A blackout band traps Arden in her district, but as sister to the leader of the most powerful gang in Undercity, she has access to the Above. There she meets Dade, one of the few lucky enough to be born into the sun-kissed families who reside in the towers soaring above the rest of the city. But life isn't perfect in the sky. Dade, desperate to escape his upcoming arranged marriage, has a secret of his own, and he's willing to risk everything for it. An unlikely romance develops between the two teens—but their love faces opposition from above and below. My name is Evie Claremont and this was to be the making of me—my freshman year of college. I'd been hoping that once I'd arrived on Crestwood's campus, the nightmare that I've been having would go away. It hasn't. I may be an inexperienced seventeen-year-old, but I'm grounded...sane. I look for rational explanations to even the strangest circumstances. Since meeting sophomore Reed Wellington, however, nothing makes any sense. Whenever he's near, I feel an attraction to him—a magnetic kind of force pulling me towards him. I know what you're thinking...that sounds fairly awesome. Yeah, it would be...if he liked me, but Reed acts as if I'm the worst thing that has ever happened to Crestwood...or him. But get this, for some reason every time I turn around he's there, barging into my life. What is the secret that he's keeping from me? I'm hoping that it's anything but what I suspect: that he's not exactly normal...and neither am I. So, maybe Crestwood won't be the making of me, but it could be the breaking of me. I've been left to wonder if the dark future my dream is foretelling is...inescapable.

I gasp as my body curls toward Brennus like a flower to the sun, for the pleasure of it. He holds me close to him. His nose grazes the length of my neck. He breathes me in. I feel the roar and rush of my heartbeat. I'm his toy; his energy streams into me. He winds the invisible key in my back and the euphoria ratchets and coils inside of me:

tick...tick...tick...Another wicked surge of energy flows from him into me. Pain. Pleasure. Bliss. My jaw unclenches as my lips part. I make a small, breathy sound as we dance. Brennus responds with something close to a growl. "Ye're killing me, mo chroí," he murmurs. His hand moves down my back infusing me with a golden glow of power. My wings punch violently from me, tearing a hole in my day dress. They spread wide, like a red stain beyond my pale skin. I'm dancing now for the thrill of it. I follow his lead. As the song comes to an end, Brennus kisses my throat. He whispers in my ear, "When ye get back, come find me, mo chroí. I've healed ye...now wake up and banjax whoever banished ye here..."

A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

When Justinian became sole ruler of the Byzantine Empire in A.D. 527, he ordered the preparation of three compilations of Roman law that together formed the Corpus Juris Civilis. These works have become known individually as the Code, which collected the legal pronouncements of the Roman emperors, the Institutes, an elementary student's textbook, and the Digest, by far the largest and most highly prized of the three compilations. The Digest was assembled by a team of sixteen academic lawyers commissioned by Justinian in 529 to cull everything of value from earlier Roman law. It was for centuries the focal point of legal education in the West and remains today an unprecedented collection of the commentaries of Roman jurists on the civil law. Commissioned by the Commonwealth Fund in 1978, Alan Watson assembled a team of thirty specialists to produce this magisterial translation, which was first completed and published in 1985 with Theodor Mommsen's Latin text of 1878 on facing pages. This paperback edition presents a corrected English-language text alone, with an introduction by Alan Watson. Arab Revolt against the Turks in World War I was, in the words of T. E. Lawrence, “a sideshow of a sideshow.” As a result, the conflict was shaped to a remarkable degree by a small handful of adventurers and low-level officers far removed from the corridors of power. At the center of it all was Lawrence himself. In early 1914 he was an archaeologist excavating ruins in Syria; by 1917 he was riding into legend at the head of an Arab army as he fought a rearguard action against his own government and its imperial ambitions. Based on four years of intensive primary document research, Lawrence in Arabia definitively overturns received wisdom on how the modern Middle East was formed.

On Transition Day, the second child in every family is taken by the government and forced into servitude. Roselle St. Sismode's eighteenth birthday arrives with harsh realizations: she's to become a soldier for the Fate of Swords military arm of the Republic during the bloodiest rebellion in history, and her elite firstborn mother is happy to see her go. Televised since her early childhood, Roselle's privileged upbringing has earned her the resentment of her secondborn peers. Now her decision to spare an enemy on the battlefield marks her as a traitor to the state. But Roselle finds an ally--and more--in fellow secondborn conscript Hawthorne Trugrave. As the consequences of her actions ripple throughout the Fates Republic, can Roselle create a destiny of her own? Or will her Fate override everything she fights for--even love?

As conspiracies rage in the war for Ethar, Cricket's so-called allies want to use her as a spy. Even those held closest cannot be trusted--including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Cricket's resolve will not allow her to be used as anyone's pawn, even as the Brotherhood sharpens its plans to cut out her heart. As the destiny prophesied by her mother approaches, Cricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.

I hang my head in sorrow for just a moment when I know I am truly alone. I feel like I'm going to my execution, just as he had said. Then I move forward again. I hop a fence of fieldstone and cross a field dotted with Queen Anne's lace. Goose bumps rise on my arms as I pass the cluster of windmills that I have seen in a dream. The scent is sweet in the field though, not the scent of heat, like it had been when it was forced upon me in visions. I gaze down the hill, beyond the small, whitewashed house that I knew would be there. The church looms dark and grim with its rough-hewn, timber façade, capped by tall, oblong spires reaching to the sky. Black, ominous clouds have collected above the roofline, as if Heaven is showing me the way.

Cold, fine drops of rain fall softly on my cheeks as I emerge from the darkness of the ship's interior to the gray, overcast sky of the main deck. Pulling my dark pea coat tighter to my body, the wind lifts red tendrils of my hair. I walk slowly to the railing overlooking the water. I catch my first sight of the Irish coastline; its craggy landscape makes me shiver in dread. I find it difficult to imagine now how the Gancanagh had made this their home for so long without anyone realizing it. The cold, moss-covered edifices practically scream their presence. As I study the shadows between the falling-down stone, I imagine creeping shapes of undead Faeries grasping the rock, waiting for our ship to draw nearer to their position. Tipping my face up, I let the rain wash over me. It bathes away the frigid sweat of fear that has broken on my brow. "You don't know how fiercely beautiful you are, do you?" A quiet voice behind me asks, causing me to stiffen and fix my eyes on the rocks along the shoreline.

When mysterious forces lead to disappearances throughout Balavata, Blue and Kellan must work together to find the truth. What they discover will lead them to the darkest reaches of the kingdom, and to the most painful moments of their pasts. When romance is forbidden and evil is rising, can Blue save those she loves, even if it costs her everything?

In the second book in *The Hundredth Queen Series*, Emily R. King once again follows a young warrior queen's rise to meet her destiny in a richly imagined world of sorcery and forbidden powers. Though the tyrant rajah she was forced to marry is dead, Kalinda's troubles are far from over. A warlord has invaded the imperial city, and now she's in exile. But she isn't alone. Kalinda has the allegiance of Captain Deven Naik, her guard and beloved, imprisoned for treason and stripped of command. With the empire at war, their best hope is to find Prince Ashwin, the rajah's son, who has promised Deven's freedom on one condition: that Kalinda will fight and defeat three formidable opponents. But as Kalinda's tournament strengths are once again challenged, so too is her relationship with Deven. While Deven fears her powers, Ashwin reveres them—as well as the courageous woman who wields them. Kalinda comes to regard Ashwin as the only man who can repair a warring world and finds herself torn between her allegiance to Deven and a newly found respect for the young prince. With both the responsibility to protect her people and the fate

of those she loves weighing heavily upon her, Kalinda is forced again to compete. She must test the limits of her fire powers and her hard-won wisdom. But will that be enough to unite the empire without sacrificing all she holds dear?

"In a kingdom at war, the princess discovers a devastating truth and might be the key to saving not only those closest to her, but the kingdom itself, if she reveals the very secret that could destroy her"--

Love left me of its to-do list. I date. I'm all for giving guys a chance. I've just never met the one. Until on a spring morning in the English countryside, a tall, dark stranger emerges from the mist. Logan Steele is all tousled hair, hard chest and lips so perfect I want to reach out and touch them just to check they're real. I'm sure that's a thunderclap of chemistry I feel between us. Did I mention he's an Earl with a self-made fortune? A billionaire who works tirelessly for charity? And he's so hot, watching him is like staring at the sun. But like I said, love isn't rooting for me. When I find out Logan Steele is out to destroy everything I've dedicated my life to protect, the chemistry disappears and the hope that had blossomed my chest turns to rage. It no longer matters that he quickens my pulse just saying my name, weakens my knees with a single touch and that he might just be the greatest kisser that ever lived. I might believe in love but Logan Steele is definitely not the one. A standalone romance.
