From the bestselling author of Rich and Pretty comes a suspenseful and provocative novel keenly attuned to the complexities of parenthood, race, and class. Leave the World Behind explores how our closest bonds are reshaped—and unexpected new ones are forged—in moments of crisis. Amanda and Clay head out to a remote corner of Long Island expecting a vacation: a quiet reprieve from life in New York City, quality time with their teenage son and daughter, and a taste of the good life in the luxurious home they've rented for the week. But a late-night knock on the door breaks the spell. Ruth and G. H. are an older couple—it's their house, and they've arrived in a panic. They bring the news that a sudden blackout has swept the city. But in this rural area—with the TV and internet now down, and no cell phone service—it's hard to know what to believe. Should Amanda and Clay trust this couple—and vice versa? What happened back in New York? Is the vacation home, isolated from civilization, a truly safe place for their families? And are they safe from one other?

Adulting is hard! But "kidulting"—engaging in nostalgic childhood activities to relieve stress, like playing with your old favorite toys, participating in games and activities from your youth, and even snacking on the foods you enjoyed as a kid— isn't. Let this book be your guide to indulging your inner child. "Kidulting" is a thing, and it's growing! Especially popular among millennials, the term "kidulting" refers to engaging in activities from your childhood, sometimes with a grown-up twist. Psychology Today points out that playing like a kid helps you look at the world with fresh eyes—or "beginner's mind"—which allows you to slow down and focus. The Kidult Handbook is a fun and informative guide to healthy escapism through play. Much like adult coloring books, kidulting is a way of focusing your mind on something fun and creative to relieve stress. But this book goes way beyond just coloring—it includes 160 ideas for fun, from timeless classics like building blanket and pillow forts, to generation-specific ideas, from millennials to boomers. Interspersed throughout are fun facts and trivia about games through the ages. Most activities are unplugged and screen-free, and range from solitary pursuits to ones you can share with a friend or two. Feeling young again has never been so easy!

The two are perfect for each other, even if their situations are anything but. 25 to Wife is a standalone new adult romance novella with no cliffhanger, no cheating, and a happy ever after. If you want to read a book with bunches of sweetness and two pinches of spice, 25 to Wife is for you.

There's already an army of super-talented uber-freaks changing the world – isn't it time you joined them?

I never planned to fall in love. Least of all with a woman, you. But I did, and telling you was the hardest thing I ever did. I knew how you would reach first, but I never anticipated how hard it will be for me or how you reacted next. I had to write, for the first time ever, and now we face book number two. I wrote just to tell you how I feel, what I think. All the things I wanted to say to you but you didn't want to listen. So I wrote, and wrote, and wrote. Flood of thoughts, feelings, whatever came to my mind. Just to give me five minutes of strength to get out of bed. I wrote for me. I wrote for you. Most of them are here. My pain, my love, my longing, my hesitations, My certainty. I know you don't want to hear from me, don't want to read what I have to tell you. But I have to get them out of me, if not to you then just out there, to the world who doesn't know me. Maybe some day you will find your courage and return. Until then my love, You Still don't Know How Much I Love You.
