

## Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

There is information coming forth from the cutting edge of the brain and mind sciences about a mysterious little organ in the middle of brain known as the pineal gland and an enigmatic substance produced within every human body called DMT. The light these two phenomena shed upon Judaism's most ancient kabbalistic secret - the Foundation Stone in Jerusalem - is truly revelatory and profoundly timely. This book is an extraordinary journey into the experiential roots of consciousness, both personal and global.

Rabbi Shefa Gold, beloved teacher of chant, Jewish mysticism, prayer and spirituality, introduces you to this transformative spiritual practice as a way to unlock the power of sacred texts and take prayer and meditation into the delight of your life.

An investigation into experiences of other realms of existence and contact with otherworldly beings • Examines how contact with alien life-forms can be obtained through the “inner space” dimensions of our minds • Presents evidence that other worlds experienced through consciousness-altering technologies are often as real as those perceived with our five senses • Correlates science fiction’s imaginal realms with psychedelic research For thousands of years, voyagers of inner space--spiritual seekers, shamans, and psychoactive drug users--have returned from their inner imaginal travels reporting encounters with alien intelligences. Inner Paths to Outer Space presents an innovative examination of how we can reach these other dimensions of existence and contact otherworldly beings. Based on their

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

more than 60 combined years of research into the function of the brain, the authors reveal how psychoactive substances such as DMT allow the brain to bypass our five basic senses to unlock a multidimensional realm of existence where otherworldly communication occurs. They contend that our centuries-old search for alien life-forms has been misdirected and that the alien worlds reflected in visionary science fiction actually mirror the inner space world of our minds. The authors show that these “alien” worlds encountered through altered states of human awareness, either through the use of psychedelics or other methods, possess a sense of reality as great as, or greater than, those of the ordinary awareness perceived by our five senses.

Psychonautica: DMT the graphic novel is based on a series of postulations made after a breakthrough experience. Written and illustrated by Mister Strange in an brazen attempt to portray the ineffable journey into the psychedelic realm.

Thinking about taking this magical drug? Ever wondered what exactly happens when you take DMT? Want to make sure you don't have a bad trip? In this unbiased book you'll explore the effects of DMT including the risks and benefits of taking it in the modern world. Educate yourself and learn the history of this psychedelic compound before you decide to go further with whatever you're thinking. There are plenty of fascinating facts, stories and intriguing questions you're going to come across that may shock you. ¿¿ Some of the topics covered in this book include¿¿- Experiencing Death- Proper DMT Consumption- Proper Preparation- Instruments & Techniques- Bad Trips- DMT vs Other Psychedelics- Entering The Hallway Of All Possible Realities

DMT THE COMPLETE BEGINNERS GUIDE THE COMPLETE GUIDE ABOUT EVERYTHING

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

YOU NEED TO KNOW ON HOW DMT IS MADE DMT is known as 'The soul Molecule' and in light of current situation. DMT is one of the most amazing hallucinogenics on earth, usually happening in numerous types of plants, and is believed to be discharged in tiny sums in well evolved creature brain. Despite the fact that the issue is questionable, it's additionally conceivable that the arrival of regular DMT is a factor in out-of-body encounters or ghostly states. This instructional exercise will guide you in step by step on what dmt is all about, With this you can get spiritual awakenings with things that they have seen in trance like states induced by psychedelics such as ayahuasca, magic mushrooms, LSD, and DMT so as to relieve anxiety and cure depression

DMT, also known as N, N-Dimethyltryptamine, is a naturally occurring molecule that is produced naturally in the lungs of humans. It can also be found in various species of plants and animals throughout the world. In its extracted form, DMT is considered a powerful psychedelic drug and is considered as being highly illegal in most countries throughout the world. However, it is still legal in some countries. As a drug, DMT is most popular in 2 forms. The first being a drink that is commonly referred to as ayahuasca, and the second being the pure extract which is smoked or vaped. It is also thought, that through deep levels of meditation, one can stimulate the human body's natural production of DMT to enter psychedelic states naturally. This book focuses on the telling of the experiences that various humans have had with this molecule.

A journey from Burning Man to the Akashic Field that suggest how 5-MeO-DMT triggers the human capacity for higher knowledge through direct contact with the zero-point field • Examines Bufo alvarius toad venom, which contains the potent natural psychedelic 5-MeO-

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

DMT, and explores its entheogenic use • Proposes a new connection between the findings of modern physics and the knowledge held by shamans and religious sages for millennia The venom from *Bufo alvarius*, an unusual toad found in the Sonoran desert, contains 5-MeO-DMT, a potent natural chemical similar in effect to the more common entheogen DMT. The venom can be dried into a powder, which some researchers speculate was used ceremonially by Amerindian shamans. When smoked it prompts an instantaneous break with the physical world that causes out-of-body experiences completely removed from the conventional dimensions of reality. In *Tryptamine Palace*, James Oroc shares his personal experiences with 5-MeODMT, which led to a complete transformation of his understanding of himself and of the very fabric of reality. Driven to comprehend the transformational properties of this substance, Oroc combined extensive studies of physics and philosophy with the epiphanies he gained from his time at Burning Man. He discovered that ingesting tryptamines unlocked a fundamental human capacity for higher knowledge through direct contact with the zero-point field of modern physics, known to the ancients as the Akashic Field. In the quantum world of nonlocal interactions, the line between the physical and the mental dissolves. 5-MeO-DMT, Oroc argues, can act as a means to awaken the remarkable capacities of the human soul as well as restore experiential mystical spirituality to Western civilization.

Joseph Levy leads a quiet life in rural Wheaton Arizona. Retired from a long career in psychiatric research and practice, he reads, writes, and walks in the mountains and hills near the Native reservation. His quiet life ends, however, when a dental crown replacement causes trouble just before meeting an internet

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

date in California. Thus begins a year of back-to-back nightmare infections, a drug overdose, and two failed relationships. At every step, Levy is confronted by matters of life and death, love and hate, faith and doubt, trust and betrayal. Most of all, he faces what it means to be sick and to be healthy. He prays to his God, relies on his friends, examines his dreams, and entrusts his psyche to a new therapist. *Joseph Levy Escapes Death* is a tale of perseverance in the face of adversity. Strassman uses several lenses to view Levy's life: medical, psychoanalytic, and religious--both Buddhist and Jewish. Pathos and humor fill the tale, while enlightening detours examine the Holocaust, cardiovascular physiology and microbiology, and Jewish-Christian relations.

A clinical psychiatrist explores the effects of DMT, one of the most powerful psychedelics known. • A behind-the-scenes look at the cutting edge of psychedelic research. • Provides a unique scientific explanation for the phenomenon of alien abduction experiences. From 1990 to 1995 Dr. Rick Strassman conducted U.S. Government-approved and funded clinical research at the University of New Mexico in which he injected sixty volunteers with DMT, one of the most powerful psychedelics known. His detailed account of those sessions is an extraordinarily riveting inquiry into the nature of the human mind and the therapeutic potential of psychedelics. DMT, a plant-derived chemical found in the

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

psychedelic Amazon brew, ayahuasca, is also manufactured by the human brain. In Strassman's volunteers, it consistently produced near-death and mystical experiences. Many reported convincing encounters with intelligent nonhuman presences, aliens, angels, and spirits. Nearly all felt that the sessions were among the most profound experiences of their lives. Strassman's research connects DMT with the pineal gland, considered by Hindus to be the site of the seventh chakra and by Rene Descartes to be the seat of the soul. DMT: The Spirit Molecule makes the bold case that DMT, naturally released by the pineal gland, facilitates the soul's movement in and out of the body and is an integral part of the birth and death experiences, as well as the highest states of meditation and even sexual transcendence. Strassman also believes that "alien abduction experiences" are brought on by accidental releases of DMT. If used wisely, DMT could trigger a period of remarkable progress in the scientific exploration of the most mystical regions of the human mind and soul.

In *Alias Grace*, the bestselling author of *The Handmaid's Tale* takes readers into the life of one of the most notorious women of the nineteenth century—recently adapted into a 6-part Netflix original mini-series by director Mary Harron and writer/actress Sarah Polley. It's 1843, and Grace Marks has been convicted for her involvement in the vicious murders of her employer and his housekeeper and

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

mistress. Some believe Grace is innocent; others think her evil or insane. Now serving a life sentence, Grace claims to have no memory of the murders. An up-and-coming expert in the burgeoning field of mental illness is engaged by a group of reformers and spiritualists who seek a pardon for Grace. He listens to her story while bringing her closer and closer to the day she cannot remember. What will he find in attempting to unlock her memories? Captivating and disturbing, *Alias Grace* showcases bestselling, Booker Prize-winning author Margaret Atwood at the peak of her powers.

Do you ever feel like you're emotionally on a roller coaster? Not just because of your unstable emotions or relationships, but also the wavering sense of who you are. Would you like to start a trip inside of your spirit and soul, maybe also discovering why you have these reactions? These type of feelings may be caused by BPD (Borderline Personality Disorder). If you have BPD, everything feels unstable: your relationships, moods, thinking, behavior, even your identity. Small things can trigger intense reactions. It's easy to understand how this emotional volatility and inability to self-soothe leads to relationship turmoil and impulsive behavior. BPD is treatable, but it requires to dig deep into your spirit and soul looking for the causes of this disease. ...and that's possible thanks to the use of DMT (Dimethyltryptamine) DMT is a Psychedelic drug that transports

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

you to another reality. Users report access to a completely different plane of consciousness. However this field is very complicated to explain in few words. That's why if you want to elaborate on you need a book like "Psychotherapy and Spirit (2 Books in 1): Borderline Personality Disorder + DTM: The Spirit Molecule" by Albert Piaget. Here's what you'll find: history and causes of Borderline Personality Disorder how can others help a companion or relative with BPD self-help tips Psychedelic Drugs: how science and society see them getting DMT: feelings and thinking ...and much more! Scroll up and add to cart "Psychotherapy and Spirit" by Albert Piaget!

Are you interested in uncovering more about the powerful psychedelic drug DMT? Do you want to learn about people's experiences and the transformational impact it had on their minds, emotions, and lives? Want to make sure you don't have a bad trip if you decide to take it? Inside this profound book, you'll uncover three detailed and insightful accounts of DMT trips, and how these trips impacted the minds and lives of its users. With an exploration of the spiritual and psychedelic effects of DMT, as well as their hallucinations and what they learned about themselves and others, this book allows you to peer behind the curtain of DMT and see it for the powerful tool of self-discovery that it is. DMT has been used in ancient cultures for thousands of years to communicate with spirits,

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

invoke visions, and allow people to interact with their higher selves and deeper consciousness. Now, you can learn about the incredible effects of this drug from people who have experienced it first-hand. Also included is a Frequently Asked Question section including questions such as: Can you die from taking DMT? What does a bad trip feel like? How long does a bad trip last? What is ego death on DMT? With personal stories, a down-to-earth tone, and a wealth of valuable insights, this guide provides an in-depth look at the secrets of DMT. Scroll up and click the 'Buy Now' button now to discover more about this incredible psychedelic today!

A guide to the practice of the Lesser Kan and Li that gives birth to the soul body and the immortal spirit body • Shows how to awaken higher consciousness through practices in total darkness that stimulate the release of DMT by the pineal gland • Shows how to transform sexual energy into life-force energy to feed the soul body The Lesser Enlightenment of Kan and Li practice combines the compassion of the heart energies (yang/fire) with sexual energies originating in the kidneys (yin/water) to form and feed the soul or energy body. Practice of the Chinese formula Siaow Kan Li (yin and yang mixed) uses darkness technology to literally “steam” the sexual energy (jing) into life-force energy (chi) by re-versing the location of yin and yang power. This inversion places the heat

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

of the bodily fire from the heart center beneath the coolness of the bodily water of the sexual energy of the perineum, thereby activating the liberation of transformed sexual energy. Darkness technology has been a key element of Taoist practice--and of all Inner Alchemy traditions--throughout the ages. A total darkness environment stimulates the pineal gland to release DMT into the brain. The darkness actualizes successively higher states of consciousness, correlating with the accumulation of psychedelic chemicals in the brain. In the darkness, mind and soul begin to wander freely in the vast realms of psychic and spiritual experience. Death is no longer to be feared because life beyond the physical body is known through direct experience. The birth of the soul is not a metaphor. It is an actual process of converting energy into a subtle body. Developing the soul body is the preparation for the growth of the immortal spirit body in the practice of the Greater Enlightenment of Kan and Li.

Naturally occurring DMT may produce prophecy-like states of consciousness and thus represent a bridge between biology and religious experience • Reveals the striking similarities between the visions of the Hebrew prophets and the DMT state described by Strassman's research volunteers • Explains how prophetic and psychedelic states may share biological mechanisms • Presents a new top-down "theoneurological" model of spiritual experience After completing his

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

groundbreaking research chronicled in *DMT: The Spirit Molecule*, Rick Strassman was left with one fundamental question: What does it mean that DMT, a simple chemical naturally found in all of our bodies, instantaneously opens us to an interactive spirit world that feels more real than our own world? When his decades of clinical psychiatric research and Buddhist practice were unable to provide answers to this question, Strassman began searching for a more resonant spiritual model. He found that the visions of the Hebrew prophets--such as Ezekiel, Moses, Adam, and Daniel--were strikingly similar to those of the volunteers in his DMT studies. Carefully examining the concept of prophecy in the Hebrew Bible, he characterizes a “prophetic state of consciousness” and explains how it may share biological and metaphysical mechanisms with the DMT effect. Examining medieval commentaries on the Hebrew Bible, Strassman reveals how Jewish metaphysics provides a top-down model for both the prophetic and DMT states, a model he calls “theoneurology.” Theoneurology bridges biology and spirituality by proposing that the Divine communicates with us using the brain, and DMT--whether naturally produced or ingested--is a critical factor in such visionary experience. This model provides a counterpoint to “neurotheology,” which proposes that altered brain function simply generates the impression of a Divine-human encounter. Theoneurology addresses issues

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

critical to the full flowering of the psychedelic drug experience. Perhaps even more important, it points the way to a renewal of classical prophetic consciousness, the soul of Hebrew Bible prophecy, as well as unexpected directions for the evolution of contemporary spiritual practice.

"I suspect the real breakthroughs in our understanding of consciousness are going to come from an entirely different direction. That direction, controversially, has to do with psychedelics--which, as many of the contributors to *The Divine Spark* argue, offer spectacular potential for the investigation of the 'hard problem' of consciousness." --from the introduction by Graham Hancock

*Psychedelics: Medicinal? Vital in interspecies communication or communion with the sacred? Are you reaching enlightenment or damaging your brain?* In this anthology, edited by bestselling author Graham Hancock, 22 writers discuss psychedelics and their myriad connections to consciousness. Travel to South America, the American Southwest, outer space, inner space, and back in time to revisit Pahnke's *The Good Friday* experiment. Explore the effects of ayahuasca, LSD, and much more. Illuminating the topic like never before: Mike Alivernia \* Russell Brand \* David Jay Brown \* Paul Devereux \* Rick Doblin \* Ede Frecska \* Alex Grey \* Nassim Hamein \* Martina Hoffmann \* Don Lattin \* Luis Eduardo Luna \* Dennis McKenna \* Thad McKracken \* Rak Razam \* Gabriel Roberts \* Thomas B.

Roberts \* Gregory Sams \* Robert M. Schoch \* Mark Seelig \* Rick Strassman \* Robert Tindall And, of course, Graham Hancock.

"It was during my eighth or ninth plant medicine journey that I was finally getting a real sense of freedom. I was feeling so elated that I told the moon I had a special request. I explained that this life had been so full of pain for me that I didn't think I could do it all again. So I asked her if in my next life she could make sure that I found the plant medicine as soon as possible. Her reply floored me. She typed, 'Gerry, that's a request about next time, but it's the same one you used last time.'" Plant medicine? The moon typing? It probably seems incomprehensible. Gerard Armond Powell was a rags-to-riches success story—a member of the 1 percent—but also an extremely unhappy person with multiple addictions. On a fast track to destroying every relationship that ever mattered to him and considering suicide, he was looking for a miracle, a way out. He found it in the form of plant medicine and a shaman who introduced him to the truth of his life, and laid the groundwork for a psycho-spiritual journey that would lead him to reconnect with his soul, heal his addictions, and, finally, achieve a lasting sense of peace and happiness. This experience changed Powell, and convinced him to share the universal truths he learned with as many people as he could, which he does at the acclaimed Rythmia Life Advancement Center in Costa Rica, and now with readers in *Sh\*t the Moon Said*. This mesmerizing story gives readers a blueprint to chart their own course to happiness. The first step is to learn who they really are and the possibilities of

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

what they can still become. Second, they have to achieve a reconnection with their souls. And third, they must heal their hearts. *Sh\*t the Moon Said* provides us with an irreverent way of highlighting our shared unconscious wisdom and its life-changing potential. Powell's candid tale and unlikely journey will help inspire readers to know themselves better, and to find the path to their own greatest redemption.

- Includes contributions from the late Ralph Metzner, Chris Bache, Whitley Strieber, Jeffrey Kripal, Angela Voss, Bill Richards, Chris Timmerman, Michael Winkelman, Luis Eduardo Luna, Anton Bilton, Bernard Carr, Daniel Pinchbeck, Dennis McKenna, Ede Frecska, and David Luke
- Explores DMT beings, alien abduction, plant sentience, neuroscientific DMT research, the connections between LSD and DMT entities, and the nature of mind and reality Found throughout the plant and animal kingdom, DMT (dimethyltryptamine) is also naturally occurring in humans, where it is released during near-death and actual death experiences, earning it the title “the spirit molecule.” When taken as a psychedelic, either via ayahuasca or in pure form, DMT is experientially considered to be the strongest and strangest of all entheogens. The majority of high-dose users report visions of unknown yet curiously familiar alien worlds and encounters with sentient nonhuman presences. At a four-day symposium at Tyringham Hall in England in 2017, twenty of the world’s psychedelic luminaries gathered to discuss entheogenic entity encounters, consciousness expansion, visionary experiences, and the future of research in this field. Contributors to the talks and

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

discussions include many leading thinkers, including the late Ralph Metzner, Chris Bache, Whitley Strieber, Jeffrey Kripal, Angela Voss, Bill Richards, Chris Timmerman, Michael Winkelman, Luis Eduardo Luna, Anton Bilton, Bernard Carr, Daniel Pinchbeck, Dennis McKenna, Ede Frecska, and David Luke. This book distills the potent exchange of ideas that occurred at Tyringham Hall, including discussions on DMT beings, encounter experiences, alien abduction, plant sentience, the shamanic use of ayahuasca, neuroscientific DMT research, the connections between LSD and DMT entities, and the nature of mind and reality.

**MAKING DMT SIMPLIFIED**The Complete step by step Guide to making DMT spirit Molecule even as a beginnerDMT is known as 'The Spirit Molecule' - and for good reason. DMT is one of the most powerful psychedelics on the planet, naturally occurring in many species of plants, and is thought to be released in tiny amounts in mammal brains. Although the issue is controversial, it's also possible that the release of natural DMT is a factor in out-of-body experiences or spiritual states.DMT is a molecule that mimics the neurotransmitter serotonin, much like the other classic psychedelics LSD and psilocybin. DMT's psychological effects are mostly due to its binding to the 5-HT<sub>2A</sub> receptor, which is found mostly in areas of the brain associated with high-level cognition: self-awareness, emotions and introspection.When smoked or injected intravenously, DMT causes a very rapid, very intense psychedelic experience which lasts a few minutes. Users report the feeling of being ripped from their bodies, and

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

thrown through space at incredible speeds. DMT produces intense visual and auditory hallucinations of otherworldly landscapes, hidden dimensions and god-like beings. It often produces deep introspection in its users, allowing the revisitation of past memories and providing a fresh perspective on life. In this book I will be teaching you the best methods and techniques for extracting DMT and the various functions of DMT. All questions concerning DMT will be answered in this guide. GRAB YOUR COPY NOW!!! By clicking by Now and learn how to extract DMT without stress.

Sacred Knowledge is the first well-documented, sophisticated account of the effect of psychedelics on biological processes, human consciousness, and revelatory religious experiences. Based on nearly three decades of legal research with volunteers, William

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

A. Richards argues that, if used responsibly and legally, psychedelics have the potential to assuage suffering and constructively affect the quality of human life. Richards's analysis contributes to social and political debates over the responsible integration of psychedelic substances into modern society. His book serves as an invaluable resource for readers who, whether spontaneously or with the facilitation of psychedelics, have encountered meaningful, inspiring, or even disturbing states of consciousness and seek clarity about their experiences. Testing the limits of language and conceptual frameworks, Richards makes the most of experiential phenomena that stretch our understanding of reality, advancing new frontiers in the study of belief, spiritual awakening, psychiatric treatment, and social well-being. His findings enrich humanities and scientific scholarship, expanding work in philosophy, anthropology, theology, and religious studies and bringing depth to research in mental health, psychotherapy, and psychopharmacology.

Questions for the Lion Tamer is a book that presents a basic look at changes within our internal biology that correlates with mystical experiences. The molecule known as "DMT" seems to have potential in terms of providing an explanation for changes in our perception and abilities during these mystical experiences. There also seems to be an electrical component that coincides with "supernormal" traits that have seemingly existed since the beginning of mankind. The content found within this book can be found on the site Q4LT.com with fully downloadable links to the 500 sources cited

“Pollan keeps you turning the pages . . . clear-eyed and assured.” —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives. A dazzling work of personal travelogue and cultural criticism that ranges from the primitive to the postmodern in a quest for the promise and meaning of the psychedelic experience. While psychedelics of all sorts are demonized in America today, the visionary compounds found in plants are the spiritual sacraments of tribal cultures around the world. From the iboga of the Bwiti in Gabon, to the Mazatecs of Mexico, these plants are sacred because they awaken the mind to other levels of awareness--to a holographic vision of the universe. *Breaking Open the Head* is a passionate, multilayered, and sometimes rashly personal inquiry into this deep division. On one level, Daniel Pinchbeck tells the story of the encounters between the modern consciousness of the West and these sacramental substances, including such thinkers as Allen Ginsberg, Antonin Artaud, Walter Benjamin, and Terence McKenna, and a new

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

underground of present-day ethnobotanists, chemists, psychonauts, and philosophers. It is also a scrupulous recording of the author's wide-ranging investigation with these outlaw compounds, including a thirty-hour tribal initiation in West Africa; an all-night encounter with the master shamans of the South American rain forest; and a report from a psychedelic utopia in the Black Rock Desert that is the Burning Man Festival. *Breaking Open the Head* is brave participatory journalism at its best, a vivid account of psychic and intellectual experiences that opened doors in the wall of Western rationalism and completed Daniel Pinchbeck's personal transformation from a jaded Manhattan journalist to shamanic initiate and grateful citizen of the cosmos. This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

*The Entheological Paradigm* is a must-read for anyone who is interested in DMT, 5-MeO-DMT, and the nature of unitary consciousness. In this groundbreaking work, entheogenic researcher, Martin Ball, Ph.D., presents a coherent system of analysis for understanding the psychedelic experience, human identity and

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

consciousness, and the nature of reality as a unified energetic system. Free from speculative metaphysics, *The Entheological Paradigm* promises a revolution in humanity's understanding of itself as well as gives practical methodology for achieving non-dual awareness. Provocative, challenging, and ultimately liberating, this collection of essays is bound to leave its mark in the quest to understand the meaning of it all. Includes the essays, "Digesting the Spirit Molecule," "The Avatar Dreamhunt," "Energy, Ego, and Entheogens," and much more.

Terence McKenna covers wide-ranging and profound topics in his uniquely witty style and rare depth of intelligence. Topics include: the "Stoned Ape" Theory of evolution, consciousness expansion, the purpose of history, extraterrestrial possibilities, interdimensional communication, the DMT trip experience, shamanic science, alchemy and Hermeticism, the Logos, the eschaton, and many other spectra.

Since the mid-1950s, the psychoactive compound DMT has attracted the attention of experimentalists and prohibitionists, scientists and artists, alchemists and hyperspace emissaries. While most known as a crucial component of the "jungle alchemy" that is ayahuasca, DMT is a unique story unto itself. Until now, this story has remained untold. *Mystery School in Hyperspace* is the first book to

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

delve into the history of this substance, the discovery of its properties, and the impact it has had on poets, artists, and musicians. DMT has appeared at crucial junctures in countercultural history. William Burroughs was jacking the spice in Tangier at the turn of the 1960s. It was present at the meeting between Ken Kesey's Merry Pranksters and Tim Leary's associates. It guided the inception of the Grateful Dead in 1965. It showed up in Berkeley in the same year, falling into the hands of Terence McKenna, who would eventually become its champion in the post-rave neo-psychedelic movement of the 1990s. Its indole vapor drifted through Portugal's Boom Festival and has been evident at Nevada's Burning Man, where DMT has been adopted as spiritual technology supplying shape, color, and depth to a visionary art movement. The growing prevalence of use is evident in a vast networked independent research culture, and in its impact on fiction, film, music and metaphysics. As this book traces the effect of DMT's release into the cultural bloodstream, the results should be of great interest to contemporary readers. The book permits a broad reading audience to join ongoing debates in studies in consciousness and theology where the brain is held to be either a generator or a receiver of consciousness. The implications of the "spirit molecule" or "the brain's own psychedelic" among other theories illustrate that DMT may lift the lid on the Pandora's Box of consciousness.

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

Features a foreword by Dennis McKenna, cover art by Beau Deeley, and thirty color illustrations by various artists, including Alex Grey, Android Jones, Martina Hoffmann, Luke Brown, Carey Thompson, Adam Scott Miller, Randal Roberts, along with Jay Bryan, Cyb, Orryelle Defenestrade-Bascule, Art Van D'lay, Stuart Griggs, Jay Lincoln, Gwyllm Llwydd, Shiptu Shaboo, Marianna Stelmach, and Mister Strange. Regarded as the “nightmare hallucinogen” or celebrated as the “spirit molecule,” labelled “psychotogenic” or “entheogenic,” considered a dangerous drug or the suspected X-factor in the evolution of consciousness, DMT is a powerful enigma. Documenting the scientists and artists drawn into its sphere of influence, navigating the liminal aesthetics of the “breakthrough” experience, tracing the novum of “hyperspace” in esoteric and science fiction currents, *Mystery School in Hyperspace* excavates the significance of this enigmatic phenomenon in the modern world. Exposing a great many myths, this cultural history reveals how DMT has had a beneficial influence on the lives of those belonging to a vast underground network whose reports and initiatives expose drug war propaganda and shine a light in the shadows. This conversation is highly relevant at a time when significant advances are being made to lift the moratorium on human research with psychedelics.

Would you like to start a trip inside of your spirit and soul? Do you know what

DMT is and which role plays in human consciousness? The word DMT stands for Dimethyltryptamine and it is a psychedelic drug that can induce out of body or near death experiences, intense hallucinations and even apparent alien abductions. If you smoke it, you will appear to pass out for several minutes, where you'll have euphoric insights into other dimensions. A DMT trip literally transports you to another reality. Users report access to a completely different plane of consciousness. Spirits, aliens, even elves and other strange creatures are encountered in worlds that users report seem to be inhabited by other-worldly foreign intelligence. If you really want to have an experience like that and explore the depths of your spirit you need a guide like "DMT: The Spirit Molecule- Near-death and Mystical Experiences" by Albert Piaget. Here's what you're going to find inside: Psychedelic Drugs: how science and society see them the Pineal Gland getting DMT: feelings and thinking mystical states, dying and unseen worlds the future of Psychedelic research ...and much more! Scroll up and add to cart "DMT: The Spirit Molecule" by Albert Piaget!

A professor of religious studies meticulously documents his insights from 73 high-dose LSD sessions conducted over the course of 20 years • Chronicles, with unprecedented rigor, the author's systematic journey into a unified field of consciousness that underlies all physical existence • Makes a powerful case for

the value of psychedelically induced spiritual experience and discusses the challenge of integrating these experiences into everyday life • Shows how psychedelic experience can take you beyond self-transformation into collective transformation and help birth the future of humanity On November 24, 1979, Christopher M. Bache took the first step on what would become a life-changing journey. Drawing from his training as a philosopher of religion, Bache set out to explore his mind and the mind of the universe as deeply and systematically as possible--with the help of the psychedelic drug LSD. Following protocols established by Stanislav Grof, Bache's 73 high-dose LSD sessions over the course of 20 years drew him into a deepening communion with cosmic consciousness. Journey alongside professor Bache as he touches the living intelligence of our universe--an intelligence that both embraced and crushed him--and demonstrates how direct experience of the divine can change your perspective on core issues in philosophy and religion. Chronicling his 73 sessions, the author reveals the spiral of death and rebirth that took him through the collective unconscious into the creative intelligence of the universe. Making a powerful case for the value of psychedelically induced spiritual experience, Bache shares his immersion in the fierce love and creative intent of the unified field of consciousness that underlies all physical existence. He describes the

incalculable value of embracing the pain and suffering he encountered in his sessions and the challenges he faced integrating his experiences into his everyday life. His journey documents a shift from individual consciousness to collective consciousness, from archetypal reality to Divine Oneness and the Diamond Luminosity that lies outside cyclic existence. Pushing the boundaries of theory and practice, the author shows how psychedelic experience can take you beyond self-transformation into collective transformation, beyond the present into the future, revealing spirit and matter in perfect balance.

Two great classics come to life in one of the most loved books in American History. Remastered to include Illustrated exercises, a biography of Aldous Huxley, and including the full essay of Heaven and Hell, and The Doors to Perception, this book is a great gift to those who are unfamiliar with his work, or may have forgotten about Huxley's famous contemplations of life and death. - ZKBS(c) All Rights Reserved.

DMT Meditation: The guide to channeling your endogenous DMT. Humans have extraordinary abilities that range from the physical to the mental and spiritual. The pineal gland within the human brain is responsible for producing and releasing a natural powerful psychedelic molecule known as DMT, dimethyltrptamine. DMT has been linked to birth, death, and reincarnation, as

## Download File PDF Dmt And The Soul Of Prophecy A New Science Of Spiritual Revelation In The Hebrew Bible

well as a multitude of other fascinating experiences. This guide shows how to activate the pineal gland and control the release of this molecule into the human body for use on command. Dreams, visions, fractals, and many odd phenomenon can be traced to the pineal gland, but there are also benefits in learning this meditation technique. From increased energy to happiness and treating depression to heightened mental control, DMT has the ability to expand human consciousness. Part of its function within the body is the healing factor know to self heal mentally and physically. This guide will also focus on body awareness, sensing and utilizing internal energy, and opening up people's minds to a powerful and eye opening experience that is not found in modern academia and colleges. A meditation practice long forgotten and buried in secrecy is at your fingertips, but ready for only those who have the courage to make the mental journey. -Increased Vitality on Command -Treat and Mitigate Depression -Find Happiness Within and Around -Greater Perspective on Life -Awareness of Internal Energy and Frequencies -Increased Mental Strength and Abilities -Self Heal, Relaxation, and Calmness

- Examines how ayahuasca affects the brain from a neuroscientific perspective and how its effects on consciousness relate to ancient esoteric texts
- Shares interviews with people who have experienced ayahuasca's powerful "spirit doctor" effects and the author's own

ayahuasca journey from suicidal depression to a soul at peace • Investigates how ayahuasca is interwoven with the ancient practices of Amazonian shamanism Brewed from a combination of two plants--the leaves of *Psychotria viridis* and the vine stalks of *Banisteriopsis caapi*--ayahuasca has been used for millennia by indigenous tribes throughout the Upper Amazon for healing and spiritual exploration. The shamans of the Peruvian Amazon call the plant spirit within the vine Abuela Ayahuasca, Grandmother Ayahuasca. Exploring the history, lore, traditional use, psychoactive effects, and current scientific studies, Christian Funder reveals how Grandmother Ayahuasca is a profound healer, wise teacher, and life-changing guide. Examining ayahuasca from a neuroscientific perspective, the author looks at recent research on the effects of DMT--one of the psychoactive compounds in ayahuasca--as well as fMRI studies of brain activity during altered states. He explores these findings as they relate to the teachings on unified states of consciousness in ancient esoteric texts and to Aldous Huxley's theory of psychedelics inhibiting the "reducing valve" mechanism of the brain. Sharing interviews with people who have experienced ayahuasca's powerful "spirit doctor" effects, Funder also details his own revolutionary ayahuasca healing journey from suicidal depression to a soul at peace. He explores ayahuasca's relationship to indigenous Amazonian shamanism, including an inside look at the Shipibo tribe and the healing songs known as icaros. Offering a holistic picture of ayahuasca--from science to spirit--the author shows that this venerated hallucinogenic tea has immense therapeutic potential and just might be the long-lost shamanic connection to the sacred Gaian mind.

Less than fifty thousand years ago mankind had no art, no religion, no sophisticated symbolism, no innovative thinking. Then, in a dramatic and electrifying change, described by

scientists as "the greatest riddle in human history," all the skills and qualities that we value most highly in ourselves appeared already fully formed, as though bestowed on us by hidden powers. In *Supernatural* Graham Hancock sets out to investigate this mysterious "beforeandafter moment" and to discover the truth about the influences that gave birth to the modern human mind. His quest takes him on a detective journey from the stunningly beautiful painted caves of prehistoric France, Spain, and Italy to rock shelters in the mountains of South Africa, where he finds extraordinary Stone Age art. He uncovers clues that lead him to the depths of the Amazon rainforest to drink the powerful hallucinogen Ayahuasca with shamans, whose paintings contain images of "supernatural beings" identical to the animalhuman hybrids depicted in prehistoric caves. Hallucinogens such as mescaline also produce visionary encounters with exactly the same beings. Scientists at the cutting edge of consciousness research have begun to consider the possibility that such hallucinations may be real perceptions of other "dimensions." Could the "supernaturals" first depicted in the painted caves be the ancient teachers of mankind? Could it be that human evolution is not just the "meaningless" process that Darwin identified, but something more purposive and intelligent that we have barely begun to understand?

You're about to discover the crucial information regarding Dimethyltryptamine. It can be overwhelming if you are trying to find honest, factual information because of all the random opinions out there on the internet. You also have to be careful about the misinformation that is coming from online sources, especially those with financial incentives. This book serves to be an unbiased guide so that you can understand all of the important information before you invest money or time into trying "DMT." This book goes into the origins and history of DMT,

how Dimethyltryptamine works, the similarities and differences when compared to other similar "drugs," the positive and negative effects of consuming DMT, as well as the legality and dangers involved. By investing in this book, you can get a grasp of the topic so that you can make a solid decision about what you put into your body, or even help other people in your life. **INSTANT NEW YORK TIMES BESTSELLER** The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim's unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body's untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible

in study after study • Health—True stories and testimonials from people using the method to overcome disease and chronic illness • Performance—Increase your endurance, improve recovery time, up your mental game, and more • Wim’s Story—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph • Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, The Wim Hof Method is waiting for you.

True Report on the Secret Research Programme in the Deep DMT-Dimensions: This work spotlights the secret psychedelic programme covertly established to explore and chart the furthest frontiers of the DMT Multiverse, chronicling the author's first-hand account of his own unique experiences within the bizarre cartography of DMT Hyperspace. The book also speculates upon the existence of AATIP, the Pentagon's once clandestine investigation into the modern UFO phenomenon; as well as highlighting the CIA's now declassified report on the proposed neuroscience of the out-of-body experience, as pioneered by the famous Monroe Institute. An authentic historical document or merely humorous cosmic Creepypasta? The critical reader will need to decide for themselves its veracity, through closer examination of its attributed sources.

Cutting-edge explorations and discussions of DMT experiences and plant sentience from leading luminaries in the field of psychedelic research • Includes contributions from Rupert

Sheldrake, Rick Strassman, Dennis McKenna, Graham Hancock, Jeremy Narby, Erik Davis, Peter Meyer, David Luke, and many others • Explores DMT beings, plant sentience, interspecies communication, discarnate consciousness, dialoguing with the divine, the pineal gland, the Amazonian shamanic perspective on Invisible Entities, and the science behind hallucinations Encounters with apparently sentient beings are reported by half of all first time users of the naturally occurring psychedelic DMT, yet the question of DMT beings and plant sentience, interspecies communication, discarnate consciousness, and perhaps even dialoguing with the divine has never been systematically explored. In September 2015, ten of the world's leading luminaries noted for exploring the mysterious compound DMT (dimethyltryptamine) gathered with other researchers at Tiringham Hall in England to discuss the subject. Over three days, they pooled their expertise from a wide range of subjects--archaeology, anthropology, religious studies, psychology, neuroscience, chemistry, and psychopharmacology, to name a few--to explore the notion of "entheogenic plant sentience" and the role of DMT as a conduit between Spirit and Matter. Offering cutting-edge insights into this visionary domain, this book distills the potent exchange of ideas that occurred at Tiringham Hall, including presentations and discussions on DMT entities, the pineal gland, the possibility of DMT as a chemical messenger from an extraterrestrial civilization, the Amazonian shamanic perspective on Invisible Entities, morphic resonance, and the science behind hallucinations. Contributors to the talks and discussions include many leading thinkers in this field, including Rupert Sheldrake, Rick Strassman, Dennis McKenna, Graham Hancock, Jeremy Narby, Erik Davis, Ede Frecska, Luis Eduardo Luna, Bernard Carr, Robin Carhart-Harris, Graham St. John, David Luke, Andrew Gallimore, Peter Meyer, Jill Purce, William
