The Popcorn Book

Putting kernels in a pot, heating them, and adding salt are all part of making popcorn. Simple text explains how kernels change form when you heat them in a pan. Popcorn may be America's favorite snack food. Preserved cobs of popcorn thousands of years old have been found in Peru, Mexico, and the American Southwest. Memories are made of popcorn balls at Halloween and stringing popcorn to decorate the Christmas tree. Today, sitting through a movie without a bag of crunchy kernels is almost unthinkable. Popcorn is the ideal snack. Eaten without oil or butter, it's a skinny 27 calories per cup. Since it's a whole grain with a high fiber content, it has a well-deserved recommendation from both the American Cancer Society and the National Cancer Institute. Even the American Dental Association lists it as a wholesome snack! (Now, don't you feel virtuous?) But most of all, popcorn is fun to eat. Combined with some spices and herbs, it rivals the most expensive off-the-shelf snack but costs just pennies to make. Make it spicy for a sophisticated treat, or sweet to satisfy the kid in you. In Popcorn, award-winning author Frances Towner Giedt starts with the basics of how to make terrific popcorn, then shows you how to dress it up. Whether your taste runs to sweet or spicy, low-fat or fruity, you'll find more than 50 recipes here to excite, delight, and satisfy your urge for popcorn snacking.

Celebrate the joy in things large and small in this meditative board book, sized just right for small hands. "Today is today, and it is a gift," writes Tomie dePaola, best-selling author-illustrator of Quiet, in this simple ode to gratitude and mindfulness. Simple and sweet, Look and Be Grateful is a reminder to treat each day as the blessing it is. Now available in sturdy board-book format, this edition is ideal for Easter baskets. Illustrated with Tomie's signature soft lines and gentle colors, a young boy awakens with the dawn, opens his eyes and looks closely at his world. He admires all that surrounds him, large and small, from the radiant sun to a tiny, but exquisite, ladybug. Gentle and lyrical, Look and Be Grateful is a simple expression of gratitude, ideal to share with the youngest readers and adults alike.

Our revved-up world isn't just changing faster than ever before, it's creating new words and new language at breakneck speed. Now, Faith Popcorn, the futurist and trend authority who is know as the Norstradamus of marketing--and Adam Hanft, author, business strategist and media critic--have created the first-ever Dictionary of the Future, a thought-provoking, entertaining and richly informative collection of hundreds of new, emerging and just-invented words and terms. While traditional dictionaries wait for language to achieve familiarity, Dictionary of the Future is there first, enabling readers to identify the latest trends across all dimensions of the culture. Turn its pages and you see the future taking shape, word by word, idea by idea. Organized by familiar categories such as the arts, corporate America, education, health and technology--and by provocative rubrics such as "New Behaviors" and "New Structures"--Dictionary of the Future includes newly minted language such as: Yogurt Cities: places with "active cultures" where baby boomers will retire Chimeraplasty: molecular messengers that will repair damaged genes Free-Range Children: new generation of kids raised without over-programming Dictionary of the Future is an extraordinary advance look at tomorrow. More than fascinating reading, more than a treat for anyone who loves words, it's filled with valuable insights that can change the way you think about your business, your career, your health and, oh yes, the world.
