Calling all Dawson's Creek fans! Television Without Pity features irreverent entries about the shows, characters, actors, clichés, plot devices, memorable moments, and catch phrases that make watching TV such a guilty pleasure. From weekend-long Real World marathons to the People's Choice Awards, from favorite characters (Brenda Walsh, Seth Cohen) to the most unfunny recurring skits on Saturday Night Live, this is a celebration of television unlike any other. Written by the creators of televisionwithoutpity.com (hailed by Entertainment Weekly as 'the industry standard' for obsessive TV fanatics), this snarktastic volume features 100 illustrations and an encyclopedic two-column design. It's great fun for nostalgic browsing and guaranteed to prompt more laughter than a whole season of Seinfeld.

PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

From # 1 Essence best-selling Crime Novelist K'Wan comes a tale of forbidden love, high stakes murder and the robbery gone bad that set it all in motion, Diamonds and Pearl. They say that good girls like bad boys, and this was especially true for Pearl Stone. A child born of privilege to a drug baron and reputed killer known in the streets as Big Stone. Although the flashy, fast-paced nature of the streets calls to Pearl, she's been brought up to look but not touch. But when a young hustler named Diamonds crawls up from the swamps of Louisiana and sets up shop in New York City, everything Pearl was taught flies out the window. Raised in the wild and schooled on the mean streets of New Orleans, Diamonds is no stranger to hard times and is willing to do whatever it takes to stay above the poverty line, including kill. When a robbery turned mass murder goes wrong, Diamonds is forced to flee New Orleans and lands in New York where he meets Pearl, and for the first time finds something he craves more than wealth and power...love. As the stakes get higher, Diamonds has to push away his past if he's to grab hold of his future—but by doing so, will he show Pearl that all that glitters isn't gold?

A new novel from a legendary name in lesbian erotica. Silky, an outsider who's found grudging acceptance in her small community, suddenly finds her staid life changed by the arrival of Cloud -- a thrilling but troubled butch still stinging from a recent defeat. In the meantime, Nighthawk, the woman who single-handedly removed Cloud from her turf, rules her hard-won kingdom -- and the women in it -- with an iron fist, not knowing her greatest battles are yet to come....

A cautionary tale of a big real estate deal gone bad: A cesspool's brew of money, mud, murder, and blood. After a messy break-up with his old law firm, young attorney Nick Shuman gets in over his head, when he takes on a big case brought by a small but wealthy California landowner. It's 2007 and the price of real estate is exploding.

Shuman's new client, Joe Munoz, is being sued by a large insurance company with an army of attorneys looking to complete a massive development deal in an unspoiled corner of Southern California. Only Joe and his key piece of land, "Little Rocking-Horse Ranch," stand in the way. But Joe has a past that adds a wild card to the mix: an unsolved, decades-old murder tied to him and the ranch, and his murky reasons for refusing to sell it for the huge sum offered. To fend off their mighty foes and launch their own quest to tilt against the windmills of Big Business and Institutionalized Power, Nick and Joe assemble a rag-tag cast of unlikely allies and characters. In a constant game of catch-up, things get dirty fast. A high-powered, crooked law firm and the Russian mob complicate matters for the under-manned defenders of "Little Ranch." The stakes rise faster than the real estate market, as evidence disappears, and lives and loves are cut down or ruined. The September 2008 collapse of Lehman Brothers and the inescapable crush of The Great Recession shatter this deadly struggle for everyone. "KYLE STARKS is a treasure. With THE SIX SIDEKICKS OF TRIGGER KEATON, he proves that he's not only effortlessly funny, but can also craft rich, distinct characters that you can't help but root for, even at their worst. And CHRIS SCHWEIZER is an astounding artist, mastering both perfect expressions and wild action scenes on jam-packed, eye-popping pages. I highly recommend this book!"—CHIP ZDARSKY (Daredevil) For fans of CHEW and ASSASSIN NATION comes a new action-mystery series from Eisner Award nominee CHRIS SCHWEIZER (Crogan Adventures) and KYLE STARKS (SEXCASTLE). The world's most unlikable action star has been found dead, and his previous TV sidekicks are looking to solve the mystery. But how can you catch a murderer when almost everyone hated the victim? Now these sidekicks are going to learn what it means to be the stars of the show...that is, if any of them survive the STUNTMAN WAR!

Cosette's childhood dreams had been surpassed in so many ways. She owed her life to her first love, dear father Madeleine. And for love and repentance that father Madeleine brought her, and her true love Marius together. And like a bright light being shone in their eyes, they couldn't see just how fate had become luck, and how luck had give way to a life only bestowed on the rich and well connected of 19th century France. What a life to share with Marius! Doors would open, others would close as this power couple swallowed each chapter in their lives. Demons were lurking everywhere – Marius' love for Cosette seemed to blind him from the demons attacking Cosette. And he had his own demons, luring him into an underworld where many entered and a haggard few would manage to escape. Can Marius conquer his demons to save Cosette from hers?

The year is 1989. Lamar "L.A." Davis the 3rd has a vision that can impact a generation. His religious father Bishop L.A. Davis, Jr., considers the vision a threat to his church so he does whatever it takes to destroy it. And Eugene, a young millionaire and proud supporter of Bishop, is on a mission to damage L.A.'s image. Despite the plans of Bishop and Eugene, L.A. goes forth with the vision, assisted by his best friends V and Chazz, and supported by his love interest Deanna and his aunt Lucy. Success and favor come quickly, but then hell breaks loose. L.A.'s past comes back to haunt him, family secrets are revealed, and the integrity of L.A.'s crew is questioned. Will he allow his goals to abort, or will his

faith remain unshaken?

After Pumpkin Pete accidentally blows up the League of Big Justice and the Sidekick Super Clubhouse, the superhero trouble begins.

The history of American Indians on screen can be compared to a light shining through a prism. We may have seen bits and pieces of the genuine culture portrayed, but rarely did we see a satisfying and informative whole picture. *Savages and Saints* deals with the changing image of the American Indian in the Western film genre, contrasting the fictionalized images of native Americans portrayed in classic films against the historical reality of life on the American frontier. The book tells the stories of frontier warriors, Indian and white, revealing how their stories were often drastically altered on screen according to the times the films were made, the stars involved in the film's production, and the social/political beliefs of the filmmakers. Studio correspondence, letters from government files, and passages from western novels adapted for the screen are used to illustrate the various points. Instructors considering this book for use in a course may request an examination copy [here](#).

Ethan Mordden has been hailed as "a sharp-eared listener and a discerning critic," by *Opera News*, which compares his books to "dinner with a knowledgeable, garrulous companion." The "preeminent historian of the American musical" (*New York Times*), he "brings boundless energy and enthusiasm buttressed by an arsenal of smart anecdotes" (*Wall Street Journal*). Now Mordden offers an entirely fresh and infectiously delightful history of American musical theatre. *Anything Goes* stages a grand revue of the musical from the 1700s through to the present day, narrated in Mordden's famously witty, scholarly, and conversational style. He places us in a bare rehearsal room as the cast of *Oklahoma!* changes history by psychoanalyzing the plot in the greatest of the musical's many Dream Ballets. And he gives us tickets for orchestra seats on opening night-raising the curtain on the pleasures of Victor Herbert's *The Red Mill* and the thrill of *Porgy and Bess*. Mordden examines the music, of course, but also more neglected elements. Dance was once considered as crucial as song; he follows it from the nineteenth century's zany hoofing to tap "combinations" of the 1920s, from the injection of ballet and modern dance in the 1930s and '40s to the innovations of Bob Fosse. He also explores the changing structure of musical comedy and operetta, and the evolution of the role of the star. Fred Stone, the avuncular Scarecrow in the *Wizard of Oz*, seldom varied his acting from part to part; but the versatile Ethel Merman turned the headlining role inside out in *Gypsy*, playing a character who was selfish, fierce, and destructive. From "ballad opera" to burlesque, from *Fiddler on the Roof* to *Rent*, the history and lore of the musical unfolds here in a performance worthy of a standing ovation.

Thirteen-year-old Guy Martin, also known as superhero Pumpkin Pete's sidekick Speedy, helps the League of Big Justice save the human race from being turned into puppets by Pinoh Keyoh and the Brotherhood of Rottenness.

At Kadena Air Force Base on Okinawa, Angus and sixty-two other young Marines stand at the tail of the huge airplane, a Hercules, that will take them on the last leg of their journey to Southeast Asia. The flight has been held up for about twenty minutes for a late arrival. When the man finally shows up, Angus is startled by his appearance. He's wearing faded, frayed fatigues, carrying an old green canvas bag in one hand, and a long, leather case in the other. He wears a strip of camouflaged cloth tied around his head, and pulled down level with the top of his eyebrows. His hair is long, almost reaching his shoulders. While Angus stands there gawking, all the young Marines walk up the ramp past him. Before Angus realizes it, he is standing there alone, the last passenger to climb aboard. There were a few vacant seats left, but he decides to sit next to this late arriver. It might prove to be interesting. Next stop, Viet-Nam.

Look up in the sky! It's a graphic novel about SUPERHERO PETS from CALDECOTT MEDALIST DAN SANTAT! Captain Amazing, superhero and savior of Metro City, is getting old. He's out all hours battling arch-villains, catching thieves, and helping little old ladies cross the street. He doesn't even have time for his house full of pets. He needs - a SIDEKICK!
