

Star Wars Jedi Trial

Here is real story of North Vietnam's armed forces. Lanning served as a platoon leader and company commander in Vietnam, and as public affairs officer for General Schwartzkopf. Now he and Cragg, a sergeant-major who served five years in Vietnam, tell how the communists won that conflict by using the individual soldier.

Before the onset of the Clone Wars, a group of explorers consisting of six Jedi Masters, twelve Jedi Knights, and a fifty-thousand-member crew set out on a mission to search for intelligent life outside the known galaxy.

Anakin Skywalker searches for the evil Darth Sidious, struggles with his duty as a Jedi Knight and role as the secret husband of Senator Padme Amidala, and strives to eliminate all resistance to the Empire in his new role as Darth Vader.

The first story follows four generations of Jedi, including Dooku, Qui-Gon Jinn, Obi-Wan Kenobi, and Anakin Skywalker; and, when Obi-Wan and Siri fall in love, their relationship has unforeseen consequences for generations to come.

While the Clone Wars wreak havoc throughout the galaxy, the situation on the far world of Drongar is desperate, as Republic forces engage in a fierce fight with the Separatists. . . . The threatened enemy offensive begins as the Separatists employ legions of droids into their attack. Even with reinforcements, the flesh and blood of the Republic forces are just no match for battle droids' durasteel. Nowhere is this point more painfully clear than in the steaming Jasserak jungle, where the doctors and nurses of a small med unit face an impossible situation. As the dead and wounded start to pile up, surgeons Jos Vandar and Kornell "Uli" Divini know that time is running out. Even the Jedi abilities of Padawan Barriss Offee have been stretched to the limit. Ahead lies a test for Barriss that could very well lead to her death— and that of countless others. For the conflict is growing—and for this obscure mobile med unit, there's only one resolution. Shocking, bold, unprecedented, it's the only option Jos and his colleagues really have. The unthinkable has become the inevitable. Whether it kills them or not remains to be seen. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Jax Pavan is one of the few Jedi Knights who survived the slaughter of Order 66. Now he ekes out a living as a private investigator in the bowels of Coruscant, trying to help people in need while avoiding revealing himself as a Jedi to those who are still ready to kill any Jedi who remain alive.

The Clone Wars have exploded across the galaxy as Republic forces and Separatists struggle to gain the upper hand. But while the Jedi generals work tirelessly to defeat Count Dooku and his rebels, Supreme Chancellor Palpatine is hatching his own dark victory plans. The Separatists have launched a sneak attack on Coruscant. Obi-Wan Kenobi, wounded in battle, insists that Anakin Skywalker and his rookie Padawan Ahsoka leave on a risky mission against General Grievous. But when Senator Bail Organa reveals some explosive intelligence that could turn the tide of war in the Republic's favor, the Jedi Master agrees to accompany him to an obscure planet on the Outer Rim to verify the facts. What Obi-Wan and Bail don't realize is that they're walking into a deadly trap concocted by Palpatine. And by the time they find out, escape may not be an option. Inspired by the full-length animated feature film *Star Wars: The Clone Wars* and the brand-new TV series, these thrilling adventures are filled with provocative, never-before-revealed insights into the characters of Obi-Wan, Anakin, Padme, Yoda, Count Dooku, and many other Star Wars favourites.
