and the impact it is having on today's marketing. This information is constantly being added to as part of the membership site developed to support friends, followers and Customer Evangelists. Currently in development, www.TheConradHall.com is on track to launch in late April 2010. Steven Burda, MBA (LinkedIn Super Networker) says "Anyone nowadays who is going to be using social media, and the Golden Trio, must read this book. It gives outstanding, easy to understand, easy to read, easy to follow and act upon advice – all the things about social media and specifically the Golden Trio. A very good, very useful book."

In my opinion, unless you're a total introvert, agoraphobic, disabled or too lazy to leave the house, your best bet to buy most things you need is locally. Go to the Yellow Pages, read your local newspapers, drive around the shopping areas, go to local free ad

websites and talk to people you know about what you need. I generally buy most of my stuff from the big department stores but if I need something like furniture, I'll check out the furniture stores on the poor side of the town because the prices for the same goods are often much cheaper than a store in the higher class part of town plus you can often haggle with the owner on a cash deal. By shopping on the poor side of town at supermarkets for food, you can often save several dollars on a load of groceries. Beyond that, I generally go to the thrift stores a few times a year to buy t-shirts, clothes and anything else that strikes my fancy as I look around.
