Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a “carefrontation.” Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve

miracles as we confront life's difficulties.

"Much of the inspiration for this book has stemmed from the unique things I experienced during my four years of sun dancing. For instance, I learned what the warrior path was truly about, which had nothing to do with what I had been in movies, heard in music or read in books. It wasn't about being destructive or the toughest person in the neighborhood or any other media-stained image. In my moments of terror, pain and loneliness, I realized that this ceremony wasn't self-serving."-- Taken from preface.

"The Quickening" is the fourth in a series of books on self-empowerment by Stuart Wilde. It discusses the power of the ancient Warrior-Sages, and it teaches you etheric (Life Force) and psychological techniques for consolidating your energy. "The world of the common man is about to unravel, like never before. I seek the attention of those that are strong and getting stronger. It is only through the power of these "individuals" that the spirituality of the world will survive the hurricanes of change. There is little time." (Stuart Wilde).

In this uniquely fascinating book, Stuart Wilde gives you the keys to levels of metaphysical comprehension and sophistication not normally understood. According to him, we are living in the era of the goddess Kali's return, the Age of Destruction, when the self-correcting intelligence of the planet (Gaia) will take

back Earth on behalf of the animals, nature, and the little children. There are battles currently raging in the spiritual worlds, waged by the forces of light against the dark entities in order to free us all. Stuart describes a power he calls the Solar Logos, which will come to Earth to deliver a rebirth known as the Renewal. As such, he calls this time the "End of Days"- not because the world will end, but because it is the end of the world as we know it.

We live in a world where we're all about updating. We update our computers, phones, cars, careers—even our partners. Now it's time to update your personal philosophy and view. In essence, it's time to update you. Being of Power is about transforming relationships. Not just with others, but with yourself, your experiences, your work, your purpose—how you relate to everything in your life. Here you will find the tools to enable you to break through the limiting views that have been keeping you stuck, frustrated, and unfulfilled; expand your viewpoint to see new possibilities; and come into your authentic self. The nine practices in this book are the stepping-stones on the path back to your essential authenticity, which is where your greatest power lies. These are practices to put into action minute by minute, day by day. We don't master them all at once; instead, we work them in each present moment, again and again, until eventually we come to embody them as a natural way of being. This is how we transform. The aim of

this book is not to tell you "the truth," but rather to help you rediscover your own truth. Your deepest power comes from what you already know inside. You have the intelligence. You have the answers. The nine practices of transformation will simply allow you to dissolve the blocks standing in your way and access the wisdom that's already within you. They will show you how to put your essentially powerful way of being into action so you can create new, expanded results in your life. At its core, this book is about connecting to your authentic self and rediscovering who you are and what's possible.

It's a marvelous thing to know that you have the courage, discipline, and follow-through to enliven your consciousness. In this groundbreaking book, Stuart Wilde brings to light new and compelling information about the sixth sense and tells you how to develop it. He defines this sixth sense as sacred energy that taps you into the state of all-knowing. Once you discover the sixth sense/etheric point of view, it opens the energy centers in your subtle body and you take on more light, going naturally from stiff to pliant, flowing with life rather than struggling with it. Stuart tells us in *Sixth Sense* that "what you need is inner power, a personal charisma, a spiritual power, an extrasensory perception that makes you bigger than life. You garner that energy through compassion, kindness, introspection, and solidity." After reading this book, your perception of life in all its subtlety and vastness will reach beyond the mundane to a special level of spirituality.

It's Not Just About the Money True wealth is not about buckets of cash. True wealth is not about designer clothes. It is not about a new Mercedes. It is not about living in a palatial estate. True wealth, asserts David Gikandi, is about discovering value within yourself and value within other people. It is about a kind

of conscious living that incorporates gratitude, a belief in abundance, and the experience of joy. Based on the recent discoveries of theoretical physics and a close reading of inspirational classics of the last century, Gikandi creates a new model for the creation of personal wealth; a new model that shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. Learn to use an internal mantra to build wealth consciousness. Practice conscious and deliberate thoughts and intentions. Decide, define, and set goals you can believe in. Practice gratitude, giving, and faith, and experience abundance and joy in your life. Includes a 16-page study guide—for individuals and group use.

Wilde teaches readers how to deal with opinions, feelings, contradiction, expectancy, and finally how to elevate their spirits to feel freer and lighter. *Whispering Winds of Change* will appeal to lovers of alternative ideas and philosophies. Stuart Wilde challenges us to stand outside the usual paradigms of consciousness as "fringe dwellers". He asks us to observe the dying throes of what he calls the "world ego" - the embodiment of the manipulative and dominating force of the status quo. With his characteristic candor and wit, he plots a fascinating comparison between the overall global destiny and an individual's personal, sacred, inner journey. Wilde believes through quieting the ego and

Like his other books, this work is full of compelling ideas, unusual perceptions, and esoteric concepts for individuals who want to progress inwardly, while making a success of their lives in the external world.

With this powerful book, bestselling author Stuart Wilde shows you that to create miracles, you have to be very clear about what it is you want. “An insightful memoir that uncovers unique stories about matters of the heart.”

—Essence The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe–winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase “let love have the last word” is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He

moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal, where he observes that our society has become fractured under issues of race and politics. He knows there's no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, *Let Love Have the Last Word* shares Common's own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come. "It's hard to align with money if you think that it is evil and nasty. But once you come to an understanding that money is neutral, it's easy to see that having money does not necessarily deprive somebody else. There's no reason why you can't be very rich and still be an extremely spiritual and wonderfully generous person—aligned to the God Force—with a huge heart, and compassion for everyone you meet." — Stuart Wilde

This culmination of award-winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism. A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom, it is a wake-up call to put love and compassion to urgent, focused action. According to Harvey, we are in a massive global crisis reflected by a

mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration, a return to the heart-centered way of the Divine Feminine, the words of the mystics throughout the ages, and the cultivation of the nonviolent philosophies of Gandhi, Nelson Mandela, Aung San Suu Kyi, and the Dalai Lama. Harvey's concepts of radical passion and sacred activism fly in the face of restraint, of pessimism, of denial, of all that is inhumane, fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth, heart and will, body and soul, prayer and action. Sacred activism asks that we engage deeply on a personal, spiritual, and political level so as to become a fully empowered, fully active, and contemplative humanity that can turn tragedy into grace, and desolation into the opportunity to build and co-create a new world. Unlike many spiritual books, *Radical Passion* does not veil the dark with artificial hope. It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible—right now and in the future. From the Trade Paperback edition.

HOW TO WIN THE LOTTERY WITH THE LAW OF ATTRACTION was written by Law of Attraction lottery winner, teacher and author Eddie Coronado. Based on interviews with actual winners who have used the Law of Attraction to win lottery prizes, this book provides the metaphysical tools and insights that are necessary to win lottery and contest prizes through the creative power of thoughts and feelings. Although this book contains the manifestation techniques of people who have won money, these metaphysical exercises can be used to attract the perfect mate, a new career, financial success, or anything that you can make a part of your beliefs and feelings. There is no limit to how much money and success you can manifest through the Law of Attraction because this immense spiritual power does not have an opinion about what you should

or should not have. You can use the Law of Attraction to manifest ten cents or ten million dollars. The determining factor is belief and expectancy, which can be harnessed by using the spiritual tools discussed in this book. THIS BOOK CONTAINS FOUR PARTS: PART 1: This section explores the tools that are used for the manifestation techniques in this book. The tools covered are as follows: Affirmations, Creative Visualization, Expectation, Gratitude, and the Practice of Receiving. You should take the time to carefully read this section even if you are familiar with the Law of Attraction and the power of intention. This section contains a number of insights and explanations that may have been missed by other authors and teachers. For example, the Practice of Receiving is a powerful tool that can help you attract a lot of money, yet many Law of Attraction books do not mention this important exercise. In addition, I have included some helpful information about gratitude and affirmations as it relates to manifesting money. Affirmations of words, thoughts, feelings, and actions are also covered. Finally, the most important element of any manifestation technique is creative visualization, which every Law of Attraction lottery and contest winner has used to win prizes. PART 2: This section includes the manifestation techniques used by the winners who were interviewed for this book. Each winner, including the author, is introduced and his/her manifestation exercise is documented to reflect the exact steps taken to win lottery prizes. No changes have been made in order to preserve the integrity of each winner's method. PART 3: This is a Question and Answer Section that covers the most

important questions about the manifestation techniques in this book. The answers have been provided by the lottery winners who were interviewed. This Question and Answer section will provide clarity and direction for those readers who are committed to using the Law of Attraction to manifest lottery prizes. The questions included in this section cover topics such as: Should I buy lots of tickets? How will I know that my intention will work? How long will it take for me to get results? What part does luck play in manifesting lottery prizes? In addition, a host of other important questions are discussed. PART 4: This section contains helpful tips and suggestions that will explain how to implement the following manifestation techniques and how to make the most of them. It also contains information regarding the common denominators of the winners' daily action plan in order to provide a clear understanding of the mental and emotional habits that are necessary for manifesting lottery prizes with the Law of Attraction. This inspirational book serves as a magnificent battle plan, where you learn to expand the power you already have in order to win back absolute control of your life. The Force that Stuart describes is magnanimous beyond description - perhaps you might want to call it God. It is growing, dynamic, and has an inner drive or desire to become more of itself.
