What do leaders and executives do to keep improving their performances and maintain momentum? They go back to the basics. Fundamentals are the glue - communicating, listening, questioning, inspiring followers, being accountable, and delegating. These essentials are the change agents for leaders with a desire to succeed. In Leadership Skills That Inspire Incredible Results Halstead gives readers the same advice, guidance, and techniques he offers his clients. He outlines the skills needed to be an effective leader and provides techniques augmented by real-world examples from companies that include Spotify, Clif Bar & Company, Honeywell, and Eileen Fisher. Learn how to: Hone others' critical thinking through insightful powerful questions Inspire followers Fearlessly delegate with mindful purpose Create a culture of accountability Readers will see how the development of these skills demonstrates respect for others that will inspire them to tackle goals and produce results previously thought impossible. It shows professionals at all levels how to improve these skills to create greater success for them, their team, and their entire organization.

Daft and Marcic's action-first approach turns the traditional learning model on its end. Instead of starting with concepts and moving to application, this text starts with application, an introductory problem or challenge that encourages you to first empty out your ideas so you are ready to understand new ideas and acquire new skills. Each chapter provides a menu of resources for engagement, application, and learning, everything you need to develop the spot-on management skills you'll need to be a successful manager. This new learning philosophy leads you through a seven-step learning process: 1. Manager Challenge, 2. Initial Response, 3. Discover Yourself, 4. Discover Knowledge, 5. Action Learning Exercises, 6. Test Your Mettle, and 7. Personal Skills Log. Shorter, highly-focused chapters take you through each of these seven steps, allowing you to capture the essence and critical points for each topic. The mass of research material has been condensed and focused into discrete learning packages (chapters) designed specifically for engagement. BUILDING MANAGEMENT SKILLS offers a unique new set of Challenge Videos that are specifically designed to help develop your decision-making and thinking skills. After you watch the video challenge you are asked to respond to the challenge by solving the problem, helping you see the relevance of the chapter material and answering the question Why do I need to know this material?. These innovative, decision-making Challenge Videos are also available in CengageNOW. Organized around a new learning philosophy, with new technology and a coherent learning package for you to acquire management skills through an active first do, then learn approach, Daft and Marcic have created a truly unique learning experience with BUILDING MANAGEMENT SKILLS. *Lessons for leaders on resolving the ongoing struggle between instinct and the creative mind* Kings, heads of government, and corporate executives lead thousands of people and manage endless resources, but may not have mastery over themselves. Often leaders know that right action is important, but have little (if any) understanding of what prevents them from acting in accordance with their intentions. In this important book, leadership expert Richard Daft portrays this dilemma as a struggle between instinct (elephant) and intention (the executive) using the most current research on the intentional vs. the habitual mind to explain how this phenomenon occurs. Based on current research and real-life examples Offers leaders a method for directing themselves more productively Written by an expert in leadership, organizational performance, and change management Through real-life examples and recent studies in psychology, management and Eastern spirituality Daft provides guidance to all of us who struggle finding our own balance and cultivating the behavior of others.

The intimate biography of the iconic DJ who was lost too soon. Tim Bergling was a musical visionary who, through his sense for melodies, came to define the era when Swedish and European house music took over the world. But Tim Bergling was also an introverted and fragile young man who was forced to grow up at an inhumanly fast pace. After a series of emergencies resulting in hospital stays, he stopped touring in the summer of 2016. Barely two years later, he took his own life. *Tim - The Biography of Avicii* is written by the award-winning journalist Måns Mosesson, who through interviews with Tim's family, friends and colleagues in the music business, has intimately gotten to know the star producer. The book paints an honest picture of Tim and his search in life, not shying from the difficulties that he struggled with.

The market-leading textbook for principles of management courses reaches a new level with Richard L. Daft being joined by Martyn Kendrick and Natalia Vershinina (both Leicester Business School) to provide an unparalleled resource for students in Europe, the Middle East and Africa (EMEA). After listening to the requirements of lecturers, the authors have maintained the same comprehensive coverage and structure of the original work but carefully threaded in new EMEA and wider global examples and theory throughout. A new running case on IKEA allows students to track their understanding throughout the course, while a new text-opening case study on managing in times of turbulence ensures learning is mapped directly against modern business challenges.

MANAGEMENT, 12E includes several innovative pedagogical features to help students understand their management capabilities and learn what it's like to manage in an organization today. Each of the 19 chapters begins with an opening questionnaire that engages the reader's interest, directly connects to the topic of the chapter, and enables students to see how they respond to situations and challenges that real-life managers typically face. A New Manager Self-Test in each chapter provides students with further insight into how they would function in the real world of management. The Remember This bullet-point summaries at the end of each major chapter section give students a snapshot of the key points and concepts covered in that section. The end-of-chapter questions have been carefully revised to encourage critical thinking and application of chapter concepts, and Small Group Breakout exercises give students the opportunity to apply concepts while building teamwork skills. Ethical dilemmas, all-new end-of-chapter cases, and a fully updated set of On the Job video cases help students sharpen their diagnostic skills for management problem solving. The chapter sequence in MANAGEMENT is organized around the management functions of planning, organizing, leading, and controlling. These four functions effectively encompass management research and the characteristics of the manager's job.
