those who hope to eventually develop a lucrative and rewarding practice in clinical psychology. It is the first of its kind to focus primarily on financial success, though it does also look at the personal stresses and rewards of the profession. The author provides tips from his own experience and from other financially successful private practice psychologists and offers business techniques and pointers that are not explained in training programs. Undergraduate students contemplating a career in psychology will find advice on preparing for the GRE, applying to graduate schools, and getting involved in research and clinical work. For graduate students, an overview of a graduate clinical psychology program, preparing and completing a dissertation, and gaining experience in psychological testing are provided. Chapters then focus on how to build and manage a private practice, the best ways to manage personal and business finances, and how to practice good self-care. Additionally, the book includes a chapter by an expert on student-loan repayment that examines how to best work through the process of paying back student loans while building a practice.

A darkly luminous new novel from the Pulitzer Prize–winning author of *The Hours* Michael Cunningham's luminous novel begins with a vision. It's November 2004. Barrett Meeks, having lost love yet again, is walking through Central Park when he is inspired to look up at the sky; there he sees a pale, translucent light that seems to regard him in a distinctly godlike way. Barrett doesn't believe in visions—or in God—but he can't deny what he's seen. At the same time, in the not-quite-gentrified Bushwick neighborhood of Brooklyn, Tyler, Barrett's older brother, a struggling musician, is trying—and failing—to write a wedding song for Beth, his wife-to-be, who is seriously ill. Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of

love. Barrett, haunted by the light, turns unexpectedly to religion. Tyler grows increasingly convinced that only drugs can release his creative powers. Beth tries to face mortality with as much courage as she can summon. Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence. In subtle, lucid prose, he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul. The Snow Queen, beautiful and heartbreaking, comic and tragic, proves again that Cunningham is one of the great novelists of his generation.

It would be recalcitrant and wayward for anyone to claim to be scholarly and well-read in today's world if they lack familiarity with the tenets and principles of the bible. The divinely inspired book that was handed over to mankind is an eyewitness account of

historical events of inconceivable and unimaginable nature which are beyond the realm of reason. "Fresh Start-off: The Great Themes of Scripture" is the first and one of a kind that has meticulously and minutely studied, sifted, and dissected the bible teachings and is a remarkable piece of writing that contains a message as its very core that is relevant to your everyday life and provides clear teachings of God, life, nature of humankind, our heart desires, fate and destiny, the value and worth of everyone and the goodness of the glory of God. All said and done, Jesus is the only religious leader who conquered death and rose from the dead. All the rest are dead and buried. Moses is dead, Abraham, Isaac and Jacob are all dead. Buddha is dead, Mohammed died and will not come back again and even Muslims adulate and hold Jesus in awe as a truly Holy and an Extraordinary Prophet. This page-turner is not only for those walking newly in Christ, but is also for the battle-scarred Christians who want to gain new insights, arouse, evoke and even seek to reassess their knowledge of Jesus Christ after reading it.

From the acclaimed author of *This Side of Brightness*, the epic life and times of Rudolf Nureyev, reimaged in a dazzlingly inventive masterpiece—published to coincide with the tenth anniversary of Nureyev's death. A Russian peasant who became an international legend, a Cold War exile who inspired millions, an artist whose name stood for genius, sex, and excess—the magnificence of Rudolf Nureyev's life and work are known, but now Colum McCann, in his most daring novel yet, reinvents this erotically charged figure through the light he cast on those who knew him. Taking his inspiration from the biographical facts, McCann tells the story through a chorus of voices: there is Anna Vasileva, Rudi's first ballet teacher, who rescues her protégé from the stunted life of his town; Yulia, whose sexual and artistic ambitions are thwarted by her Soviet-sanctioned marriage; and Victor, the Venezuelan hustler, who reveals the lurid underside of the gay celebrity set. Spanning four decades and many worlds, from the horrors of Stalingrad to the wild abandon of New York in the eighties, *Dancer* is peopled by a large cast of characters, obscure and famous: doormen and shoemakers, Margot Fonteyn and John Lennon. And at the heart of the spectacle stands the artist himself, willful, lustful, and driven by a never-to-be-met need for perfection. In ecstatic prose, McCann evokes the distinct consciousness of the man and the glittering reflection of the myth. The result is a monumental story of love, art, and exile.
