Drew Maddox is a rough Private Investigator who believes what his eyes can see and his senses feel. He has very little use for imagination and flights of fantasy annoy him, yet when a naked woman suddenly appears on the road in front of his truck it sends his brain tumbling and his life into a spiral of myth he can barely comprehend. Pandimora wears her name well, causing her own flurries of Pandemonium just by existing. Born to a mother rumored to have the madness in her, Pandimora is different than most fairies in the Realm of Aisywel. She has little regard for the incredible histories of her people, nor of the supposed rules. While not an outright rebel, she skirts the laws of Faerie propriety, but no more so than when she overhears a conversation her ears should never have found. A high elder, one of the strongest and most magical of her people has committed a crime - and now he knows that she has heard, and seen him. Pandimora has fled, but not before the elder, Lukais wraps his dark tentacles of power around her, poisoning her and barring the doors to her realm - forever. Hurt and grieving, Pandimora awakens on a snowy road - moments from being hit by Drew Maddox's fast moving truck. Her senses muddled, her powers muffled and her entire sense of self shaken, Pandimora reaches out to Drew in desperation, finding in him the young boy she once danced with in a field. With cord of attachment fully realized between them, Faerie magic is at play, pulling them both deep into a mire of intrigue and deceit - one that sets this unlikely pair against an entire realm of mystical beings with their own rules, trials and meanings. "Find Me" is Book One in the new Faeries Lost Trilogy - an epic journey into the center of the unknown and the hearts of two souls that can never be.

Imagine: You arrive to college on the first day, ready to meet your roommate in the girl's dorm. A huge mistake puts you into the male dorm. Your roommate? He's DJ Dalton, football star and campus celebrity extraordinaire. You can look, but you can't touch. Because the prettiest packages come with the biggest consequences...Is he panty-meltingly handsome with an attitude to match? Sure. Do I accidentally fantasize about him one (okay, maybe two) times? Fine, I'm honest enough to admit it. None of that matters, because we're opposites in all the ways that are important for getting along as college roommates: He comes from a perfect life and old money. I come from a broken home and bowls of ramen. He's at Greene State to party. I'm here to study. He's a popular jock. I wouldn't be caught dead playing sports. To say we get off to a rocky start would be an understatement. Ironically, that's what causes our sizzling attraction to boil over one night. But even that comes at a price. Because our story has a twist neither of us could see coming. One that changes both of our lives, 'till death do us part.

The smell of hope is burning flesh... The howlers are eating each other. What is left of humanity has a chance to breathe

at last. Each group that forms has to consider how they will begin anew. They must come together on how to take care of the remaining monsters, grow food, teach kids, and deal with their dead...or fall apart in the pitted wasteland left to them by the zombie apocalypse. Can humanity get it right this time? Or will the last human become The Last Zombie? When Aislinn Amon's father disappears, her mother drags her from New York to Indiana where she is to attend a new boarding school - Source High. At Source High, Aislinn finds herself in a whole other world than what she knew. Everyone has something supernatural about them, including her. Soon, she finds that she's not the normal, rebel, messed up teenage girl she thought she was. Her friends try to help her along the way when trouble comes knocking on her door. People die, she finds herself falling in love with, something she swore she'd never do, and secrets start to form. Can Aislinn cope with everything that's happening? Can she handle the life she's been forced to deal with? Or will she crack under the heavy pressures laid upon her seventeen-year-old shoulders?

Lord Branin of the dragshi, is more than just a man, but two beings—one a dragon, the other a human. The pair share one body in space in time and are able to change forms with the other at will. From the time Branin's twinned soul, Llewlyn, awoke, Branin knew the freedom of flight. However, being a shifter comes with a price. Branin and Llewlyn are the only two of their kind who have not found their intended mates, despite millennia of waiting... and searching. The red-haired firebrand, Broch of Ky'Port plans to fill that position in Branin's life—with or without his cooperation. For eons, he fears he would never find a woman with her own dragon soul partner—until one day another's mind touched his. Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

All Isla Macallen wanted was a simple existence on her little Scottish island—but what she got was embroiled in a war of good versus evil. Paranormal investigator Dr. Jeremiah Rousseau doesn't expect his research to lead him to Scotland, and to the woman who will turn his world upside down. Together they must defeat the demon king before time runs out. As a supernatural war wages around them, Isla and Jeremiah will risk it all for love.

An ancient war flares to life, and Grace is caught in the crossfire. All she wanted was to put her past behind her and put her life on track. Get a degree, a nice job, maybe a family. Instead everything she's ever been taught is called into question. The enemy is older than Rome, hiding on Earth, and not fully in control of powers that could destroy the planet. But in the middle of strife and risk, there is also opportunity - and Grace's feet are set on a path to become more than she ever dreamed.
