The timeless romance, soaring passion—and gorgeous men—of Scotland come to modern-day America. And the rules of love will never be the same... Isabel Buchanan is fiery, funny, and never at a loss for words. But she is struck speechless when her mother returns from a trip to Scotland with a six-foot-tall, very handsome souvenir. Izzy's mother is so infatuated by the fellow that Izzy has to plan their annual Highland Games all by herself. Well, not completely by herself. The Highlander's strapping young nephew has come looking for his uncle... Alasdair Blackmoor has never seen a place as friendly as this small Georgia town—or a girl as brilliant and beguiling as Izzy. Instead of saving his uncle, who seems to be having a lovely time, Alasdair decides he'd rather help Izzy with the Highland Games. Show her how to dance like a Highlander. Drink like a Highlander. And maybe, just maybe, fall in love with a Highlander. But when the games are over, where do they go from here? "Laura Trentham creates a romance that is both extremely sensual and phenomenal." —Fresh Fiction

Dov Greenstein, a comedian a bit past his prime, is doing a night of stand-up in a dive in a small Israeli city. In the audience are some whom Dov knew as a boy, an awkward, scrawny kid who walked on his hands to confound the neighborhood bullies. Gradually Dov's patter becomes a kind of memoir: we meet his mother, a Holocaust survivor in need of constant monitoring, and his punishing father, a striver who had little understanding of his creative son; Dov recalls his week at a military camp for youth; and shares a story of loss and survival.

The Guardian's "Best Books on Drink" Pick Most people know that wine is created by fermenting pressed grape juice and cider by pressing apples. But although it's the most popular alcoholic drink on the planet, few people know what beer is made of. In lively and witty fashion, *Miracle Brew* dives into traditional beer's four natural ingredients: malted barley, hops, yeast, and water, each of which has an incredible story to tell. From the Lambic breweries of Belgium, where beer is fermented with wild yeasts drawn down from the air around the brewery, to the aquifers below Burton-on-Trent, where the brewing water is rumored to contain life-giving qualities, *Miracle Brew* tells the full story behind the amazing role each of these fantastic four—a grass, a weed, a fungus, and water—has to play. Celebrated U.K. beer writer Pete Brown travels from the surreal madness of drink-sodden hop-blessings in the Czech Republic to Bamberg in the heart of Bavaria, where malt smoked over an open flame creates beer that tastes like liquid bacon. He explores the origins of fermentation, the lost age of hallucinogenic gruit beers, and the evolution of modern hop varieties that now challenge wine grapes in the extent to which they are discussed and revered. Along the way, readers will meet and drink with a cast of characters who reveal the magic of beer and celebrate the joy of drinking it. And almost without noticing we'll learn the naked truth about the world's greatest beverage.

How did Britain respond to the momentous events of 1919 and 1920 as it adjusted to peace after four years of war? What were the challenges the British people faced and how did they cope with the profound changes that confronted them? Now *the War Is Over* seeks to answer these questions. It looks at what happened in every sphere of life and it shows how, even today, we are still dealing with the consequences of those years of transition. Across Europe there were revolutions, a war for independence occurred in Ireland, and on mainland Britain there were widespread race riots. However, most servicemen simply wanted to come home to their families and a secure job. Some hoped for a return to the certainties of a pre-war world, but this was impossible too much had happened. As they explore the troubled state of Britain immediately after the war Simon Fowler and Daniel Weinbren give us a fascinating insight into how the global conflict changed the direction of the nation.

The British pub is a much-loved institution, but recent decades demonstrate how vulnerable it is, being subject to the vicissitudes of fashion, markets, licensing, the economy and most of all the structure of the industry as the big brewers have abandoned their heritage and been supplanted by the Pub Companies and Pub retail groups like Wetherspoons. The book describes the frequent and dramatic changes within the beer industry. It carefully examines the issues and enigmas over the last 50 years in a manner which will enlighten those less familiar with the licensed trade and may alter the perspective of those with closer connections. From the perspective of pub brands, the book examines why they suddenly took hold, how the branding process dovetailed with Nineties inner-city regeneration and why it was supported by some licensing magistrates but opposed by others. How did brands differ from traditional pubs and why were they undermined by them? Tony Thornton looks at community ownership as a vehicle for saving pubs, along with its flaws, and examines the critical role of CAMRA. Returning to the overall market, the book focuses on the battles between the Regional brewers for survival and why these took place. It explains how the hedonism of the Nineties

suddenly ended in the new millennium and why the high street operators faced their own crisis, which then merged with that of the retail industry. It also examines how the politicians have frequently misjudged pubs and the beer industry and done it few favours – and how the industry is still paying the price for their decisions. Equally controversially, it discusses why the Beer Tie, the glue that holds the industry together, is threatened if the Government introduces a Statutory Code. Moving to the present, the book considers the effects of the renaissance in brewing, the changes to food-led pubs and debates the impact of Craft beer. It looks at how pubs have changed because of the influence of food. Most crucially it concludes with the plight of the traditional, drinkers pub and looks for positive signs and trends for the future.

Have you heard the one about the man who walked into a bar? (Ouch!)... Penguin Pocket Jokes is essential (and hilarious) reading for anyone searching for the perfect joke. Whether you want a snappy wisecrack or a longer rib-tickler when making a speech, this easy-to-use guide will provide the perfect witticism.

Did you hear about the scarecrow that won the Nobel Prize? He was outstanding in his field. What kind of cheese can hide a horse? Mascarpone. What about the red ship and the purple ship that collided at sea? Over one hundred sailors were marooned. Did you hear about the paranoid vegetarian? He always feared the wurst. A blonde Essex girl walked into a bar with an Englishman, and Irishman and a Scotsman, and started to change the lightbulb. The barman asked, 'Is this some kind of joke?' The third in the bestselling series of hilarious joke books - packed full of every kind of joke to make you laugh until your sides split. From elephants to mothers-in-law, priests to chickens, 'knock knock' to 'doctor, doctor' and much more besides, A Man Walks into a Bar 3 contains over 2,500 great new gags. Even Queen Victoria would be amused.

Meet Pete Brown: beer journalist, beer drinker and author of an irreverent book about British beer, Man Walks Into A Pub. One day, Pete's world is rocked when he discovers several countries produce, consume and celebrate beer far more than we do. The Germans claim they make the best beer in the world, the Australians consider its consumption a patriotic duty, the Spanish regard lager as a trendy youth drink and the Japanese have built a skyscraper in the shape of a foaming glass of their favourite brew. At home, meanwhile, people seem to be turning their back on the great British pint. What's going on? Obviously, the only way to find out was to on the biggest pub crawl ever. Drinking in more than three hundred bars, in twenty-seven towns, in thirteen different countries, on four different continents, Pete puts on a stone in weight and does irrecoverable damage to his health in the pursuit of saloon-bar enlightenment. 'A fine book. . . the exact tone that a work on this social drug requires.' The Times 'Over 300 bars later and the man still manages to make you laugh.' Daily Mirror 'Carlsberg don't publish books. But if they did, they would probably come up with Three Sheets to the Wind...' Metro 'A marvellous book which is as enlightening about the countries he visited as any travel guide.' Laughter is as essential for us as breathing is. The life becomes a big boredom without humor. Whatever be the merits of today's busy and hectic life, it certainly has taken away laughter from our lives. Mental breakdowns we see around are proofs of it. A good laugh has great long-term effects. If you start to laugh, it does not only relieve you mentally, it actually induces physical changes in your body. Laughter can stimulate many organs. Laughter improves the intake of oxygen-rich air, stimulates your heart, lungs, and muscles and increases the endorphins that are released by your brain. Laughter can also stimulate circulation and aid muscle relaxation, both of which help to reduce some of the physical symptoms of stress. Laughter may ease the pain by causing the body to produce its own natural painkillers. Laughter may also break the pain-spasm cycle common to some muscle disorders and Increase personal satisfaction. Laughter can also make it easier to cope with difficult situations. It also helps you connect with other people. Many people experience depression, sometimes due to chronic illnesses. Laughter can help lessen your depression and anxiety and make you feel happier. This 'Jokes E-book' of ours is an effort to dissolve your tensions in a solution of smiles, chuckles, and laughter. It's an extraordinary tale of yeast-obsessed monks and teetotal prime ministers; of how pale ale fuelled an Empire and weak bitter won a world war; of exploding breweries, a bear in a yellow nylon jacket and a Canadian bloke who changed the drinking habits of a nation. It's

also the story of the rise of the pub from humble origins through an epic, thousand-year struggle to survive misunderstanding, bad government and misguided commerce. The history of beer in Britain is a social history of the nation itself, full of catastrophe, heroism and an awful lot of hangovers. A Financial Times Book of the Month pick for April! Is it worth swimming in shark-infested waters to surf a 50-foot, career-record wave? Is it riskier to make an action movie or a horror movie? Should sex workers forfeit 50 percent of their income for added security or take a chance and keep the extra money? Most people wouldn't expect an economist to have an answer to these questions--or to other questions of daily life, such as who to date or how early to leave for the airport. But those people haven't met Allison Schrager, an economist and award-winning journalist who has spent her career examining how people manage risk in their lives and careers. Whether we realize it or not, we all take risks large and small every day. Even the most cautious among us cannot opt out--the question is always which risks to take, not whether to take them at all. What most of us don't know is how to measure those risks and maximize the chances of getting what we want out of life. In *An Economist Walks into a Brothel*, Schrager equips readers with five principles for dealing with risk, principles used by some of the world's most interesting risk takers. For instance, she interviews a professional poker player about how to stay rational when the stakes are high, a paparazzo in Manhattan about how to spot different kinds of risk, horse breeders in Kentucky about how to diversify risk and minimize losses, and a war general who led troops in Iraq about how to prepare for what we don't see coming. When you start to look at risky decisions through Schrager's new framework, you can increase the upside to any situation and better mitigate the downside.

This New York Times bestseller is the hilarious philosophy course everyone wishes they'd had in school. Outrageously funny, *Plato and a Platypus Walk into a Bar...* has been a breakout bestseller ever since authors—and born vaudevillians—Thomas Cathcart and Daniel Klein did their schtick on NPR's Weekend Edition. Lively, original, and powerfully informative, *Plato and a Platypus Walk Into a Bar...* is a not-so-reverent crash course through the great philosophical thinkers and traditions, from Existentialism (What do Hegel and Bette Midler have in common?) to Logic (Sherlock Holmes never deduced anything). Philosophy 101 for those who like to take the heavy stuff lightly, this is a joy to read—and finally, it all makes sense! And now, you can read Daniel Klein's further musings on life and philosophy in *Travels with Epicurus* and *Every Time I Find the Meaning of Life, They Change it*.

Since the 1979 discovery of her work in a slush pile at Little, Brown, Martha Grimes has gone on to publish more than 30 books, win international acclaim (and a Nero Wolfe Award) for her detective series, and develop a following of readers whose loyalty translates to repeated stays on the best-sellers lists. This collection of 10 critical essays provides an in-depth analysis of Grimes' oeuvre, principally the Richard Jury, Emma Graham, and Andi Oliver series. The essays address Grimes' themes of parental abandonment, loneliness, obsession, greed, mistaken and dual identity, the resilience of children, stunted romantic relationships and animal cruelty. Particular attention is paid to her engaging characters, strong sense of place and the comedy, which feature so strongly in her novels.

A luminous and unforgettable first novel by an astonishing new voice in fiction, hailed by Esquire magazine as “one of America’s best young writers.” Samson Greene, a young and popular professor at Columbia, is found wandering in the Nevada desert. When his wife, Anna, comes to bring him home, she finds a man who remembers nothing, not even his own name. The removal of a small brain tumor saves his life, but his memories beyond the age of twelve are permanently lost. Here is the story of a keenly intelligent, sensitive man returned to a life in which everything is strange and new. An emigrant from his own life, set free from all that once defined him, Samson Greene believes he has nothing left to lose. So, when a charismatic scientist asks him to participate in a bold experiment, he agrees. Launched into a turbulent journey that takes him to the furthest extremes of solitude and intimacy, what he gains is nothing short of the revelation of what it means to be human.

Did you hear about the flasher who was thinking of retiring? He finally decided to stick it out for one more year! A dog with three legs walks into a Wild West bar and says, “I’m looking for the man who shot my paw.” The police have reported the theft of a shipment of filing cabinets, document folders and labeling machines—it’s believed to have been the work of organized crime

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Consumer Behaviour and Analytics provides a consumer behaviour textbook for the new marketing reality. In a world of Big Data, machine learning and AI, this key text reviews the issues, research and concepts essential for navigating this new terrain. It demonstrates how we can use data-driven insight and merge this with insight from extant research to inform knowledge-driven decision making. Adopting a practical and managerial lens, while also exploring the rich lineage of academic consumer research, this textbook approaches its subject from a refreshing and original standpoint. It contains numerous accessible examples, scenarios and exhibits and condenses the disparate array of relevant work into a workable, coherent, synthesized and readable whole. Providing an effective tour of the concepts and ideas most relevant in the age of analytics-driven marketing (from data visualization to semiotics), the book concludes with an adaptive structure to inform managerial decision making. *Consumer Behaviour and Analytics* provides a unique distillation from a vast array of social and behavioural research merged with the knowledge potential of digital insight. It offers an effective and efficient summary for undergraduate, postgraduate or executive courses in consumer behaviour and marketing analytics or a supplementary text for other marketing modules.

Inspired by George Orwell, Paul Moody and Robin Turner take a nostalgic road trip around Britain in search of the perfect pub. 'A deeply satisfying travelogue' Stuart Maconie In 1946, George Orwell, a man fond of a pint, wrote about his favourite pub, *The Moon Under Water*, in

his EVENING STANDARD column. But it didn't actually exist. It was Orwell's vision of a perfect pub. Today, Wetherspoons have fourteen Moon Under Waters, and the nation is awash with identikit, high-street lounge bars competing for a dwindling clientele. Paul Moody and Robin Turner's road trip around Britain, therefore, is not just a search for the perfect pub. It is a deeper investigation into what has happened to British pub culture, once the toast of the world. In fact, it is a search for a kind of life-force kindled by the British public, something the powers-that-be are forever trying to extinguish. Along the way, such luminaries as Pete Brown ('the King of Beer'), Tim Martin (Wetherspoon's boss), Iain Sinclair, James Dean Bradfield and Paul Kingsnorth are consulted - along with a host of micro-brewers, landlords, politicians, bloggers and barroom philosophers. What emerges is a picture of the country as seen through a pint glass, a vision that goes to the heart of what it means to be British.

Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Review*, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* *A New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestseller *Booksense Pick Borders New Voices Finalist Winner of the Books for a Better Life First Book Award*

Written with the characteristic wit and good humour, Leslie Thomas's novel tells the story of a grown man who runs away from home, and the adventures that befall him in his quest for a new lease of life. His latest love affair discovered (thanks to an observant fifteen-year-old daughter who points out the still-wet suds of expensive soap lingering in his ear), bestselling author Nicholas Boulting sets off amid a torrent of abuse to see what else life can offer. After his fantasy escape to Luxor turns into a nighmarish excursion to Malaga, Nicholas returns hastily to London. He moves into a flat in Little Venice with Sol Solomon, a sex-mad writer of dubious reputation, and sits down to write his next novel, *Owls of*

Desperation. Full of the qualities we have come to expect from his novels, *Running Away* is Leslie Thomas's eminently readable and enjoyable story of one man's mid-life crisis.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —*New York Times* In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon

The original India Pale Ale was pure gold in a glass; a semi-mythical beer specially invented, in the 19th century, to travel halfway around the world, through storms and tropical sunshine, and arrive in perfect condition for a long, cold drink on an Indian verandah. But although you can still buy beers with 'IPA' on the label they are, to be frank, a pale imitation of the original. For the first time in 140 years, a keg of Burton IPA has been brewed with the original recipe for a voyage to India by canal and tall ship, around the Cape of Good Hope; and the man carrying it is the award-winning Pete Brown, Britain's best beer write. Brazilian pirates and Iranian customs officials lie ahead, but will he even make it that far, have fallen in the canal just a few miles out of Burton? And if Pete does make it to the other side of the world with 'Barry' the barrel, one question remains: what will the real IPA taste like? Weaving first-class travel writing with assured comedy, Hops and Glory is both a rollicking, raucous history of the Raj and a wonderfully entertaining, groundbreaking experiment to recreate the finest beer ever produced.

Man Walks Into A Bar is a one-stop shop for anyone who likes to hear and tell jokes. The jokes are ordered thematically - wives, husbands, doctors, lawyers, the French, the Germans, jokes about nuns, jokes about monkeys, the lot. There are also regular panels which group jokes by type too - Essex girls, changing a lightbulb etc. Our material will turn you into the toast of your local pub or make you loathed in your own home - remember, it is all in the telling. From the sublimely erudite to stuff Frank Carson would turn down (the book has a 'world's worst jokes' section), this book can service you with every joke you'll ever need. In the summer of 1875, two travellers walk south across the Lincolnshire Wolds to a village riven with dark secrets. When Norman Tanner kills his workmate on a cold February morning a century later, he thinks he's got away with murder. But Norman doesn't know about the workmate's girlfriend, or the child that will come back to haunt him; and how he is caught up in a story that stretches back to that Victorian summer. For some in the village of Southby and its nearby grand estate, man is master of his fate, and the world is full of meaning; for others there is nothing but grass.

The production of beer today occurs within a bifurcated industrial structure. There exists a small number of large, global conglomerates supplying huge volumes of a limited range of beers, and a plethora of small and medium breweries producing a diverse range of beers sold under unique brands. *Brewing, Beer and Pubs* addresses a range of contemporary issues and challenges in this key sector of the global economy, and includes contributions by research specialists from a variety of countries and disciplines. This book includes the marketing and globalization of the brewing industry, beer excise duties and market concentration, and reflections upon developments in brewing and beer consumption across the world in order to explore the wide-reaching influence of this industry. Alongside these global topics more localised themes are presented such as market integration in the Chinese beer and wine markets, beer and brewing in Africa and South America, and turbulence and change in the UK public house industry, which demonstrate how the consumption of beer in pubs and other social environments make the beer industry integral to local communities and regions worldwide.

'They underestimated me' George W. Bush Einstein said only two things are infinite - the universe and human stupidity. So in deference to the dumbing down of our culture, comes *Dim Wit* - a collection of the most jaw-droppingly stupid things ever said. The cast includes every famous foot-in-mouthers from George W Bush to Prince Philip, Paris Hilton to Jade Goody, not to mention hundreds of unsung idiots plucked from villages the world over. The result is a confederacy of dunces more pro-fun than profound - a clever witticism may coax an inward smile but it takes a really stupid remark to deliver a belly laugh. So pick up *Dim Wit* and prepare to embrace your inner moron - it may be the smartest thing you do... 'My grandma overheard two women talking in a doctor's surgery. After a while, one said to the other, "Do you know, Mary, I don't feel too well. I think I'll go home." - Robyn Jankel 'I don't think anyone should write his autobiography until after he's dead.' - Samuel Goldwyn 'Winston Churchill? Wasn't he the first black President of America? There's a statue of him near me - that's black.' - Danielle Lloyd

A sexy, passionate, utterly addictive standalone MM romance from #1 NYT Bestseller Lauren Blakely! Every bartender should follow one simple rule—don't go home with the customers. That's been easy for me to stick to, until the night a cocky, confident, and sinfully charming hockey star walks into my bar. This sexy athlete is too hard to resist, especially when he makes it clear how much he wants the “sarcastic, witty, hot AF” guy behind the bar—also known as me. Still, I'm not keen on breaking my own rules since I know where that can lead—no place good. But when that man makes his case with one bone-searing kiss on the streets of London, I throw resistance out the window. What could go wrong with a hot, dirty, no-strings-attached fling before he leaves town in five days? Trouble is, soon our nights together lead to days,

to long conversations, to getting to know each other, and to something I never expected—falling ridiculously hard for a man who's getting on a plane to America when I live a world away. My life is here. His is there. And no amount of falling or feeling will change that one big problem. Warning: contains hot hotel nights, loads of dirty talk, PDA all over London, and two sexy, witty, charming alpha heroes... A Guy Walks Into My Bar is a sexy MM standalone romance in The Guys Who Got Away world! The other standalone romances in The Guys Who Got Away series include the MF romances The What If Guy, The Dream Guy Next Door, and Thanks For Last Night.

WINNER OF THE DRINK BOOK AWARD AT THE FORTNUM & MASON FOOD AND DRINK AWARDS 2017. Pete Brown has visited hundreds of pubs across the UK and is uniquely placed to write about pubs that ooze atmosphere, whatever the reason, be it food, people, architecture, location or decor. The best pubs are those that always have a steady trade at any time on any day of the week, and where chat flows back and forth across the bar. They're the places where you want to drink weak beer so you can have several pints and stay longer. Some are grand Victorian palaces, others ancient inns with stunning views across the hills. Some are ale shrines, others gastropubs (though they probably don't call themselves that any more). A precious few are uniquely eccentric, the kinds of places that are just as likely to have terrible reviews on Trip Advisor as great ones, because some people don't realize that the outside toilets, limp sandwiches on the bar and really disturbing full-size mannequin glaring at you from the corner are all part of the charm. This charming collection of 300 pubs explores what makes each one ooze atmosphere, be it food, people, architecture, location or décor, and looks at the quirks of local history as well as different trends and types of pub. Full of pen portraits of punters or publicans, legends, yarns and myths, this entertaining book is the perfect gift for regulars of that well-loved British institution, the pub.

There is growing alarm over how drugs empower terrorists, insurgents, militias, and gangs. But by looking back not just years and decades but centuries, Peter Andreas reveals that the drugs-conflict nexus is actually an old story, and that powerful states have been its biggest beneficiaries. In his path-breaking *Killer High*, Andreas shows how six psychoactive drugs—ranging from old to relatively new, mild to potent, licit to illicit, natural to synthetic—have proven to be particularly important war ingredients. This sweeping history tells the story of war from antiquity to the modern age through the lens of alcohol, tobacco, caffeine, opium, amphetamines, and cocaine. Beer and wine drenched ancient and medieval battlefields, and the distilling revolution lubricated the conquest and ethnic cleansing of the New World. Tobacco became globalized through soldiering, with soldiers hooked on smoking and governments hooked on taxing it. Caffeine and opium fueled imperial expansion and warfare. The commercialization of amphetamines in the twentieth century energized soldiers to fight harder, longer, and faster, while cocaine stimulated an increasingly militarized drug war that produced

casualty numbers surpassing most civil wars. As Andreas demonstrates, armed conflict has become progressively more drugged with the introduction, mass production, and global spread of mind-altering substances. As a result, we cannot understand the history of war without including drugs, and we similarly cannot understand the history of drugs without including war. From ancient brews and battles to meth and modern warfare, drugs and war have grown up together and become addicted to each other.

1984 is George Orwell's terrifying vision of a totalitarian future in which everything and everyone is slave to a tyrannical regime lead by The Party. Winston Smith works for the Ministry of Truth in London, chief city of Airstrip One. Big Brother stares out from every poster, the Thought Police uncover every act of betrayal. When Winston finds love with Julia, he discovers that life does not have to be dull and deadening, and awakens to new possibilities. Despite the police helicopters that hover and circle overhead, Winston and Julia begin to question the Party; they are drawn towards conspiracy. Yet Big Brother will not tolerate dissent - even in the mind. For those with original thoughts they invented Room 101. . .

A history of Britain told through the story of one very special pub, from "The Beer Drinker's Bill Bryson" (Times Literary Supplement) Welcome to the George Inn near London Bridge; a cosy, wood-paneled, galleried coaching house a few minutes' walk from the Thames. Grab yourself a pint, listen to the chatter of the locals and lean back, resting your head against the wall. And then consider this: who else has rested their head against that wall, over the last six hundred years? Chaucer and his fellow pilgrims almost certainly drank in the George on their way out of London to Canterbury. It's fair to say that Shakespeare popped in from the nearby Globe for a pint, and we know that Dickens certainly did. Mail carriers changed their horses here, before heading to all four corners of Britain—while sailors drank here before visiting all four corners of the world. The pub, as Pete Brown points out, is the 'primordial cell of British life' and in the George he has found the perfect example. All life is here, from murderers, highwaymen, and ladies of the night to gossiping peddlers and hard-working clerks. So sit back with Shakespeare's Pub and watch as buildings rise and fall over the centuries, and 'the beer drinker's Bill Bryson' (UK's Times Literary Supplement) takes us on an entertaining tour through six centuries of history, through the stories of everyone that ever drank in one pub.

Recounts the author's experiences hitchhiking on a bet all the way around Ireland with a small refrigerator, and shares his impressions of the people and places along the way.

Man Walks Into A Bar 2 is the second volume of the hugely popular and hilariously funny joke book series. A one-stop shop for anyone who likes to hear and tell jokes. The jokes are ordered thematically - wives, husbands, doctors, lawyers, the French, the Germans, jokes about nuns, jokes about monkeys, the lot. There are also regular panels which group

jokes by type too - Essex girls, changing a lightbulb etc. Our material will turn you into the toast of your local pub or make you loathed in your own home - remember, it is all in the telling. From the sublimely erudite to stuff Frank Carson would turn down, this book can service you with every joke you'll ever need. Including such gems as the following: Why have elephants got big ears? Because Noddy won't pay the ransom. A magic tractor is driving down a country road and turns into a field. An amnesiac walks into a bar. 'Do I come here often?' I went to a book shop and asked the saleswoman where the Self Help section was. She said if she told me it would defeat the purpose. How do you know when you're a pirate? You just arrrrrggghh.
