Rock 'n' roll, revolution, and romance are seductively woven together in this intense and moving novel from the author of *Twenty Fragments of a Ravenous Youth*. In her flat in north London, Iona Kirkpatrick sets to work on a new project translating a collection of letters and diaries by a Chinese musician. With each letter and journal entry, Iona becomes more and more intrigued with the unfolding story of two lovers: Jian, a punk rocker who believes there is no art without political commitment, and Mu, the young woman he loves as fiercely as his ideals. Iona cannot possibly know that Jian is mere miles away in Dover, awaiting the uncertain fate of a political exile. Mu is still in Beijing, writing letters to London and desperately trying to track Jian down. As Iona charts the course of their twenty-year relationship, from its early beginnings at Beijing University to Jian's defiant march in the Jasmine Revolution, her own empty life takes on an urgent purpose: to bring Jian and Mu together again before it's too late.

An evocative, heart-warming story of unfulfilled dreams and unrequited love. Based on the hit film screenplay by Charles Dance starring Judi Dench and Maggie Smith, and on the original short story by William J. Locke, *Ladies In Lavender* tells the tale of two sisters Ursula and Janet who live in a close-knit fishing village in picturesque Cornwall, in 1936. When a handsome and talented young Polish violinist bound for America is washed ashore, the Widdington sisters take him under their wing and nurse him back to health. The book follows the two children as they embark on an adventure, which begins with the discovery of a hidden witch's haven in a graveyard and Jordan's first encounter with the spirit world - but by know means the first for Sebastian. Then a haunted observatory on the outskirts of town yields a clue - a piece of an intriguing map leading to, what they believe to be, hidden treasure. After collecting the rest of the clues from around the town, Jordan and Sebastian search for the treasure, but instead of rubies, emeralds and gold doubloons, they find themselves lead to a doorway into another world, called the Phantom Realm.

Hybrid Hong Kong attempts to attract and excite the intellectual, cultural, economic and political elites as well as the intelligent laymen of Hong Kong - hopefully enough for them to take a closer look at their society - while engendering a public discourse on the city's identity, its past, present and future. Hong Kong is at its crossroads. With a colonial past and having been handed over, and back, to China in 1997, the city has since been going through a process of re-sinicization and re-integration (not entirely wanted) into the Pearl River Delta region of mainland China, all of which have far-reaching consequences for identity politics, culture, loyalty and attachment, and everyday livelihood. The hybridity concept offers an in-between space, and time, to narrate, describe and make sense of the many layers of entanglement of cultural, anthropological, economic and political forces that impinge, impact, sometimes confuse, even disturb, the everyday lives of the Hongkongers who have decided to call the city home. The book probes a range of sites and locales of a Hongkonger's natural habitat, including film and television, ethnicity, popular music videos, gay identities, fashion, art, theatre, Cantopop electronic dance music, museum, visual arts, the Muslim youth, food and cuisine, and Chinese and western

medicines. Based on ethnography, fieldwork and participant observation, Hybrid Hong Kong intends to display and explain hybridity as it is performed in the public as well as private spheres of city life. This book was originally published as a special issue of Visual Anthropology.

Why Women Mean Business takes the economic arguments for change to the heart of the corporate world. Fully updated in paperback, the book shows why getting gender right matters – as much when the economy's bust as when it's booming. A must-read, packed with ideas from companies that have made it work, views from top business leaders and step-by-step guides to how we can all become gender bilingual.

This book -- Miller's Review of Critical Vaccine Studies -- provides the other side of the story that is not commonly told. It contains summaries of 400 important scientific papers to help parents and researchers enhance their understanding of vaccinations. "This book should be required reading for every doctor, medical student and parent. Reading this book will allow you to make better choices when considering vaccination." --David Brownstein, MD "This book is so precise and exciting in addressing the vaccine controversy that I read it in one evening. I recommend this book to any parent who has questions about vaccines and wants to be factually educated to make informed decisions." --Gabriel Cousens, MD "Neil Miller's book is a tour de force and a clarion voice championing the cautionary principle: 'When in doubt, minimize risk.' Let's talk science. Read this book. The truth will keep you and your children protected." --Bradford S. Weeks, MD "Nowhere else can one find such an organized and concise compilation of research on vaccines. Not only does Miller have a deep understanding of science and the issues at hand, he has made this book easy to reference and cite. Truly, there is no other guide out there quite like it. For everyone who contacts me in the future seeking scientific evidence about vaccines, I will recommend Miller's Review of Critical Vaccine Studies." --Toni Bark, MD, MHEM, LEED AP, previous Director of the pediatric ER at Michael Reese Hospital "Miller's Review of Critical Vaccine Studies is the most comprehensive and coherent accumulation of peer-reviewed research on vaccine issues and natural immunity I have ever come across. A New York Review Books Original Hav is like no place on earth. Rumored to be the site of Troy, captured during the crusades and recaptured by Saladin, visited by Tolstoy, Hitler, Grace Kelly, and Princess Diana, this Mediterranean city-state is home to several architectural marvels and an annual rooftop race that is a feat of athleticism and insanity. As Jan Morris guides us through the corridors and quarters of Hav, we hear the mingling of Italian, Russian, and Arabic in its markets, delight in its famous snow raspberries, and meet the denizens of its casinos and cafés. When Morris published Last Letters from Hav in 1985, it was short-listed for the Booker Prize. Here it is joined by Hav of the Myrmidons, a sequel that brings the story up-to-date. Twenty-first-century Hav is nearly unrecognizable. Sanitized and monetized, it is ruled by a group of fanatics who have rewritten its history to reflect their own blinkered view of the past. Morris's only novel is dazzlingly sui-generis, part erudite travel memoir, part speculative fiction, part cautionary political tale. It transports the reader to an extraordinary place that never was, but could well be.

This is followed by recipes gathered from the North Carolina Cherokee community (including yellowjacket soup, blood pudding, hominy corn drink, baked squirrel, and hickory nut soup). A description of Cherokee food customs follows. This is a fascinating booklet that provides valuable food lore for the adventuresome gourmet or the student of Native American history.

Since 1985, White Cliffs Media has been one of the best resources available for quality information about world music. While other companies focus on flashy marketing and quick compilations, we focus on the hard and detailed work of finding the best scholars and performers in various traditions. We are proud to have worked with some of the best traditional African artists bar none, including Abubakari Lunna and Godwin Agbeli. We are equally proud of the new artists we're adding to our roster. Arthur Hull is an important figure not only among drummers, but in modern culture in general. He spreads the love of rhythm and community wherever he goes. Omar Thiam is a consummate artist of the Serer people, one of the most ancient ethnic groups of Senegal. This "tambour majeure" (drum major) of Kaolack has an international reputation as a master of Sabar drum, dance, and song. Vietnamese scholar and performer Phong Nguyen completed a prize-winning dissertation at the Sorbonne, and we are lucky to work with him on an important new series on Vietnamese music. White Cliffs' mission is to share the love of music, drumming, and the sense of community it brings. As Arthur Hull says, "Share the spirit".

In the summer of 1943, as World War II rages on, Ben MacCarthy is haunted by the disappearance of his wife, the actress Venetia Kelly. Searching for purpose by collecting stories for the Irish Folklore Commission, he travels to a remote seaside cottage to profile the enigmatic Miss Kate Begley, the Matchmaker of Kenmare. Ben is immediately captivated by her, and a powerful friendship is forged. But when Charles Miller, a handsome American military intelligence officer, arrives on the scene, Miss Begley looks to make a match for herself. Miller needs a favor, but it will be dangerous. Under the cover of their neutrality as Irish citizens, Miss Begley and Ben travel to London and effectively operate as spies. As they are drawn more deeply and painfully into the conflict, both discover the perils of neutrality—in both love and war. Steeped in colorful history, The Matchmaker of Kenmare is a lush and surprising novel, rich as myth, tense as a thriller, and, like all grand tales, harrowing, sometimes hilarious, and heartbreaking.
