NEW 2021 EDITION of the best-selling notary prep guide to the difficult Louisiana exam. The Louisiana Notary Exam has a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam-day tips, not enough cross-references . . . and few of the forms notaries use that they test. It doesn't explain most-tested subjects, past exams, or recent changes to the Guide. It's got the law and notary rules, but it's missing essentials for any such textbook. This book has all that—and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary, and is useful to experienced notaries for its expanded cross-references, complete index, and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index, of all things? Reminder: a 20% pass rate. As a senior law teacher and member of two state bars, Professor Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone, yet he found in the 'Study Guide' lots of trees but little forest—and even less real guidance. Determined that current test-takers can do better with more real help, he wrote this book and geared the page numbers—including an index, cross-references, lists, and illustrated explanation of successions, community property, and authentic acts—to the latest edition of the state's official text, *Fundamentals of Louisiana Notarial Law and Practice*. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books, that actually pays for itself six-times-over with its 'one weird trick' saying how to save \$65 in fees in the notary qualification process.

\*\*\*Includes Practice Test Questions\*\*\* Series 66 Exam Secrets helps you ace the Uniform Combined State Law Exam, without weeks and months of endless studying. To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) –

Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Trying to pass your Series 65 Exam? Pass The 65 is written with the reader always in mind. This Series 65 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the NASAA Series 65 exam outline point-by-point. Notice that there are four chapters in our study material, which correspond to the four sections of the NASAA Series 65 Exam outline. We try to keep things as easy as possible in our study guides because the exam itself is anything but. To reduce your frustration in obtaining your Series 65 license, we try to make sure each sample question in our Pass The 65 Online Practice Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 65 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved. Remember that the Series 65 license exam is not a memorization test but, rather, a "competency exam," as NASAA explains in their exam FAQ. Too many Series 65 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when, in fact, passing your test requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 65 exam study guide to a higher level by presenting you with well over 1,000 challenging questions in our test bank. However, our sample

questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 65 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 65 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. For an extra edge, try writing your own variations of practice questions in this same notebook, something our tutoring clients have found extremely helpful. Pass the 65(c) is your guide to a passing score on the Series 65 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the NASAA outline. Rather, we skimp on the filler found in many of the more tedious license exam manuals on the market. To give yourself an edge on this difficult license exam buy this book and then go to [www.examzone.com](http://www.examzone.com) to purchase the practice questions and other Series 65 study materials. This test is not easy. The best time to get started is . . . now."

Bob Eder has thoroughly revised Study for the Series 65 Exam to reflect the new additions to the syllabus for the Series 65 test, effective July 1, 2016. New topics include alternative investments, asset-back securities, inverse and leveraged funds, "soft dollars," standard deviation calculations, rules on political contributions, and much more. Study for the Series 65 Exam is a study guide for those persons who plan to take the Series 65 exam, necessary to become registered as investment adviser representatives. Passing the exam is necessary for those who wish to take compensation for giving investment advice. Study for the Series 65 Exam includes both applicable rules and practice questions designed to test the reader's comprehension. What makes this book special is the insertion of practice questions throughout the text. Each question challenges the reader, and asks him/her to make an immediate decision on what was just read. Every question comes with an immediate answer and clear explanation of why

the answer is correct or incorrect. The presence of the practice questions and immediate feedback embedded throughout Study for the Series 65 Exam gives the reader an important edge in comprehension and retention.

Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.
