

Divine Magic Doreen Virtue

International best-selling author Doreen Virtue is a doctor of psychology and lifelong clairvoyant who has written extensively about angels, psychic development, and mind-body-spirit topics. Now three of her most popular books are collected in this single volume: • In *Angel Therapy*, Doreen delivers the angelic realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more. Allow the angels' words to heal your thoughts and beliefs, transforming them into empowering and loving viewpoints. • In *Healing with the Angels*, Doreen teaches esoteric and practical methods that can help you work more closely with your angels. You'll read transcripts of Doreen's angel-reading sessions and learn what the angels have to say about life after death, the future of our planet, and finding your Divine purpose. Also included is an exploration of the fascinating world of elementals and nature angels, as well as powerful angel affirmations and prayers for healing and manifesting. • *Archangels & Ascended Masters* is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic,

Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. The Essential Doreen Virtue Collection is the perfect read for anyone who is looking to learn more about the angels and spirituality, as well as for those who want to finally have their favorite Doreen books together in one handy volume!

The Miraculous Story of a Hugely Successful New Age Teacher's Conversion to Christianity In this brilliant, utterly captivating memoir, Doreen Virtue chronicles her journey in discovering everything she believed in was a lie. She poignantly shares the price she's paid for following Jesus. New Age teachings are based on concepts that sound almost irresistible. But as Doreen discovered, they come with a hidden price: your eternal destiny. Here is a riveting, personal confessional of how a former false prophet learned to trust God after nearly wasting a lifetime being independent and willful—trying to predict and control the future—and how Jesus saved her soul from deception and opened her eyes to His truth. Deceived No More can help you learn how to discern dangerous teachings so you can detect and avoid deception. Topics include: How to spot New Age teachings, and why they're dangerous Biblical ways to deal with persecution, spiritual warfare,

and other post-conversion issues How to witness to a New Ager

In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to

help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon

multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

Crystal Children reflect the new generation that has come to the Earth plane after the Indigo Children. They are approximately ages 0 through 5, although some members of the first wave of Crystal Children are as old as 7. These children are like Indigos—highly psychic and sensitive—but without the dark edge and the anger energy. The term Crystal Children is already taking hold worldwide, and people everywhere are talking about these special kids. Since Doreen is the only researcher who is publicly giving speeches on the subject, her audiences have been asking her for a book on the topic. It's a natural sequel to her book *The Care and Feeding of Indigo Children*. As babies, Crystal Children may take longer than normal to begin talking. They are highly telepathic, and their tuned-in mothers communicate with them nonverbally. Because they're so sensitive, the Crystal Children babies may fuss and cry a lot in crowded places. They're also very fond of nature. Doreen once watched one Crystal Child walk from tree to tree, giving each one a big hug. Crystal Children are beautiful inside and out, like magnificent little high-priests and priestesses. One look in their eyes, and you'll recognize Divine love and wisdom. Their auras are bright, radiant, and opalescent—they seem to glow from the inside! They talk about past lives, distant galaxies, and profound insights concerning peace and love. Most Crystal Children's parents are aware that their kids are special, and they're thrilled to be parenting such delightful children. The book includes many interviews with Crystal Children, their parents, and teachers. It discusses parenting and teaching methods that are essential to keeping these children happy and healthy, and how to avoid pitfalls that could spoil their special gifts.

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

In Virtue's first novel, which is based on thoroughly researched historical, biblical, archaeological, and culturally accurate information, readers see how the meeting between King Solomon and Makeda, the Queen of Sheba, changed both of their lives forever.
