His loss leaves Cain devastated, and she does her best to keep the business together, but his loss has left her adrift and hungry for revenge. That ends the night a new employee douses her in beer. Emma Verde has left everything behind in Wisconsin to attend Tulane in New Orleans. She sees an opportunity to make enough money for the coming semester when she lands a job at an Irish pub in the French Quarter. That job soon spirals into something else. Jack Reardon, former SAS soldier and current Australian Meta-State asset, has seen some messy battles. But "messy" takes on a whole new meaning when he finds himself tied to a chair in a torture shack, his cover blown wide open, all thanks to notorious killer-for-hire Ethan Blade. Blade is everything Jack doesn't believe in: remorseless, detached, lawless. Yet, Jack's only chance to survive is to strike a bargain with the devil and join forces with Blade. As they trek across a hostile desert, Jack learns that Blade is much more than a dead-eyed killer--and harder to resist than he should be. A year later, Jack is home and finally getting his life on track. Then Ethan Blade reappears and throws it all into chaos once more. It's impossible to trust the assassin, especially when his presence casts doubts on Jack's loyalty to his country, but Jack cannot ignore what Blade's return means: the mess that brought them together is far from over, and Ethan might just bring back the piece of Jack's soul he thought he'd lost forever.

Soul Thief. Bartender. Bounty Hunter. When offered a job on the Holy Representative's special security team, bounty hunter Zyan Star couldn't be less interested - until she finds out it's her most hated of exes they're trying to track down. She's had over two hundred years to fantasize about revenge. She just didn't quite imagine it playing out alongside the

emissaries of Heaven. Working with Eli, the uptight angel who heads up the HR's security, is just about as much fun as Zy expects. He of course wants her ex brought to justice through legal avenues, which is very inconvenient and incredibly boring. As she dives into the case, however, she realizes there's more at stake than her plot for payback. Like, the free will of mankind, and preventing the minions of hell from taking over the sovereign dimensions. This job is going to push her to the limits of her abilities, and there's just a slight problem with that: the powers she's suppressed for centuries after losing control of them are exactly the powers she's going to need to save the HR, end her millennia-old ex, and stop Lucifer's little plot to join the party and invade Earth. Savior of humanity? Not so much. Or so she thought. \*\*\* A sassy, sexy thrill ride of an urban fantasy by bestselling author A.A. Chamberlynn. Perfect for fans of Laurell K. The greatest trick the First Vampire ever pulled was convincing the world that he didn't exist. Before the now-infamous Count Dracula ever tasted his first drop of blood, Sorin Ambrogio owned the night...and now he's back. Fleeing Europe and starting a new chapter in his diary of death--one not written in blood--Sorin finds new meaning to his life when he is adopted into a Native American tribe in the American Colonies. A wife and a miracle child give this monster a new beginning. Until his vampiric past comes back to haunt him, to eradicate him, to burn his name from their histories and to murder anyone who ever met him--especially his family. Wounded and on the brink of death, Sorin vows to avenge the fallen if the tribe's Medicine Man--the only other survivor--will put Sorin into a healing slumber. His sleep was only supposed to be brief--days or weeks. But Sorin is awoken centuries later by a fledgling Shaman named Nosh--a descendant of the very Medicine Man who first put Sorin to sleep centuries before--who will risk anything to avenge his own murdered tribe from the vampires and other monsters now openly walking the streets of present-day Manhattan. Sorin steps into a world that has drastically changed from the virginal American Colonies he had come to call home. When humanity's only savior is the first man-made devil, the streets of New York City will flow with rivers of blood. The Devil's Heart -- a legendary object of unsurpassed power and mystery. Worlds that believe in magic consider it Darkness's mightiest talisman; worlds of science consider it a lost artifact of some ancient and forgotten race. But to all, the location of this fabled object has remained a mystery -- until now. An isolated archaeological outpost has suddenly stopped responding to repeated requests for information. Sent to discover why, the U.S.S. Enterprise™ crew finds a devastated outpost and a dying scientist, whose last words fall on disbelieving ears: the Devil's Heart has been found. Now, as the quest for the Heart unfolds, Captain Jean-Luc Picard discovers the awful truth behind all the legends and age-old secrets: Whoever holds the Devil's Heart possesses power beyond imagining...

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

Reality and fantasy collide with shocking results in this riveting account of the notorious case of Mark Twitchell - and the police investigation into one of the most bizarre murders in recent memory. In October 2008, Johnny Altinger, a 38-year-old Edmonton man, was on his way to a tryst with a woman he had met on an online dating website when he emailed the directions to their rendezvous to a concerned friend. He was never seen again. Two weeks before Altinger's disappearance, independent filmmaker Mark Twitchell began shooting a low-budget horror film about a serial killer who impersonates a woman on an online dating website to lure his victims to their gruesome deaths. But these are just the starting points of the stranger-than-fiction case of Mark Twitchell, a man with a startling plan to turn his life-long love of fantasy and desire for fame into reality: - Did Twitchell, in a horrific example of life imitating art, act out the grisly premise of his own script? - Obsessed with Dexter, the popular TV show and book series about a fictional vigilante serial killer, Twitchell assumed Dexter Morgan's profile on Facebook. But how far did he intend to take his fascination with Dexter? - Is the shocking document "S.K. Confessions" a graphic work of fiction that, as Twitchell claims, he wrote to promote his film? Or is it a diary he kept of his transformation into a killer, and proof that the police stopped a prolific serial killer at the very beginning? Veteran journalist Steve Lillebuen provides a gripping investigative account of the nesting doll intricacies of the case, plunging us into the world of pop culture fanaticism and into the mind of a self-professed psychopath. Drawing on extensive interviews, Lillebuen illuminates what can happen when some of our culture's darkest obsessions are pushed to extremes.

Centuries ago, Brax committed unforgivable sins, killing his lover and himself, and to escape eternal damnation, he made a bargain with the Devil. Now immortal, he roams the earth, corrupting and collecting souls for Hell's infernal legions in anticipation of the coming apocalypse. And he is very, very good at what he does. When he is given the special assignment of corrupting Maggie Westbrook, a seemingly timid high school senior who also happens to be one of the Nephilim, children of angels with the purest of mortal souls, Brax believes his goal of commanding his own legion in Hell's army is finally within his reach. Maggie isn't just any Nephilim; she's the lamb who will break the seals that will usher in Armageddon, and her corruption will tip the scales of that final battle towards Hell. But he quickly finds that the job will be more difficult than he first anticipated. For one thing, he has competition in the form of the demon Corbin Black, whose powers of corruption rival his own. And Maggie is not unguarded, as the Nephilim and host of Heaven will do everything they can to stop him. Most disconcerting, though, is Maggie herself. From the moment Brax first sees her, he is drawn to her purity and innocence, and as he comes to know her, long-forgotten emotions begin to rise within him, emotions he hasn't felt for centuries... While Testimony is an epic story of good and evil battling for control of an innocent soul, with the fate of the world hanging in the balance, it's also the more personal story of a deeply flawed man trying as hard as he can to overcome the devastating sins of his past and find true love and redemption. This book contains mature themes, violence, drug use, drinking, and sexual situations. Reader discretion is advised.

For Cain Casey nothing is more important than family, and having hers close—Emma, Hayden, Hannah, and the new baby—is as near as she'll get to true happiness. But enemies who lurk in the shadows threaten more than just her business, forcing her to question whether the biggest threat comes from having it all. As Cain continues to search for lingering adversaries like agent-turned-drug dealer Anthony Curtis, the FBI is hot on her tail and will stop at nothing to lock her away. Add the Russian mob into the mix and it might be too much to handle. It will take a transformation into the devil incarnate for Cain to keep those she loves safe and to hold on to her rightful place as the head of the family. Cain Casey is close to getting everything she wants. Her partner Emma is pregnant with their third child, her children are safe and happy, and her business is still thriving despite the FBI's vendetta. Life is perfect on the surface, but it's the underbelly that worries her. Her long-time enemy Juan Luis and his new partner, rogue agent Anthony Curtis have disappeared; her cousin Muriel has gotten serious about Shelby Philips, the FBI agent in charge of the Casey surveillance team; and her business partner, Remi Jatibon, is facing trouble from her new love Dallas's secret past. While Cain struggles to defeat a new enemy—a woman who just may be her equal when it comes to destroying those who stand against her family—an unimaginable betrayal may bring Cain's charmed life to an end.

Seventeen-year-old Lisa Brown loved going to church. Oh sure, sometimes she'd rather sleep in, but she liked the calming and empowering strength of her faith. Sundays revitalized her spirit when she thanked God for the wonderful things in her life like her loving family and her amazing girlfriend, Samantha Rose. One day she hoped to marry Sam, have a house and yard, and have babies together. One day. But then it happened. That fateful Sunday when the guest preacher stepped behind the pulpit and spoke four words that would change Lisa's world forever. "Homosexuality is a sin," he said. Had she heard him right? When her mother put a hand on her forearm, she knew she had. Every muscle in her body tensed, and she forgot to breathe. What was happening? The church she'd been baptized in, grown up in, and wanted to get married in had, in one instant, turned against her. Still not quite believing what she'd heard, she mumbled, "Ignorance is a sin, Reverend." Never one to back down from a challenge, she scanned the congregation but didn't find a single soul who looked upset by his statement. Many were even nodding in agreement. She muttered under her breath, "Game on, people. Game on."
