The Korean labour migration system has expanded since the mid-2000s, primarily in the admission of temporary foreign workers for less skilled jobs. Its temporary labour programme, addressed largely at SMEs in manufacturing and based on bilateral agreements with origin countries, ...

Korean Grammar: The Complete Guide to Speaking Korean Naturally covers all the basic sentence structures, verbal forms and idiomatic expressions taught in the first two years of a college level Korean language course. It is specifically designed for the following learners: Beginning or intermediate level Korean language students Self-study adult learners or those studying with a tutor Heritage learners who wish to speak Korean more correctly Anyone who wants to review previously acquired Korean Each chapter provides clear grammatical explanations with charts and examples for each construction, showing how it is used in various contexts. All Korean words and sentences are given in both Korean Hangul script and Romanized form, with English translations to assist beginning learners. Fundamental concepts like honorifics, formal and informal speech styles, verb endings and complex sentence constructions are all presented in straightforward terms to make these constructions accessible to learners at every level. Exercises at the end of each chapter reinforce the learning process.

This is a complete study guide to the most common Korean verbs Korean grammar is notoriously difficult for foreigners to master but is essential for those wishing to learn Korean. Easy-to-use 500 Basic Korean Verbs is the only comprehensive guide to the correct usage of Korean verbs available for English-speaking learners. Each of the 500 most important Korean verbs is presented in a convenient single-page format that gives the verb's meaning and pronunciation and displays the verb's 48 key tenses, speech levels, and moods (all accompanied by romanizations). Also included are a handy guide to the Korean language and verb conjugation and reference tables of basic Korean verb types, along with 3 indexes (Romanized, Hangeul, and English). 500 Basic Korean Verbs Includes: Conjugations by tense, speech levels, and mood. "Model verb" system quickly identifies each verb's pattern. Sample sentences demonstrating the verb's correct usage. Free downloadable audio provides pronunciations for the verbs and 1,000 example sentences. Korean characters (Hangul) as well as romanized pronunciations to help English speakers. Two-color design makes quick reference easy.

This publication analyses recent development in migration movements and policies in OECD countries and some non member countries. This edition's special chapters cover renewing ageing workforce skills and Asia in international migration.

Do you want your Korean language skills to shine? Then Essential Korean Grammar offers exactly what you need to finally understand and express which grammar option is best. Having a solid understanding of grammar is essential to effectively learn Korean. Essential Korean Grammar gives you excellent examples that lay out the best grammar options for communicating, and when to use each option. The grammar items are cleverly rated so you can determine what's most useful for you to study, based on your Korean knowledge level and your plans. There is a star rating system, from 5 stars ("critical"; with these under your belt you can communicate almost everything you need to say) to 1 star (don't worry about this unless there's some reason you need to know it—for example, the TOPIK exam). Essential Korean Grammar is a toolbox to help you form correct and natural-sounding sentences, and determine which grammar you need for reading or writing Korean. It details: How to combine grammar points with each type of word. How it is similar to and different from related grammar points. Commonly used expressions. Things for learners to watch out for. The example sentences for each grammar point use simple vocabulary that even a beginner will know. A perfect supplement to any Korean language textbook!

This report analyses the institutions and structures that govern labor migration in Asia. It considers the important role of governments and other stakeholders in both labour-destination and labour-sending countries.

Learn to speak more natural Korean and avoid common mistakes!

The Korean labour migration system has expanded since the mid-2000s, primarily in the admission of temporary foreign workers for less skilled jobs. Its temporary labour programme, addressed largely at SMEs in manufacturing and based on bilateral agreements with origin countries, has become the largest such programme in the OECD. Structural changes in the labour force, with a rapidly shrinking and highly educated youth population, keep the underlying demand for this programme strong. Yet skills levels of workers are increasing, and there is interest in increasing Korea's share in global talent mobility, including international students and innovative entrepreneurs. This book addresses the question of how to ensure that international recruitment can help meet urgent needs in the labour market which cannot be met locally, and how the temporary labour migration programme - and other migration streams - can evolve to ensure that Korea meets its policy objectives. This review first examines the characteristics of the Korean labour market and main challenges where labour migration can help address demand. Following a discussion of various programmes and procedures, the review assesses how labour migration is playing a role in different sectors and how programme governance could be improved. It then explores the channels for high-skilled migrants and how these could be improved in light of international experience.

Do you want to learn Korean the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. This volume fills a gap in the existing literature and proposes an interdisciplinary and multicultural comparative approach to the impact of Hallyu worldwide. The contributors analyze the spread of South Korean popular products from different perspectives (popular culture, sociology, anthropology, linguistics) and from different geographical locations (Asia, Europe, North America, and South America). The contributors come from a variety of countries (UK, Japan, Argentina, Poland, Bulgaria, Czech Republic, Indonesia, USA, Romania). The volume is divided into three sections and twelve chapters that each bring a new perspective on the main topic. This emphasizes the impact of Hallyu and draws real and imaginary “maps” of the export of South Korean cultural products. Starting from the theoretical backgrounds offered by the existing literature, each chapter presents the impact of Hallyu in a particular country. This applied character does not exclude transnational comparisons or critical interrogations about the future development of the phenomenon. All authors are speaking about their own, native cultures. This inside perspective adds an important value to the understanding of the impact of a different culture on the “national” culture of each respective country. The contributions to this volume illustrate the “globalization” of the cultural products of Hallyu and show the various faces of Hallyu around the world.

This insightful book explores smaller towns and cities, places in which the majority of people live, highlighting that these more ordinary places have extraordinary geographies. It

focuses on the development of an alternative approach to urban studies and theory that foregrounds smaller cities and towns rather than much larger cities and conurbations. Why don't we feel the moment when we fall in love but always remember when it ends? Akash is young, single and conservative with a preference for girls with brains than in miniskirts. One day, he runs into free-spirited Aleesha at a local discotheque. A mass-media student, Aleesha is a pampered brat, the only child of her parents who dote on her. This brief meeting leads them to exchange their BlackBerry PINs and they begin chatting regularly. As BlackBerry plays cupid, they fall in love. When they hit a rough patch in their life, Aditya, Akash's close pal, guides them through it. But just when they are about to take their relationship to the next level, a sudden misfortune strikes. Can Aditya bring Akash's derailed life back on track? It Started with a Friend Request is a true story which will make you believe in love like never before.

This intermediate level text has been developed in accordance with performance-based principles, contextualization, use of authentic materials, function/task-orientedness, and balance between skill getting and skill using. Each topic covers punctuation, grammar and new words and expressions.

Intermediate Korean: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This workbook presents twenty-four individual grammar points, covering the core material which students would expect to encounter in their second year of learning Korean. Grammar points are followed by examples and exercises which allow students to reinforce and consolidate their learning. Intermediate Korean is suitable for both class use as well as independent study. Key features include: clear, accessible format many useful language examples all Korean entries presented in Hangeul with English translations jargon-free explanations of grammar abundant exercises with full answer key subject index. Clearly presented and user-friendly, Intermediate Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal grammar reference and practice resource for students with some knowledge of the language.

Teaching Korean as a Foreign Language: Theories and Practices is designed for prospective or in-service Korean as a Foreign Language (KFL) teachers. With contributions from leading experts in the field, readers will gain an understanding of the theoretical framework and practical applications of KFL education in the context of Second Language Acquisition (SLA). The eight chapters explore the history of and current issues in language education, the practicalities of being a classroom teacher, and teaching and evaluation techniques for developing language and cultural proficiency. This comprehensive volume also includes an annotated bibliography which lists over 500 of the most recent and pertinent research articles and doctoral dissertations in the area. This bibliography will be of great service to students, teachers, and any researchers in applied linguistics and second language acquisition interested in Korean language education.

This report analyzes labor migration trends in Asia and emphasizes the importance of partnerships to promote effective labor migration management. It addresses temporary migrant worker programs, focusing on the Republic of Korea's Employment Permit System and Malaysia's Electrical and Electronics industry.
