"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete,

and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, *The Lonely City* is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release.

Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

Netted Together is a compilation of devotionals that invites readers to feel at home as they learn about a variety of stories and scriptures, and then journal their thoughts. Netted Together's lighthearted and conversational tone makes it stand out among other devotionals, with its unique stories that highlight scripture and illustrate God's faithfulness. The types of stories woven into the devotionals range from fiction, movies, gardening, Bible stories, history, and personal essays. Each day the reader will walk away more informed, inspired, and encouraged by seeing how God's words can be intertwined into everyday experiences, much like the way a fishing net intertwines. The individualized, devotional stories within this book are prayers netted together from my own personal sighs to encourage you. Each devotional is woven together to form a prayer mesh that prevents sighers like me from slipping through life without a Godly help-net. My sighs were longings about God's timing?"Lord, how long must I wait?" Sighs about decision-making?"What shall I do?" And, yes, sighs about daily living. The responses to my sighs are shared with God's eye shields, that restricted my wondering thoughts and gaze toward Him. It was God who shielded me from my unsteady surroundings, teaching me dependency, agreement, and especially partnership with Him. He taught me that when my prayers are in

partnership with Him, my answers can be, too. They have the potential of being in agreement with His purpose. In the context of science, there's a similar notion of being in agreement. For instance, scientists discovered that under pressure and high temperature, ice, water, and water vapor can be present at the same time ? indistinguishable. It's called the triple point. Imagine that! At triple point you can actually see all three substances thriving at the same time without dimensioning. You may think this is crazy, but it reminded me of the response two blind men received when seeking Jesus for healing. In Matthew 9:28-29 (MSG), Jesus gave a thought-provoking response to their request to be healed. He said, "Do you really believe I can do this?". . . He touched their eyes and said, 'Become what you believe.' It happened. They saw." I would like to express it this way: Are you able to dismiss the blindness of your past, the struggles of your present, and entrust the outcome of your future to be in agreement with Jesus? Can you see yourself no longer as a beggar, but as a valued resident? How about walking freely without any aid? In this moment, it became a triple point experience between Jesus and the blind men. Agreement with Jesus says, you have confidence that what He has spoken is already done. So as you read these daily devotionals let your will become indistinguishable from His.

The ancient dragons -- of the time of the legendary Saint George and earlier -- have never disappeared entirely. Instead, they've moved undercover -- and into human society. Now one lonely schoolboy is about to learn where the dragons have gone ... Educated at boarding schools, Simon St. George has never met his parents. When a ragged-looking man shows up claiming to be his father, Simon is skeptical, and when the man kidnaps him, he's indignant to say the least. Then the man claims to be a descendant of England's Saint George and a career dragon fighter. Why should Simon believe any of this nonsense? But what if the man is telling the truth? What if the dragons know he's out there? Rich with the dragon lore of legend, the saint of dragons continues and enlarges on the tale of the centuries-old conflict between dragons and humans that rages even today.
