“Terrific. . .Rayya’s stories blew mine away.” – Elizabeth Gilbert
“A classic, blood-stained love letter to bohemian NYC.” – Craig Marks
When she was seven, Rayya Elias and her family fled the political conflict in their native Syria, settling in Detroit. Bullied in school and caught between the world of her traditional family and her tough American classmates, she rebelled early. Elias moved to New York City to become a musician and kept herself afloat with an uncommon talent for cutting hair. At the height of the punk movement, life on the Lower East Side was full of adventure, creative inspiration, and temptation. Eventually, Elias’s passionate affairs with lovers of both sexes went awry, her (more than) occasional drug use turned to addiction, and she found herself living on the streets—between her visits to jail. This debut memoir charts four decades of a life lived in the moment, a path from harrowing loss and darkness to a place of peace and redemption. Elias’s wit and lack of self-pity in the face of her extreme highs and lows make *Harley Loco* a powerful read that’s sure to appeal to fans of Patti Smith, Augusten Burroughs, and Eleanor Henderson.

When Simon Majumdar hit forty, he realized there had to be more to life than his stable but uninspiring desk job. As he wondered how to escape his career, he rediscovered a list of goals he had scrawled out years before, the last of which said: Go everywhere, eat everything. With that, he had found his mission -- a yearlong search for the delicious, and curious, and the curiously delicious, which he names Eat My Globe and memorably chronicles in these pages. In Majumdar’s world, food is everything. Like every member of his family, he has a savant’s memory for meals, with instant recall of dishes eaten decades before. Simon’s unstoppable wit and passion for all things edible (especially those things that once had eyes, and a face, and a mom and a pop) makes this an armchair traveler’s and foodie’s delight -- Majumdar does all the heavy lifting, eats the heavy foods (and suffers the weighty consequences), so you don’t have to. He jets to thirty countries in just over twelve months, diving mouth-first into

local cuisines and cultures as different as those of Japan and Iceland. His journey takes him from China, where he consumes one of his "Top Ten Worst Eats," stir-fried rat, to the United States, where he glories in our greatest sandwiches: the delectable treasures of Katz's Delicatessen in Manhattan, BBQ in Kansas and Texas, the still-rich po' boys of post-Katrina New Orleans. The meat of the story -- besides the peerless ham in Spain, the celebrated steaks of Argentina, the best of München's wursts as well as their descendants, the famous hot dogs of Chicago -- is the friends that Simon makes as he eats. They are as passionate about food as he is and are eager to welcome him to their homes and tables, share their choicest meals, and reveal their local secrets. Also a poignant memoir, *Eat My Globe* is a life told through food and spiced with Majumdar's remembrances of foods past, including those from his colorful childhood. (Raised in Northern England, he is the son of a fiery Welsh nurse and a distinguished Bengali surgeon.) A captivating look at one man's passion for food, family, and unique life experiences, *Eat My Globe* will make you laugh -- while it makes you hungry. It is sure to satiate any gastronome obsessed with globetrotting -- for now.

A glorious, sweeping novel of desire, ambition, and the thirst for knowledge, from the # 1 New York Times bestselling author of Eat Pray Love, Big Magic, and City of Girls In The Signature of All Things, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker—a poor-born Englishman who makes a great fortune in the South American guinine trade, eventually

becoming the richest man in Philadelphia. Born in 1800, Henry's brilliant daughter, Alma (who inherits both her father's money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma's research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable paintings of orchids and who draws her in the exact opposite direction—into the realm of the spiritual, the divine, and the magical. Alma is a clear-minded scientist; Ambrose a utopian artist—but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all life. Exquisitely researched and told at a galloping pace, *The Signature of All Things* soars across the globe—from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists, adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who—born in the Age of Enlightenment, but living well into the Industrial Revolution—bears witness to that extraordinary moment in human history when all the old assumptions about science, religion, commerce, and class were exploding into dangerous new ideas. Written in the bold, questing spirit of that singular time, Gilbert's wise, deep, and spellbinding tale is certain to capture the hearts and minds of readers.

Tyrone Power was as versatile in life as he was on the screen. He was several men, and during the creation of this book I have been fortunate in having the other principal "lead" in each of these lives as an active partner, coming very close at times to the point of collaboration. He was the last idol created by the vast star-making machine, Twentieth Century Fox. Coming from a family of multi-generational actors, Tyrone Power broke the proverbial mold. His on-screen charisma in the 30's and 40's propelled him to the forefront of the "must have" actors. His on-screen accomplishments were many yet he did not hesitate to enter the military when his country went to war. After the war, he continued in his career but the years took their toll. A fascinating look behind the scenes of Hollywood of the 30's and 40's and the impact of the times on a great actor.

One of the most iconic, beloved, and bestselling books of our time. This beautifully written, heartfelt memoir touched a nerve among both readers and reviewers. Elizabeth Gilbert tells how she made the difficult choice to leave behind all the trappings of modern American success (marriage, house in the country, career) and find, instead, what she truly wanted from life. Setting out for a year to study three different aspects of her nature amid three different cultures, Gilbert explored the art of pleasure in Italy and the art of devotion in India, and then a balance between the two on the Indonesian island of Bali. By turns rapturous and rueful, this wise and funny author (whom Booklist calls "Anne Lamott's hip, yoga- practicing, footloose younger sister") is poised to garner yet more adoring fans.

The "wonderful first novel about life, love, and lobster fishing" (USA Today) from the #1 bestselling author of Eat Pray Love, Big Magic and City of Girls Off the coast of Maine, Ruth Thomas is born into a feud fought for generations by two groups of local lobstermen over fishing rights for the waters that lie between their respective islands. At eighteen, she has returned from boarding school-smart as a whip, feisty, and irredeemably unromantic-determined to throw over her education and join the "stern men" working the lobster boats. Gilbert utterly captures the American spirit through an unforgettable heroine who is destined for greatness-and love-

In her early thirties, Elizabeth Gilbert had everything a modern American woman was supposed to want—husband, country home, successful career—but instead of feeling happy and fulfilled, she was consumed by panic and confusion. This wise and rapturous book is the story of how she left behind all these outward marks of success, and set out to explore three different aspects of her nature, against the backdrop of three different cultures: pleasure in Italy, devotion in India, and on the Indonesian island of Bali, a balance between worldly enjoyment and divine transcendence.

Like so many of her generation, Lwando Xaso came of age alongside the beginnings and growth of South Africa's constitutional democracy. Her journey into adulthood was a radically different one from that of earlier generations, marked by hope that changing perceptions would usher in a new and free society. *Made in South Africa – A Black Woman's Stories of Rage, Resistance and Progress*, is a vibrant collection of essays in which Lwando examines with incisive clarity some of the events that have shaped her experience of South Africa – a country with huge potential but weighed down by persistent racism and inequality, cultural appropriation, sexism and corruption, all legacies of a complicated history. As a young lawyer intent on climbing the corporate ladder, Lwando's life's direction was changed by a

personal experience of the oppressive capacity of a supposedly democratic government when it unjustly fired a close family friend and mentor from a senior government position. She found herself on his legal team and the turmoil the case created within her led her to further her studies in constitutional law, and to pick up her pen and share with a wider audience her views of what was happening in her beloved country. Her outlook was further shaped by her experience of clerking at the Constitutional Court for Justice Edwin Cameron, which deepened her respect for the South African Constitution, and what it really means for a resilient people to strive continually to live up to its moral and legal standards. Lwando's writing reflects her unflinching resolve to live according to the precepts of our groundbreaking Constitution and offers a challenge to all South Africans to believe in and achieve 'the improbable'.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The actor-turned-travel writer meditates on how travel has helped him to overcome life-long fears and confront his resistance to commitment, tracing his soul-searching visits to such world regions as Patagonia, the Amazon, and Kilimanjaro.

At the end of her bestselling memoir *Eat, Pray, Love*, Elizabeth Gilbert fell in love with Felipe - a Brazilian-born man of Australian citizenship who'd been living in Indonesia when they met. Resettling in America, the couple swore eternal fidelity to each other, but also swore to never, ever, under any circumstances get legally married. (Both survivors of difficult divorces. Enough said.) But providence intervened one day in the form of the U.S. government, who - after unexpectedly detaining Felipe at an American border crossing - gave the couple a choice: they could either get married, or Felipe would never be allowed to enter the country again. Having been effectively sentenced to wed, Gilbert tackled her fears of marriage by delving completely into this topic, trying with all her might to discover (through historical research, interviews and much personal reflection) what this stubbornly enduring old institution actually is. The result is *Committed* - a witty and intelligent contemplation of marriage that debunks myths,

unthreads fears and suggests that sometimes even the most romantic of souls must trade in her amorous fantasies for the humbling responsibility of adulthood. Gilbert's memoir - destined to become a cherished handbook for any thinking person hovering on the verge of marriage - is ultimately a clear-eyed celebration of love, with all the complexity and consequence that real love, in the real world, actually entails. The #1 New York Times bestselling follow-up to Eat, Pray, Love--an intimate and erudite celebration of love—from the author of Big Magic: Creative Living Beyond Fear. At the end of her memoir Eat, Pray, Love, Elizabeth Gilbert fell in love with Felipe, a Brazilian living in Indonesia. The couple swore eternal love, but also swore (as skittish divorce survivors) never to marry. However, providence intervened in the form of a U.S. government ultimatum: get married, or Felipe could never enter America again. Told with Gilbert's trademark humor and intelligence, this fascinating meditation on compatibility and fidelity chronicles Gilbert's complex and sometimes frightening journey into second marriage, and will enthral the millions of readers who made Eat, Pray, Love a number one bestseller.

For the first time the complete works of the award-winning author Elizabeth Gilbert are collected together, highlighting her talents as a writer of both fiction and non-fiction. In Rome, she indulges herself and

gains nearly two stone. In India, she finds enlightenment through scrubbing temple floors. Finally, in Bali a toothless medicine man reveals a new path to peace, leaving her ready to find love again. In *Committed*, Gilbert is about to wed the man she fell in love with at the end of *Eat, Pray, Love* and with wit and intelligence contemplates marriage, trying with all her might to discover what this stubbornly enduring old institution actually is. In *The Last American Man*, Gilbert presents a fascinating, intimate portrait of the American naturalist and brilliant modern hero Eustace Conway, who at the age of seventeen ditched the comforts of his suburban existence to escape into the wild. Attempting to instil in people a deeper appreciation of nature, Conway stops at nothing in pursuit of bigger, bolder adventures. In Gilbert's first novel *Stern Men*, the eighteen-year-old irredeemably unromantic Ruth Thomas returns home from boarding school determined to join the 'stern-men'. Throwing her education overboard, this feisty and unforgettable American heroine helps work the lobster boats and brushes up on her profanity, eventually falling for a handsome young lobsterman. In *Pilgrims*, Gilbert's sharply drawn and tenderly observed collection of twelve short stories, tough heroes and heroines, hardened by their experiences, struggle for their epiphanies and seek companionship as fiercely as they can. In *The Summer Book* Tove Jansson distills the essence of the summer—its sunlight and storms—into twenty-two crystalline vignettes. This brief novel tells the story of Sophia, a six-year-old girl awakening to existence, and Sophia's grandmother, nearing the end of hers, as they

spend the summer on a tiny unspoiled island in the Gulf of Finland. The grandmother is unsentimental and wise, if a little cranky; Sophia is impetuous and volatile, but she tends to her grandmother with the care of a new parent. Together they amble over coastline and forest in easy companionship, build boats from bark, create a miniature Venice, write a fanciful study of local bugs. They discuss things that matter to young and old alike: life, death, the nature of God and of love. "On an island," thinks the grandmother, "everything is complete." In *The Summer Book*, Jansson creates her own complete world, full of the varied joys and sorrows of life. Tove Jansson, whose Moomintroll comic strip and books brought her international acclaim, lived for much of her life on an island like the one described in *The Summer Book*, and the work can be enjoyed as her closely observed journal of the sounds, sights, and feel of a summer spent in intimate contact with the natural world.

At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper

appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed modern hero. *The Last American Man* is an unforgettable adventure story of an irrepressible life lived to the extreme. *The Last American Man* is a New York Times Notable Book and National Book Critics Circle Award Finalist.

There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

enlightenment and a story for anyone who has battled with divorce, depression and heartbreak.

The cowboys, strippers, labourers and magicians of Pilgrims are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls hopelessly for the local bully's sister. These are tough heroes and heroines, hardened by their experiences, who struggle for their epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, Pilgrims is filled with Gilbert's inimitable humour and warmth.

One man's spiritual journey to rediscover how much he hates spiritual journeys. "A dizzyingly fun parody" (Publishers Weekly). In Drink, Play, F@#k, Bob Sullivan, a jilted husband, sets off to explore the world, experience a meaningful connection with the divine, and rediscover his passion. His travels lead him from his home in New York City to a drinking bender across Ireland, through the glitz and glamour that is Las Vegas, and to the hedonistic pleasure palaces of Thailand. After a lifetime of playing it safe, Sullivan finally follows his heart and lives out everyone's deepest fantasies. For who among us hasn't dreamed of standing stark naked, head upturned, and mouth agape beneath a cascading torrent of Guinness Stout? What could be more exhilarating than losing every penny you have because Charlie Weis

went for a meaningless last-second field goal? And what sensate creature could ever doubt that the greatest pleasure known to man can be found in a leaky bamboo shack filled with glassy-eyed, bruised Asian hookers? Bob Sullivan has a lot to teach us about life. Let's just pray we have the wisdom to put aside our preconceptions and listen. Because what Sullivan finds isn't at all what he expected. "Two years after invading every bookshelf across the world, something positive has come out of Elizabeth Gilbert's mind-numbingly self-absorbed memoir: Andrew Gottlieb's fictional response." —Monica Weymouth, Metro

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting in her mother's attic for decades. Among the old, dusty hardbacks was a book called *At Home on the Range*, written by her great-grandmother, Margaret Yardley Potter. As Gilbert writes

in her Foreword. I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate... By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was wonderful, and I was in love.' The cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious prose. At Home on the Range is a fascinating, humorous and useful cookbook from the past that is essential for the present day.

"Luca Spaghetti is not only one of my favorite people in the world, but also a natural-born storyteller. . . . This [is a] marvelous book." -Elizabeth Gilbert When Luca Spaghetti (yes, that's really his name) was asked to show a writer named Elizabeth Gilbert around Rome, he had no idea how his life was about to change.
