A groundbreaking biography of Milton's formative years that provides a new account of the poet's political radicalization John Milton (1608–1674) has a unique claim on literary and intellectual history as the author of both *Paradise Lost*, the greatest narrative poem in English, and prose defences of the execution of Charles I that influenced the French and American revolutions. Tracing Milton's literary, intellectual, and political development with unprecedented depth and understanding, *Poet of Revolution* is an unmatched biographical account of the formation of the mind that would go on to create *Paradise Lost*—but would first justify the killing of a king. Biographers of Milton have always struggled to explain how the young poet became a notorious defender of regicide and other radical ideas such as freedom of the press, religious toleration, and republicanism. In this groundbreaking intellectual biography of Milton's formative years, Nicholas McDowell draws on recent archival discoveries to reconcile at last the poet and polemicist. He charts Milton's development from his earliest days as a London schoolboy, through his university life and travels in Italy, to his emergence as a public writer during the English Civil War. At the same time, McDowell presents fresh, richly contextual readings of Milton's best-known works from this period, including the "Nativity Ode," "L'Allegro" and "Il Penseroso," *Comus*, and "Lycidas."

Challenging biographers who claim that Milton was always a secret radical, *Poet of Revolution* shows how the events that provoked civil war in England combined with Milton's astonishing programme of self-education to instil the beliefs that would shape not only his political prose but also his later epic masterpiece.

Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem.

John Milton holds an impressive place within the rich tradition of neo-Latin epistolography. His *Epistolae Familiares* and uncollected letters paint an invigorating portrait of the artist as a young man, offering insight into his reading programme, his views on education, friendship, poetry, his relations with continental literati, his blindness, and his role as Latin Secretary. This edition presents a modernised Latin text and a facing English translation, complemented by a detailed introduction and a comprehensive commentary. Situating Milton's letters in relation to the classical, pedagogical, neo-Latin, and vernacular contexts at the heart of their composition, it presents fresh evidence in regard to Milton's relationships with the Italian philologist Benedetto Buonmattei, the Greek humanist Leonard Philaras, the radical pastor Jean de Labadie, and the German diplomat Peter Heimbach. It also announces several new discoveries, most notably a manuscript of Henry Oldenburg's transcription of Ep. Fam. 25. This volume fills an important gap in Milton scholarship, and will prove of particular use to Milton scholars, students, philologists, neo-Latinists, and those interested in the humanist reinvention of the epistolographic tradition.

London, 1940: the Luftwaffe blitzes London every night for fifty-seven nights. Houses, shops and entire streets are wiped from the map. The underworld is in flux: the Italian criminals who dominated the West End have been interned and now their rivals are fighting to replace them. Meanwhile, hidden in the shadows, the Black-Out Ripper sharpens his knife and sets to his grisly

work. Henry Irving is a disgraced reporter on a Fleet Street scandal rag. Genius detective sergeant Charlie Murphy is a fresh face in the Metropolitan police, hunting corrupt colleagues but blinkered by ambition and jealousy. His brother, detective inspector Frank Murphy, searches frantically for his runaway daughter, terrified that she will be the killer's next victim. As the Ripper stalks the terrified streets, the three men discover that his handiwork is not quite what it seems. Conspirators are afoot, taking advantage of the chaos to settle old scores. The murders invade the lives of the victims and victimizers on both sides of the law, as everyone is sucked deeper and deeper into Soho's black heart. British secondary education has changed in major ways since 1945. This book examines some consequences and implications of both change and stability, drawing on a unique series of national surveys of school leavers in Scotland. The authors provide an empirical and theoretical account of central problems of contemporary schooling. Their analysis covers: certification, curriculum and selection; the effects of educational expansion; trends in educational inequality; the impact of comprehensive reorganisation; truancy and alienation from schooling; the explanation of differences in performance between schools and the implications for the public accountability of schools. From these analyses the authors develop a critique of the 'theory' of the education system that underpinned expansion. They examine this theory's logical and empirical status as 'myth' and elaborate how the political system and social science might jointly overcome some of the methodological difficulties that beset social and educational research.

An edition of Milton's later work *rk* includes the text of six books of *Paradise Lost*, *The History of Britain* and the whole of *Samson Agonistes*. Through his introduction, commentary and full annotations, Tony Davies sets the works in their political and cultural contexts, and discusses such themes as the 'heroic'; sexuality and gender; and Milton's interrogation of the meaning of history.

Paradise Lost remains as challenging and relevant today as it was in the turbulent intellectual and political environment in which it was written. This edition aims to bring the poem as fully alive to a modern reader as it would have been to Milton's contemporaries. It provides a newly edited text of the 1674 edition of the poem—the last of Milton's lifetime—with carefully modernized spelling and punctuation.

Originally published between 1909 and 1917 under the name "Harvard Classics," this stupendous 51-volume set—a collection of the greatest writings from literature, philosophy, history, and mythology—was assembled by American academic CHARLES WILLIAM ELIOT (1834-1926), Harvard University's longest-serving president. Also known as "Dr. Eliot's Five Foot Shelf," it represented Eliot's belief that a basic liberal education could be gleaned by reading from an anthology of works that could fit on five feet of bookshelf. Volume IV features all the verse written in the English language by English poet JOHN MILTON (1608-1674), including the essential Paradise Lost and Paradise Regained, plus "Song on May Morning," "Sonnet to the Nightingale," "The Passion," "To a Virtuous Young Lady," and others.

John Milton is, next to William Shakespeare, the most influential English poet, a writer whose work spans an incredible breadth of forms and subject matter. The Complete Poetry and Essential Prose of John Milton celebrates this author's genius in a thoughtfully assembled book that provides new modern-spelling versions of Milton's texts, expert commentary, and a wealth of other features that will please even the most dedicated students of Milton's canon. Edited by a trio of esteemed scholars, this volume is the definitive Milton for our time. In these pages you will find all of Milton's verse, from masterpieces such as Paradise Lost—widely viewed as the finest epic poem in the English language—to shorter works such as the Nativity Ode, Lycidas, A Masque and Samson Agonistes. Milton's non-English language sonnets, verses, and elegies are accompanied by fresh translations by Gordon Braden. Among the newly edited and authoritatively annotated prose selections are letters, pamphlets, political tracts, essays such as Of Education and Areopagitica, and a generous portion of his heretical Christian Doctrine. These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods. With his deep learning and the sensual immediacy of his language, Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity. With this in mind, the editors give careful attention to preserving the vibrant energy of Milton's verse and prose, while making the relatively unfamiliar aspects of his writing accessible to modern readers. Notes identify the old meanings and roots of English words, illuminate historical contexts—including classical and biblical allusions—and offer concise accounts of the author's philosophical and political assumptions. This edition is a consummate work of modern literary scholarship.

Once they get to their destination, it's clear something isn't right. Working for the Vegas casinos has got Jessica's father wrapped up with the wrong people. Their investigation leads them to Moscow and a confrontation with Directorate S, the agency responsible for seeding Russian sleeper agents around the world. When lies and double crossing mean that no-one is what they seem, the two agents - alone and without backup - struggle to achieve their goals under the most dangerous of circumstances. Set one week before the opening of The Cleaner, this compulsive thriller turns back the clock to Milton as a barely functioning alcoholic, still tormented by the ghosts of the men and women he has killed in the service of his country. White light. Heat. A drawn-out moment of complete silence. And then the screaming starts. An Underground carriage in London is destroyed by a suicide bomber. The injured and the dead litter the platform. But as a crowd forms at street level, Michael Pope knows that this is only the beginning. Pope, head of top-secret Group Fifteen, is tasked with finding the perpetrators of this atrocity and bringing them to justice, any way he can. He knows that the answers to many of his questions will lie at the end of the money trail, but he also knows that whoever funded and organised the attack will kill again for their freedom. This is an operation that requires a very special kind of agent. Pope needs someone who exists outside of normality. Someone who floats above it, treading softly through a fractured life. He needs the Angel.

John Milton is widely known as the poet of liberty and freedom. But his commitment to justice has been often overlooked. As Alison A. Chapman shows, Milton's many prose works are saturated in legal ways of thinking, and he also actively shifts between citing Roman, common, and ecclesiastical law to best suit his purpose in any given text. This book provides literary scholars with a working knowledge of the multiple, jostling, real-world legal systems in conflict in seventeenth-century England and brings to light Milton's use of the various legal systems and vocabularies of the time—natural versus positive law, for example—and the differences between them. Surveying Milton's early pamphlets, divorce tracts, late political tracts, and major prose works in comparison with the writings and cases of some of Milton's contemporaries—including George Herbert, John Donne, Ben Jonson, and John Bunyan—Chapman reveals the variety and nuance in Milton's juridical toolkit and his subtle use of competing legal traditions in pursuit of justice.

New York isn't ready for Britain's most dangerous ex-assassin... John Milton has finally found a place to escape the bloodshed: off-season Coney Island. No tourists. No special ops. Just peace and quiet. But when a local boy witnesses a grisly murder, Milton can't resist investigating. Milton uncovers a vicious drug kingpin and a group of crooked cops from a notorious precinct known as "The Alamo." Against such dangerous foes, Milton's quest for redemption could come to an end. The eleventh book in the USA Today bestselling John Milton series delivers thrills, action, and twists you just won't see coming. "It's impossible not to think of Lee Child's super-selling Jack Reacher" - The Times "The literary sensation you've never heard of." - The Telegraph
