What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life—from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places—all with refreshing candour and wit.

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

Featuring 30 types of breasts, *The Boob Book* is an illustrated celebration of womanhood and the boobs that come with it. Scattered throughout are boob miscellany: a boob personality flow chart, boob facts, boob self-care tips, a roundup of bras, types of nipples, a boob doodle, and illustrated ways we show off the goods. This joyful book features breasts of all colors and sizes—from "The Handful" to "The Mom-To-Be" to "The Small but Mighty"—showing women that every boob type is weird, beautiful, and natural. • An illustrated love letter to a girl's breast friend • Filled with fun and interactive boob-related miscellany, like a boob personality test (are you a "Chillaxer" or a "Handful"?), boob facts, and breast self-care tips • Light, celebratory, and a little cheeky—but ultimately sincere Let's hear it for our bosom buddies. Our mammary mamas. Our breasts-in-arms. From small and mighty to large and in charge to long, short, hairy, bumpy, or any boobs in between, this book uplifts them all. • A perfect book for women of all generations—from friends to mothers and daughters—or anyone who wants to send some extra support and love to their ladies • Ideal for anyone who needs a boob-size boost • Great for those who enjoyed *Feminist Activity Book* by Gemma Correll, *Celebrating You: (And the Beautiful Person You Are)* by M. H. Clark, and *Gross Anatomy: Dispatches from the Front (and Back)* by Mara Altman With the candid quirkiness of *Awkward Family Photos* and the confessional intimacy of *PostSecret*, Ransom Riggs's *Talking Pictures* is a haunting collection of antique found photographs—with evocative inscriptions that bring these lost personal moments to life—from the author of the New York Times bestselling illustrated novel *Miss Peregrine's Home for Peculiar Children*. Each image in *Talking Pictures* reveals a singular, frozen moment in a person's life, be it joyful, quiet, or steeped in sorrow. Yet the book's unique depth comes from the writing accompanying each photo: as with the caption revealing how one seemingly random snapshot of a dancing couple captured the first dance of their 40-year marriage, each successive inscription shines like a flashbulb illuminating a photograph's particular context and lighting up our connection to the past.

A left hand draws a self portrait on a sheet of paper. The hand leaves the room. Another hand picks up the drawing and looks at it. "Why can't I do this?" This is an extremely jealous hand, and he crushes the drawing. Then he walks toward a hand mirror, opens himself and pushes very hard against his cold reflection. He takes a few steps back and stares at the print made by his heat until it slowly vanishes.

Drawings On Hands is number four in an ongoing series of books on drawings. The hand as a stamp, a model, a stencil, a map, a calendar, a medical index, a relic, an indicator, a saint and a magician.

Between 1819 and 1926 four Muslim women rulers reigned over Bhopal, the second largest Muslim state of India, despite staunch opposition from powerful neighbours and male claimants. Even the British East India Company initially opposed female rule in Bhopal until the Begums quoted Queen Victoria as their model and inspiration. Qudsia, the first Begum, was supported by her powerful French-Bourbon Prime Minister in her departure from the traditional. She was succeeded in 1844 by Sikandar, her only daughter, who discarded purdah like her mother and was a powerful and awesome ruler, leading her armies into battle, and indulging in the male-dominated pastimes of polo and tiger-hunting. Sikandar's only daughter, the highly controversial and liberal Shahjehan, made her mark on the state by building extensively, while the last Begum, Sultan Jahan, was a pioneering figure in education reform, and a standard-bearer for women's emancipation. The story ends with her abdication in favour of her son, the first male ruler (Nawab) of Bhopal in five generations. This book offers the first balanced history of the state and, in discussing the Begums' policies in dealing with the British, also provides a fascinating account of British Imperial relations with princely states.

'Raat baaki, baat baaki... Hona hai jo, ho jaane do...' Sensuous, glamorous and bold, Parveen Babi set the Hindi cinema screen ablaze during the 1970s and '80s, breaking the 'pious, nice girl' mould of the film heroine and redefining it after her own style. On screen, she sizzled in unforgettable roles in blockbusters like Deewaar, Shaan, Kaalia and Amar Akbar Anthony – while, off-screen, her bohemian and unabashed lifestyle lit up gossip columns, and her appearance on the cover of Time magazine, a first for an Indian, created a stir nationwide. Yet, for all the sensational rumours and films her life inspired, Parveen has remained something of an enigma to generations of fans. In Parveen Babi: A Life, Karishma Upadhyay traces the journey of a shy but ambitious girl from an aristocratic family in Junagadh, Gujarat, to a life of merciless scrutiny that comes with being in the Bollywood spotlight. Exploring with depth and sensitivity the myriad facets of the actress's life, she lays bare little-known details about Parveen's doomed romances, her obsession with the spiritual guide who advised her to quit films, the tumultuous years of battling mental illness and her tragic, untimely demise. Rich with insights from the star's friends, former lovers and colleagues, this compelling narrative captures the nuances of an extraordinary life – the highs and lows of finding fame, love and solace, and then, in the end, losing it all.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr.

Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

The book that spawned Finding Fanny 'It doesn't matter where you go,' I tell them. 'Travelling just means getting out of where you were.' Which is my half-assed way of saying, if they have stumbled through my doorway, they are lost as hell. Off the guidebook grid. Bumfuck nowhere, in other words. Pocolim is a little village somewhere - or nowhere - in Goa. It is home to Ferdie, the postman, who sets out to find his long-lost love, Millie. Along for the ride in a recently repaired vintage car are the most unlikely companions: his friend Angie, the sweet, virginal widow; her mother-in-law, the extraordinarily corpulent and bossy, Rosalina Eucharistica; renowned painter, Don Pedro who finds lost inspiration in the vastness of Rosalina's body; and Savio, friend of Angie's late husband and once contender for her love. On the road, resentments, ambitions, bitterness and desires come to a boil; as disturbing secrets tumble out, redemption strikes where they least expect it. The Village of Pointless Conversation is a sensuous, funny, full-bodied affair, shot through with quiet gloom that peels off the thin skin of pretence under which lie all our human absurdities.

Even the most conservative women have a naughty side to them. To see it, you have to communicate and make them feel comfortable. Brandi Love can show you what women want to hear, and what to do to get them to go wild on you!

The major character in the story is Troy O'Neill, an Arizona boy reared by a religious mother of Dutch heritage and an adventurous Irish father. The boy treks northward into the wilds of the mountains and canyons of Utah in search of an ancient Aztec treasure. Amid harrowing experiences and life-and-death struggles, the impossible dream comes true. From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

Sasha Grey, rising adult film and pop-culture star, takes control in her new monograph "neu sex," moving out from in front of the camera to behind it, turning the lens on the wild world she inhabits. "When I first got into the adult industry, I decided to take my photography much more seriously. I started taking a camera with me to capture my experiences on set, so it was a moment in time, a memory for myself--not the video that would be seen by thousands of people. On days where I was physically unable to capture an image, Ian, my fiance, became my third arm. He understands my aesthetic, or lack thereof. Ian is a photographer, yet the work in this book is quite different from his usual style. When you are so close with someone, there is a shorthand and true understanding of what the other person is trying to accomplish. If there's something I am physically unable to photograph, I can say one word and Ian can assist me with my vision. Ian can capture intimate moments with me that nobody can fabricate, because of our relationship. The strong sense of familiarity eliminates all boundaries between the subject and the photographer. "Documenting myself has almost become a necessity. "There are so many photos of me, taken by other people, that aesthetically I have no control over. Documenting myself allows me to reflect on the day, on the feelings I am having at that second. When you work in the entertainment industry, there are always surprises; there certainly isn't one day that is similar to the last. Personally, it's important to embrace this and appreciate it every day. "Still images vividly capture emotion, a second in time that can be left open for interpretation by the viewer and the creator. I am inspired by the work of Cindy Sherman and Nan Goldin. Sherman's work continues to inspire me to develop certain characters. I figured if I am on set I might as well take advantage of my surroundings, and document my life in an exciting, untraditional manner. I look back at photos, and see how much I've grown, how my opinions have changed, and how they will continue to change." --Sasha Grey

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

A loving daughter, a good friend and a faithful girlfriend, this Florida girl gets more than her fair share of sun and fun. And then an innocent evening at a football game sets off a chain of life-altering events. One minute Star is cleaning the tanning beds at Talon's, and the next she's being primped and prodded in preparation for the front cover of a national magazine... Playful, bawdy and curl-your-toes sexy, STAR is an insider's look at a world of inflated egos and inflated bodies. Going far beyond the cliched air-kisses and casting couches of Hollywood, STAR shows what really happens when A-list meets D-cup, when girl becomes goddess.

The viewer is privy to two relationships: the man and the photographer and the man and himself while in some instances is invited to join in.
