

Guide On The River And Source

In the "brilliant novel" (The New York Times) V.S. Naipaul takes us deeply into the life of one man—an Indian who, uprooted by the bloody tides of Third World history, has come to live in an isolated town at the bend of a great river in a newly independent African nation. Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions.

FOR THE FISHERMAN, the floaters, the river lovers, and the eager greenhorns, all ages, all skills - the Kings River is calling you. It's calling you to learn, experience and enjoy, every meandering bend. A river that traverses 90 miles northward in Northwest Arkansas needs an extensive guide with detailed descriptions to teach and entertain while it provides history and geological facts about the terrain. and a few Riverman memories to take you back in time. Thorough guide maps help you plan your trip to the river while the Riverman tips are essential for understanding the regulations, reading the river levels, choosing the right floating vessels, selecting the right fishing gear, and packing the right bait. The smallmouth bass reigns supreme over the Kings River, it also shares the habitat with over 215 species of fish. This book is comprehensive in love and lore, however, time and space will dictate focusing on the most popular sought-after game fish that populate this beloved Ozark stream. With five decades of familiarity with this free-flowing waterway, Doug Allen will share the treasure map that is public access points, outfitters you can trust, and well-known, some might say, infamous legends of the Kings. Future generations of fishermen and paddlers depend on us to preserve both the beauty and tranquility as well as document the stories and history of this royal stream-Kings River.

With detailed driving directions, shuttle icons, stream flow beta, 43 scale maps, and colour photos, this book offers you what you need to plan an American paddling vacation. It is your ticket to travel in 9 of the continent's hottest paddling destination regions, with information on the best playspots, creeks, and rivers from class III to V+.

EDGAR AWARD NOMINEE NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: THE OBSERVER (LONDON) * KIRKUS REVIEWS Wynn and Jack have been best friends since college orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. One night, with the fire advancing, they hear a man and woman arguing on the fog-shrouded riverbank; the next day, a man appears on the river, paddling alone. Is this the same man they heard? And if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

A fully revised and updated edition of Gary Nichols' widely used guide to river running in Utah, with information about alterations in waterways and changes in access points.

"Death of a River Guide makes good on a truly soaring ambition and flirts with literary greatness. . . . An indelible vision of how surely the history of a land plays its part in shaping the interior landscape of the human beings who occupy it." —The Chicago Tribune With Death of a River Guide, Richard Flanagan gives us an extraordinary novel as sprawling and compelling as the land and people it describes. Beneath a waterfall on a remote Tasmanian river, Aljaz Cosini is drowning. Beset by visions, he relives not just his own life but that of his family and forebears. He sees his father, Harry, burying his own father, Boy. He sees Boy himself as a young man, and his Auntie Ellie, chased by a cow she believes is a Werowa spirit.

In the waters that rush over him Aljaz finds a world where his story connects to family stories that are Aboriginal, Celtic, Italian, English, Chinese, and East European—what he ultimately discovers in the flood of the past is the soul history of his country.

The New River is one of the most changeable and fickle rivers on the East Coast--and also one of the most beautiful and rewarding. It attracts anglers, canoeists, kayakers, rafters, bird watchers, rock climbers, and those who simply enjoy the great outdoors. The New River Guide provides an indispensable overview of this untamed and scenic waterway as it winds through three states, including the bucolic South Fork in North Carolina, the ridges of Virginia, and the gorges of West Virginia. Both casual and hardcore anglers will learn of the best places to fish for smallmouth bass. Canoeists will find the most enticing sections to paddle, whether they prefer placid stretches or white water. Rafters and kayakers headed for Class IV rapids in the New River Gorge will find The New River Guide a must-read. This new edition for 2015 includes updated and expanded information on favorite float trips, fishing spots, access points, bass lines and lures, and river guides and other resources.

The South Platte River begins high atop the frozen Continental Divide, home to a chain of rugged 13,000-foot, snow-capped peaks. This region comprises lush valleys, meandering meadow streams, and rose-colored, boulder-filled canyons. For generations this area has been a recreation mecca and a fly fisher's paradise in its purest form. Out of all the trout fisheries in America that are within an hour's drive of a major metropolitan area, the South Platte River is clearly one of the best. It has become a river shrine to thousands of anglers on an annual basis and for good reason.

Throughout the river's entirety, the South Platte creates a series of reservoirs (Antero, Spinney, Eleven Mile, Cheesman, Strontia Springs, and Chatfield) that provide major metropolitan water storage systems for Denver Water and the City of Aurora. The by-products of these storage facilities are world-class tailwaters that provide anglers with year-round fishing opportunities. Against all odds, the South Platte River remains a world-class trout fishery abundant with some of the most finicky and challenging trout in the world. There's a common belief among South Platte regulars—if you can catch trout on the South Platte; you can catch trout anywhere in the world. * Completely new maps and updated river, access, and fishing information * Regional experts like Landon Mayer, Greg Blessing, Jeremy Hyatt, Chris Wells, Richard Pilatzke and John Perizzolo, Rick Mikesell and many more, share insider information * New line up of cutting-edge fly patterns * Additional chapters on stillwaters and the Denver Metro Area

Each guide provides vital information on distances, difficulty, recommended water levels, access, scenery, paddling conditions, and more.

Utah's Green River is a superb guidebook that unlocks the secrets of this great river. Dennis Breer spent over 2,000 days on the Green acquiring the vast range of information shared in this book, including: Nymph fishing, dry-fly fishing, proper outfitting for the Green, float-fishing, hatches, an in-depth, year-round look at the river and its habitat, wading and floating the river, boating regs, river flows, even river-floating etiquette. And, of course, the most productive fly patterns for the Green River. Whitewater river guide for the San Juan River from Montezuma Creek to Clay Hills Crossing, Utah

Ten years into their marriage, Abbie faces a life-threatening illness. Her husband Doss battles the disease with her every step of the way. "Where the River Ends" chronicles their love-filled, tragedy-tinged journey and a bond that transcends all.

This is a practical guidebook to navigating the Wabash River and traveling along the

river its entire length from Ft. Recovery, Ohio, through Indiana, to its confluence with the Ohio River at the Indiana/Illinois border. It includes detailed navigational charts, geographic and historical information about the river, along with the location of landmarks, hazards, bridges, ramps, tributaries, fuel and supplies. It contains a section called "Reading the River," which has advice for traveling the river safely. It also includes GPS readings, aerial photos, and descriptions and maps of roads adjacent or leading to the river.

Maps of towns, roads, parks and other landmarks along nearly 360 miles of the river's course.

The godfather of North Cascades climbing updates the third of his seminal guides to this wild range. Included are 10 new topos, updated maps, over 100 photographs (75 with route overlays), route information and driving directions. Hikers, scramblers, serious climbers and Northwest rescue organizations, alike, have relied on Fred Beckey's Cascade Alpine Guides for decades to lead them through this wild mountain range. In addition to their comprehensiveness, the books provide a rare combination of aerial photos with route overlays, three-dimensional illustrated maps and climbing topos. The section of the North Cascades covered in this volume is roughly a pie-shaped area bounded by Hwy 97 and the Columbia River to the east, Lake Chelan to the west, and Hwy 20 to the north. Except for glaciers and some year-round snow fields, it's mostly dry, lonesome, open country, with beautiful granite spires jutting to the sky.

Whitewater guidebook for Middle Fork of the Salmon River and main Salmon River in Idaho.

The Flint River is arguably Georgia's most beautiful river, and in terms of the terrain through which it flows on its 344-mile journey, there is not another Georgia river that exposes the river traveler to more diverse vistas. From the bottomland swamps in its headwaters, through soaring views of Pine Mountain and rapids in the Piedmont, to breathtakingly clear springs in the Coastal Plain, the Flint is filled with surprises at virtually every bend. The Flint River User's Guide, the fourth in a series of Georgia River Network recreational guidebooks, is a portal to adventure on this spectacular river. The book brings to life the river's cultural and natural heritage while providing all the details needed to get out on the river and enjoy it via canoe, kayak, paddleboard, or motorized vessel. Whether in your canoe, on the river, or on your couch at home, the Flint River User's Guide will immerse you in the story of the river, which also happens to be the story of those communities along its course—from the headwaters in the suburbs of metro Atlanta to the backwaters of Lake Seminole near the Florida state line. Features: An introduction and overview of the river Chapters describing each river section with detailed maps and notes on river access and points of interest A compact natural history guide featuring species of interest found along Georgia's rivers Notes on safety and boating etiquette A fishing primer Notes on organizations working to protect the river Printed on waterproof paper

Completely revised and updated, this is the definitive guide to more than 2,500 miles of river in New Hampshire and Vermont, making it the ideal resource for whitewater and flatwater kayakers and canoeists.

The rich tapestry of Alaska is threaded together by 365,000 miles of waterways, from cascading mountain streams to meandering valley rivers, from the meltwaters of glaciers to broad rivers that empty into the sea. This guide profiles a wide variety of rivers from all over Alaska, concentrating on trips for intermediate boaters, and including a few major expeditions for the experienced river-runner. A section on gear outlines what to take into the backcountry.

From its headwaters on the southern slope of the Tennessee Valley divide near Dahlonega to its confluence with the Oostanaula to form the Coosa in Rome, the Etowah is a river full of interesting surprises. Paddle over Native American fish weirs and past the Etowah Indian Mounds, one of the most intact Mississippian Culture sites in the Southeast. See the quarter-mile tunnel created to divert the Etowah during Georgia's gold rush and the pilings from antebellum bridges burned in the Civil War. This guide offers all the information needed for even novice paddlers to feel comfortable jumping in a boat and heading downstream, including detailed, accurate maps; put in/take out and optimal river flow information; mile-by-mile points of interest; and an illustrated natural history guide to help identify animals and plants commonly seen in and around the river. A fishing primer offers tips to understand the habits of some of the many native fish species found in the Etowah, from trout in the river's upper reaches to bass and bream in the midsection and catfish and drum below Lake Allatoona. Along the way, river explorers will come to understand the threats facing this unique Georgia place, and the guide offers suggestions for how to take action to help protect the Etowah and keep its beauty and biodiversity safe for future explorers. A Wormsloe Foundation nature book.

A complete, all-seasons guide to the Colorado River and tributaries including Roaring Fork, Eagle, Frasier, and Fryingpan. Includes breathtaking images, fly patterns, hatch information, and more.

During the early days of the Civil War, the Pruitt family takes in two mysterious young ladies who have fled New Orleans to come north to Illinois. An ALA Notable Book & Best Book for Young Adults. Reprint.

Guidebook for whitewater boating on the Selway River in Idaho.

Featuring: Hiking, Camping, Geology, Archaeology and Steamboating, Cowboy, Ranching & Trail Builing History

The essential guidebook

A major new Southern voice emerges in this novel about a town divided by the aftermath of a tragic accident--and the woman caught in the middle When a twelve-year-old girl drowns in the Tamassee River and her body is trapped in a deep eddy, the people of the small South Carolina town that bears the river's name are thrown into the national spotlight. The girl's parents want to attempt a rescue of the body; environmentalists are convinced the rescue operation will cause permanent damage to the river and set a dangerous precedent. Torn between the two sides is Maggie Glenn,

a twenty-eight-year-old newspaper photographer who grew up in the town and has been sent to document the incident. Since leaving home almost ten years ago, Maggie has done her best to avoid her father, but now, as the town's conflict opens old wounds, she finds herself revisiting the past she's fought so hard to leave behind. Meanwhile, the reporter who's accompanied her to cover the story turns out to have a painful past of his own, and one that might stand in the way of their romance. Drawing on the same lyrical prose and strong sense of place that distinguished his award-winning first novel, *One Foot in Eden*, Ron Rash has written a book about the deepest human themes: the love of the land, the hold of the dead on the living, and the need to dive beneath the surface to arrive at a deeper truth. *Saints at the River* confirms the arrival of one of today's most gifted storytellers.

Whether you're casting from the bank or fishing from a boat, "Oregon River Maps & Fishing Guide" tells you where to be and when to be there. Learn the secrets of Oregon's best rivers, including the "insider" information you need to experience the very best fishing Oregon has to offer. We've included updated phone and email information for the essential services and accommodations specific to the needs of fishermen.

From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) *The Thirteenth Tale* comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

When Henry Hudson explored the Delaware River in 1609, he dubbed it "one of the finest, best, and pleasantest rivers in the world." Today, those same qualities make the Delaware one of the most popular rivers for recreational use in the United States. Although in places a near-

wilderness, the Delaware is easily accessible to millions of residents. On any summer day there may be thousands of people rushing down its exciting rapids or lazing through its serene eddies. A Paddler's Guide to the Delaware River is an indispensable resource for anyone who wants to experience the Delaware River in a kayak, canoe, raft, or tube—or, for that matter, an automobile or an armchair. Reading the book is like travelling down the river with an experienced guide. It charts the non-tidal Delaware 200 miles from Hancock, New York, to Trenton, New Jersey, describing access points, rapids, natural features, villages, historical sites, campgrounds, outfitters, and restaurants. The Delaware comes alive as the author introduces some of the people, places, events, and controversies that have marked the river from earliest times to the present day. Completely revised, the third edition offers: An overview of the river including watershed, history, place names, paddlecraft, safety, and fishing. The River Guide: ten sections that can each be paddled in one day (about 20 miles), with a mile-by-mile account of rapids, access, natural features, historic sites, and other features. All new maps, with names for virtually every rapid, eddy, and other river feature, plus detailed diagrams for routes through even the most severe rapids. Features in the River Guide highlight the people, events, natural history, and communities that define the river experience, such as Tom Quick, the infamous "avenger of the Delaware"; the mysterious migration of eels, the battle over Tocks Island Dam; and many others. Appendices of Important Contacts, Outfitters and Campgrounds, River Trip Checklists, and more. Whether you are a novice out for an afternoon float, a seasoned adventurer on an overnight expedition, or a resident fascinated by the lore of the Delaware Valley, this book is an invaluable guide.

Printed on completely waterproof paper

This useful guide traces the Chattahoochee's 430-mile course through 200 color photographs, 32 maps, and detailed practical information about public access points, potential hazards, and camping facilities.

The classic novel of fly fishing and spirituality, originally published in 1983. Since its publication in 1983, *THE RIVER WHY* has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, *THE RIVER WHY* is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.

"Published in Cooperation with Altamaha Riverkeeper, Yellow River Water Trail, Ocmulgee River Water Trail, and South River Watershed Alliance."
