From the author of the bestselling book *The Art of Songwriting* comes *The 30-Day Lyric Writing Challenge*: a thirty-day bootcamp expertly designed to take your lyric writing skills to the next level - in only ten minutes per day. You'll practice finding rhymes under pressure. You'll practice writing phrases that sound effortless and conversational. You'll practice opening up to connect more deeply with your audience. But most of all: unlike the usual songwriting drills and exercises these challenges aren't about colouring in between the lines. They're about drawing the lines - practicing the real-life skills every lyricist has to master to craft bold and meaningful lyrics. Are you a beginner songwriter looking to practice specific lyric writing techniques? Or a more experienced writer who wants to improve your skills for good? Take *The 30-Day Lyric Writing Challenge* and get ready to write smarter, faster and more confidently than you ever have before.

This Notebook with the lined left-hand pages for lyrics and ideas and the staffed right-hand pages for composing will be useful for all musicians, composers and songwriters. It is also the ideal tool for music students to improve their music learning. They will be able to take notes and comments during lessons on the left ruled pages and write music notes or transcribe music on the right staffed pages. Suitable for music college or university, high school music theory classes, for songwriting, piano, guitar violin and other instruments.

(Manuscript Paper). This specially designed, all-encompassing "note-taking" music manuscript paper was designed with music students and creators in mind. Unlike standard manuscript paper, it utilizes multifunctional work spaces to give users the freedom to merge musical notation with regular note-taking areas in thoughtful, hybrid layouts of musical staves, designated writing spaces, and piano/keyboard graphics. It includes a study guide, charts and scales, including: the grand staff * simple and compound meters * intervals * seventh chords * the circle of 5ths * major and minor scales * triads * functional chords * and more.
