The #1 New York Times bestseller. Over 3 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad

ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more.

Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Penny Farina needs a change of scenery. After another whirlwind year of teaching at a private high school and a shocking breakup with her boyfriend, she is more than happy to accept her aunt and uncle's invitation to wait tables in their café and stay with them in their recently renovated home in Ocean Corner, NJ for the summer. While adjusting to life down the shore, she experiences a series of strange occurrences: letters from decades past begin to magically surface one by one in her aunt and uncle's house. With the help of new friends, Penny uncovers the truth about the people who wrote those notes so many years ago - and is faced with a decision that could completely change the trajectory of her life forever. *The Letters in the Old House* is a story about discovering the healing power of heartbreak, overcoming fear, and finding oneself in the process.

"What a box of tricks! This full-throttle thriller, dark and driving, rivals Agatha Christie for sheer ingenuity and James Patterson for flat-out speed. Swift, sharp, and relentless." — A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A brilliant, edgy thriller about four strangers, a blizzard, a kidnapped child, and a determined

young woman desperate to unmask and outwit a vicious psychopath. A kidnapped little girl locked in a stranger's van. No help for miles. What would you do? On her way to Utah to see her dying mother, college student Darby Thorne gets caught in a fierce blizzard in the mountains of Colorado. With the roads impassable, she's forced to wait out the storm at a remote highway rest stop. Inside are some vending machines, a coffee maker, and four complete strangers. Desperate to find a signal to call home, Darby goes back out into the storm . . . and makes a horrifying discovery. In the back of the van parked next to her car, a little girl is locked in an animal crate. Who is the child? Why has she been taken? And how can Darby save her? There is no cell phone reception, no telephone, and no way out. One of her fellow travelers is a kidnapper. But which one? Trapped in an increasingly dangerous situation, with a child's life and her own on the line, Darby must find a way to break the girl out of the van and escape. But who can she trust? With exquisitely controlled pacing, Taylor Adams diabolically ratchets up the tension with every page. Full of terrifying twists and hairpin turns, No Exit will have you on the edge of your seat and leave you breathless.

"Being one is so much fun! Each day holds something new. We can't believe how much you've grown and all that you can do!" One: A Birthday Book is a perfect way to commemorate the milestone of turning one year old. Making it through the first year of a child's life is a reason for celebration for parents, family members and children alike! Each child is unique and has gifts and strengths to share. One, highlights those strengths and ends with the message that even though there is a lot of growing left to do, each child should be celebrated for their uniqueness growth and accomplishments. The sweet story and whimsical illustrations are sure to make it a favourite for parents and children alike! Author, illustrator and new mom Melanie Morgan is thrilled for the release of her first children's book. When her first son was about to turn one, she searched for the perfect book to celebrate the occasion and could not find one! That is when the idea for One was born. She hopes that other families will enjoy sharing this book together as much as her family does. 1st birthday guest book, to guests to share their well wishes.
