In the *Make Money* series, renowned real estate investor and bestselling author Gary W. Eldred shows you how to profit from the safest, most reliable wealth builder in the world—real estate. With coverage of all the fundamentals—from finding the right properties to financing and managing them—Eldred shows you the ropes so you don't have to learn important lessons the hard way. Unlike general guides to investing in real estate, each title in the *Make Money* series gives you the specialized expertise necessary to fully profit from a select investment strategy. *Make Money with Condominiums and Townhouses* shows homebuyers and investors how to travel the road to real estate wealth—often with little or nothing down. As an affordable investment vehicle, condominiums and townhouses offer numerous advantages over other types of rental property—they require relatively little day-to-day management, they tend to attract more desirable tenants than other rental properties, and they offer low risk and high returns. Full of time-tested techniques and proven money-making strategies, *Make Money with Condominiums and Townhouses* will show you how to: * Relax while you put your money to work * Find properties with high rates of appreciation * Evaluate homeowner association finances * Choose profitable locations * Understand the changing demographics that may affect your investment * Finance your properties with little or no money down * Achieve positive cash flow quickly * Build up equity * Understand by-laws, disclosure statements, and management contracts

Provides marketing information on how to avoid the pitfalls that other companies have encountered online, how to make the most of limited resources, and how to strengthen your brand instead of placing it at risk.

Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded *Maxim* magazine, made himself one of the richest people in the UK, and had a blast in the process. *How to Get Rich* is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your handbook that will take the ideas in your head and the dream in your heart and turn them into action. *Help you create a step-by-step, customized plan to start and grow your business. *Show you how to manage your time so you can have a business- and life- that you love. *Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. *Teach you how to use marketing to reach the right people in the right way.

All over the world a growing number of people are viewing trading the markets as a valuable source of additional income or even as a new career option. Sitting in front of a PC, they are able to connect to their broker's trading platform and buy or sell on the world market assets of all kinds: gold, oil, shares, bonds, and so forth. Today, it is no longer a problem to "be short" on almost any class of asset. This book is an ideal guide on how to make money by fast trading. It will be especially valuable for those wishing to trade in their spare time with a limited amount of capital. Different styles of trading, including scalping, day trading, and swing trading, are clearly described, with advice on how to avoid common mistakes. In addition, the "Donkey" trading system – a system designed for everybody – is fully explained. Using this book, the reader will learn how to manage risk safely, maximizing the likelihood of success.

Are you tired of asking "What should I do with my life?" Are you sick of your job? Don't worry, I know how you feel! I used to start every working week saying "I hate my job" and spend every Friday night drinking too much to drown my misery. I was a cubicle worker in large corporates, going to pointless meetings, writing endless documents no one would read, testing computer systems that would soon be obsolete. Every day, my soul and my creativity died a little. Maybe you feel the same? Well, life is too short to just exist on the edge of

breakdown, and there is a better way of living. You need to discover what you love to do and then make that your job, your life's work. This book will take you through understanding the way you feel now as well as how to improve your current situation immediately so you can create enough space to work on breaking out and doing what you truly love. It also contains the career change process I used to go from management consultant to full-time author-entrepreneur. It's time to change your career and your life.

This bestseller has shown over one million investors the secrets to building stock market wealth.

Felix Dennis is one of Britain's wealthiest self-made entrepreneurs. And he didn't get there by simply reading about how to get rich. He went out and did it. Appreciating that those intent on becoming rich will not have the time or inclination to read page upon page of guidance and advice on the subject, Felix Dennis has reduced his own business wisdom to 88 tenets of wealth-generation, all written in his inimitable style. Saving money for something? Then this is the book for you! Danny Dollar, the "King of Cha-Ching," will teach you to make money, save money, and spend money wisely—and to dream big! Maybe you get an allowance (clean the bathroom anyone?) or have been gifted money (birthday present?) but did you know that you can actually start a business and make your own money? Even as a kid! It's called being an entrepreneur. Danny shares tips for starting your own business, like how to write a business plan and raise start-up money (the money you need to get your business going). Plus, you'll learn how to open a bank account, create a budget, invest, and donate money. Danny will even introduce you to real life kids who are making their own money—and lots of it. Free yourself from having to ask your parents for money, and start making your own today!

A ground-breaking book on the transformative power of impact investing This is the first book to chart the catalytic path of this new industry, explaining how it is and can be a positive disruptive force. It shows how impact investing is a transformational vehicle for delivering "blended value" throughout the investment spectrum, giving a single name to a set of activities previously siloed in enclaves, revealing how they are linked within what is becoming a new field of investing. Written by two leaders in the growing field of impact investing, the book defines this emerging industry for participants on all sides of the funding equation (investors, funders and social entrepreneurs). Filled with illustrative examples of impact investing success stories Reveals how the field can expand in order to address the most critical social and environmental issues of our day Explores the wide-ranging applications of impact investing as well as entrepreneurial opportunities The authors do not take a normative approach to argue how investors should behave like an investment guide might but show how entrepreneurial people and institutions are already offering an integrated alternative.

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

Go beyond lame blogging books with this step-by-step into nine proven systems to make money blogging I spent years wanting to start a blog. I hated my job and knew I didn't want to spend a third of my day miserable...but looking through blogging books, all I found were generic strategies and false promises. They all promised huge income but none really told me how much bloggers make or how to make money online. I said screw it and started my blogs anyway in 2014. I quit my job and spent 60+ hours a week building my sites and learning how to make money blogging. You know what, it paid off. I doubled my monthly income last year and now make more than 85% of bloggers. That's in just two years of blogging and I make money from seven different income sources every month. Flip-flops and a T-shirt are my uniform and I'm loving it! *You Don't Have 60+ Hours a Week to Learn How to Make Money Online?* I didn't start making money blogging overnight. I treated it like a business, I put everything into it and sacrificed life for months to learn how to start a blog and be successful. My pain is your gain. You don't have to sacrifice a year of your time to start making money and work from home. I put everything I learned on my own into this book from the easiest ways to make money to the methods that make thousands a month. *Making Money Blogging...and only Making Money* This isn't just another generic blogging book, covering everything from starting a blog to building traffic and then offering a side-note on a few ways to make money. You can find that anywhere. Type 'Start a Blog' in Google and you'll find thousands of articles on how to setup your site but none of them tell you exactly how to make money. Believe me, I tried and had to learn the hard way. This book is 100% dedicated to giving you the tools that make money on websites. In this book you'll learn: The proven one-year strategy for developing different income sources on your blog, from the immediate payoffs to the methods that make thousands a month (pg.

A power kept secret for 2000 years. A woman who stands to lose everything. India. When a nun is burned alive on the sacred ghats of Varanasi, and the stone she carried is stolen, an international hunt is triggered for the relics of the early church. Forged in the fire and blood of martyrs, the Pentecost stones have been handed down through generations of Keepers who kept their power and locations secret. Until now. The Keepers are being murdered, the stones stolen by those who would use them for evil in a world transformed by religious fundamentalism. Oxford University psychologist Morgan Sierra is forced into the search when her sister and niece are held hostage. She is helped by Jake Timber from the mysterious ARKANE, a British government agency specializing in paranormal and religious experience. Morgan must risk her own life to save her family, but will she ultimately be betrayed? From ancient Christian sites in Spain, Italy, and Israel to the far reaches of Iran and Tunisia, Morgan and Jake must track down the stones through the myths of the early church in a race against time before a new Pentecost is summoned, this time powered by the fires of evil. The first in the ARKANE series, Stone of Fire is a fast-paced, action-packed thriller that explores the edges of faith against a backdrop of early Christian history, archaeology and psychology.
