

## The Tangled Web Daybreak Series Book 3

The town of Amalfi on Italy's beautiful Costiera Amalfitana becomes a place of fear and betrayal for Jerome Wakefield who has been living a sybaritic lifestyle as the author of two highly acclaimed but plagiarised novels. His attempt to avoid discovery of his imposture by moving to the town is rudely shattered by a chance occurrence that leads to blackmail and murder, but others are also out to expose him and he finds his life in great danger. Jake Melrose, who heads the giant American consortium Supascope Entertainments, and Lord Redstone, an English promoter of pop music, mirror Wakefield's own duplicity, while even his wife proves unfaithful as his life of ease begins to unravel towards its inevitable dénouement. Set in the 1970s, this novel may be as much about its readers as the characters in the story, for a large part of humanity was sold mechanically processed sub-musical rubbish both before and after the decade. How it was done is at the heart of this satire on the psychology of deceit and mass manipulation.

A headspinning thriller from crime writer Deon Meyer: the story of an ex-cop who has seven days to solve a seemingly unsolvable crime -- the answer to which lies in his own dark past. When Johannes Jacobus Smit, an antiques dealer, is found

burned with a blowtorch and killed execution-style with a single shot to the back of the head, former cop Zatopek "Zed" van Heerden is called in to investigate the unusual circumstances of the murder. Zed is still obsessed with the betrayals of his own past but must fill in the blanks of this victim's life. Who tortured and killed Smit, and who was Smit in the first place? Not the man whose papers he carries, that much is certain. Zed can never be sure of the loyalties of the people with whom he is dealing -- his own past reputation ensures that -- and he soon finds himself uncovering secrets that the security services of many countries would like left alone. "Exciting....A terrific ride on almost every level."-Chicago Tribune Journalist Danni St. John investigates sinister cult that is corrupting her hometown of Red Oak, Alabama. She must join forces with sheriff Logan McGarey whose past is as much a mystery as that of the cult leader she is investigating. Danni risks her life to uncover the truth about the evil menacing Red Oak and the lawman intent on capturing her heart.

Annelise loved the outdoors, animals, and art. As a teenager, her days were spent lying in the grass drawing her cat, or up in the trees studying the bugs that made their home in the leaves. She wanted to do them justice in her artwork. The young artist also loved to paint the flowers in the garden. Annelise captured everything in her sketch book except the horses in her life. As far as her equine

friends were concerned, there was no time to sit and draw; time with them was far too precious to waste. Her day at the barn flew by, brushing, feeding, bathing, and most important, riding. Now, years later, it saddened Annelise not to have a sketch some of her equine companions. Horses, like most other animals, rapidly disappeared during the early part of the twenty-first century, long ago cast out as an expensive nuisance and as a danger to the survival of humanity. Horses, no longer viewed as the sport of kings and a helper to man, were in danger of becoming a food source. Those seeking the perfect planet had eradicated the wondrous creatures that once lived freely and had such a symbiotic relationship of service with humanity. One law after another was enacted. First no animals within city limits, and then no animals within three hundred miles of any population center. Zoos were outlawed because they created too much pollution and used too much water. The only way to see a real animal, exotic or domesticated, was to drive to four central locations, mostly in the plains of the Midwest and the deserts of the far West. Animals were now kept in a handful of sanctuaries. Where had all of these crazy laws come from?

Having unexpectedly inherited a remote island mansion, Jessica Thornton moves there with her son, Splinter, hardly suspecting the surprises and danger that await them.

Whitney Sharyn, a frightened young deaf woman came to Shepherd Valley to escape the nightmare of her pasts when a suspicious stranger, Michael Devlin, a newcomer also claims he wants to help Whitney.

When Liora's brother is kidnapped as thinly-veiled trap, she follows with the intent of springing it on her own terms. But her plans fall away when she finds that the danger has a greater reach than she could have imagined. Waylaid and nearly dead, Liora finds herself fighting for not only her life, but for mortalkind. If she succeeds, she could thwart the paramount threat to the Macrocosm and those she loves; if she fails, mortalkind will fall at her side. Yet the price of survival may be far greater than Liora is willing to pay. "How far will you go to protect your human? How many lives will you take to save the one you love?" Liora spoke the truth she saw in the Cherum's gaze. "All of them."

Suggests that we read Friedrich Nietzsche from a different point of view, as a provocative writer who means to transform the way we view our lives. The author reminds us that Nietzsche is not a philosopher of abstract ideas but rather of the personal insight, the provocative challenge, the incisive personal probe.

Correspondence in the nineteenth century from members of the Dodd family to relatives and friends in Ireland, describing the countries and the society encountered.

When husband and wife sleuths Daniel and Jennifer Kane go to Derry Ridge, Kentucky,

for the Heritage Arts Festival, they become involved with its host, Mitch Donovan, whose close friend becomes the victim of a violent stalker

Specialized spy training in 1942 and subsequent dangerous secret missions across three continents result in a young man spinning a tangled web of deceit, which leads to unintended consequences for himself and others.

Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors®. Authors in this volume include: Janet Dawson Patrice Gaines Isabella Rossellini Markus Wolf

Religiously-inspired novels, inspirational writings and biographical works on people who are models for spiritual growth are among the recommendations found in this reference.

Award-winning author Catherine Palmer presents the first novel in another HeartQuest series. Fiery Elizabeth Hayes is determined to preserve Chalmers House, the Victorian mansion next to her growing antiques business. But Zachary Chalmers, heir to the mansion, has very different plans. Together they learn that God has the best plans of all—if we will only surrender to him.

Judy Baer, Jan Duffy, Peggy Stoks, and Jeri Odell Four complete novellas, each set in a different region of contemporary America. As couples are reunited, we learn how they've grown in their understanding of God and themselves.

One of the most interesting figures to emerge at the turn of the twentieth century was Ambrose Bierce, whose acerbic columns in the San Francisco Examiner spread his

fame as America's most bitter cynic and misanthrope, and whose disappearance into Mexico surrounded his name with an aura of mystery. Although best known during his lifetime for his journalism and always critical of his own writing—"the magnificent intention mocked by the actual achievement"—Bierce's fiction endures, especially his short stories about the Civil War. Originally published in the 1890s and rediscovered in the 1920s, the Civil War stories are filled with unsparing descriptions of death and suffering, disillusionment and fatalism. They also show a concern for form and craftsmanship, a controlled irony, and an economy of detail that are distinctly modern. In this pioneering study of Bierce's stories, Stuart Woodruff examines the best and worst of Bierce's fiction with clarity and excellent critical sense, and he traces the causes of Bierce's success and failure as a writer, analyzing his inability to reconcile the extremes of temperament and belief that marked his life and give his stories their characteristic form. Among the pieces discussed: "An Occurrence at Owl Creek Bridge," "The Mocking-bird," "One of the Missing," "Chickamauga," "Haïta the Shepherd," "What I Saw at Shiloh," and excerpts from *The Devil's Dictionary* and *Tales of Soldiers and Civilians*.

DIVMany bibliographers focus on women who write. Lawyer Barnett looks at women who detect, at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women*

These 366 daily affirmations and meditations extend support and wisdom to women who have survived childhood sexual abuse. These 366 daily affirmations and meditations extend support and wisdom to women who have survived childhood sexual abuse. With understanding, compassion, and strength, the author addresses issues such as intimacy, fear, play, sharing secrets, and anger. She also shares her personal knowledge of sexual abuse to illustrate that we can not only survive, but thrive.

Will former Detective Brendan Healy survive, and can Agent Jennifer Aiken finally expose the conspiracy which is exploiting young women and goes to the heart of government?

Impoverished by poor crops, William, one of two sons from a rural farm family in western England decides to go to sea, leaving behind his sweetheart, Ursula, in the care of Jack, his brother. Ill-treated by her father, Ursula first goes to Jack for sympathy, but a romance develops, and the tangled web resulting is finally unravelled in tragedy.

Daniel and Jennifer Kaine rely on their sleuthing skills and their faith in God to help protect two young children whose father has become involved in organized crime
