A muckraking newspaperman who was once nationally known as a historian of the West, Owen Payne White (1879–1946) brought local history to center stage, intrigued readers nationally with tales of the Old West, and spotlighted corruption in high and low places. This long-overdue biography restores this overlooked writer to the forefront of western history and journalism. White spent his early writing career as a newspaper columnist until his history of El Paso, *Out of the Desert: The Historical Romance of El Paso*, catapulted him into the major leagues of journalism when the publisher brought it to the attention of the *New York Times* and the *American Mercury*. White moved to New York and went on to publish eight books on the Old West, an autobiography, and dozens of articles as a staff editor at *Collier's*. He uncovered hypocrisy, heroism, and crime, earning national recognition as well as death threats and a million-dollar lawsuit. His knowledge of Mexico also allowed him to follow leads south of the border, where he covered the aftermath of the Mexican Revolution. Through it all, White never lost his sardonic wit, his scrupulous directness, or his intellectual and political independence. As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."
