The rise of collective violence and genocide is the twentieth century's most terrible legacy. Martha Minow, a Harvard law professor and one of our most brilliant and humane legal minds, offers a landmark book on our attempts to heal after such large-scale tragedy. Writing with informed, searching prose of the extraordinary drama of the truth commissions in Argentina, East Germany, and most notably South Africa; war-crime prosecutions in Nuremberg and Bosnia; and reparations in America, Minow looks at the strategies and results of these riveting national experiments in justice and healing.

A GOOD MORNING AMERICA BOOK CLUB PICK "Meet Tomi Adeyemi—the new J.K. Rowling. (Yep, she's that good)." —Entertainment Weekly After battling the impossible, Zélie and Amari have finally succeeded in bringing magic back to the land of Orïsha. But the ritual was more powerful than they could've imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too. Now, Zélie struggles to unite the maji in an Orïsha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Orïsha, Zélie must fight to secure Amari's right to the throne and protect the new maji from the monarchy's wrath. With civil war looming on the horizon, Zélie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Orïsha tears itself apart. Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi's New York Times-bestselling debut Children of Blood and Bone, the first book in the Legacy of Orïsha trilogy. Praise for Children of Blood and Bone: "Poses thought-provoking questions about race, class and authority that hold up a warning mirror to our sharply divided society." —The New York Times

"Tense and evocative . . . Despite its powerful social critique, Vengeance is cautious and prismatic, openly troubled by its own claims to authority." —Katy Waldman, *The New Yorker* As the narrator attempts to sort out what happened in King's life—paying visits to his devoted mother, his estranged young daughter and her mother, his girlfriend, his brother, and his cousin—the writer's own sense of identity begins to feel more and more like a fiction. He is one of the "free people" while Kendrick, who studies theology and philosophy, will never get his only wish, expressed plainly as "I just need to get out of here." The dichotomy between their lives forces the narrator to confront the violence in his own past, and also to reexamine American notions of guilt and penance, racial bias, and the inherent perversity of punitive justice. It is common knowledge that we have an incarceration crisis in our country. Vengeance, by way of vivid storytelling, helps us to understand the failure of empathy and imagination that causes it.

"A kickass heroine, a dominant alpha hero, and a twisty plot add up to a steamy, high-action romantic suspense that'll keep you reading through the night!" ~ Anna Zaires, *New York Times* bestselling author They call him the executioner. Some say monster. Dishonorably discharged from the military, Cain Master runs a highly secret, clandestine operation, and has everything I need to find the justice I crave. Power players at his disposal. An insatiable hunger for justice. A reckless disregard for the law. But when his own family becomes embroiled in a wicked play for power, he needs me as well. I offer him my skills, but that's not what he wants. He wants me. And Cain Master always gets what he wants. Please note: Vengeance is book one in the Master's Protégé duet. It is not a stand-alone novel.

A fate worse than death . . . Bastien Cabarro survived the brutal slaughter of his entire family only to have his wife pin their murders on him. Made Ravin by The League, he is now a target for their assassins-in-training to hunt and kill. The average life expectancy for such beings is six weeks. But defying the odds is what this Gyron Force officer does best, and Bastien won't rest until he lays his betrayers in their graves. Ten years later, he has one chance to balance the scales of justice, provided he relies on his former wingman—the very sister of the woman who testified against him. Major Ember Wyldestarrin joined the outlaw Tavali the day Kirovar fell into the hands of a tyrant, and she and her team were left on an outpost to die under the barrage of enemy fire. The last thing she wants is to be involved in politics again. But if she doesn't bring Bastien in, her sister will pay the ultimate price. Now she has to find some way to betray her former wingman before he catches on and kills her. Even so, treachery doesn't come easy to a woman who took a loyalty oath to protect her homeworld and comrades-in-arms, especially when Bastien means more to her than just another partner. Yet as she tries to do right for her family, she learns that Bastien doesn't just hold the key to the fate of Kirovar, he is vital to The Sentella-League war, and to The Tavali. If she hands him over, three nations fall. If she doesn't, her entire family dies. Their fates are all in her hands, and time for all of them is quickly running out in *Born of Vengeance*, the next *League: Nemesis Rising* novel

The fourth thrilling title in Simon Scarrow's epic, bestselling Gladiator series Marcus may be free from the brutal training regime of the gladiators but he will not rest until he finds his mother. With his old friends Festus and Lupus at his side, and a letter from Caesar instructing all who cross his path to help him, he begins his journey. He is going back to the lands where he lived as a slave boy: the remote farming estate of the savage Decimus. Yet Ancient Greece is ruled by deceit and corruption. Many do not want to see Marcus succeed. Many more would rather see him dead. As the most powerful men in the country plot against him, is it finally over for the son of Spartacus? Simon Scarrow will do for boy gladiators what J. K. Rowling did for boy wizards - Waterstones.com The perfect introduction to Roman history and gladiators for young readers - great for fans of Rick Riordan's Percy Jackson and J. K. Rowling's Harry Potter. Simon Scarrow was born in Africa and lived in a number of countries, including Hong Kong and the Bahamas before settling in Britain. He has always been interested in writing and his love of history began at school, in particular when he was being taught about the ancient world by his Latin and History teachers. Since then he has travelled with his wife and children across the world to Italy, Greece, Turkey, Jordan, Syria and Egypt to research his historical novels. Simon was an enthusiastic teacher for a number of years. He now writes full time, but does intend to return to teaching when he can find the time.

From New York Times and USA Today bestselling author Rebecca Zanetti comes a new story in her Dark Protectors/Rebels series... Vengeance and revenge are the only forces driving vampire soldier Noah Siosal since losing his brother to an enemy he's been unable to find. He's searched every corner of the globe, going through adversaries and piling up bodies until finally getting a lead. The last place he wants to be is in a ridiculous anger management group with people expressing feelings instead of taking action. Until one fragile human, a green-eyed sweetheart being stalked by danger, catches his eye. One touch, and he realizes vengeance can't be anywhere near her. Anger and self-preservation are the only motivations Abby Miller needs or wants right now. Falsely accused of attacking the man who's terrorized her for years, she's forced as a plea bargain to attend an anger management counseling group with people with some serious rage issues, while learning true self defense on the side. Yet a man, one more primal than any she's ever met, draws her in a way and into a world deadlier than she's ever imagined. He offers her protection, but she finds the fight is really for his heart, and she's ready to battle. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

After years of sacrifice as the ultimate femme fatale, she's prepared to give up everything to find justice. But suddenly that's not such an easy choice anymore, because now she has more to lose than she ever thought possible: her freedom, the family she's always longed for...and the wounded warrior who's stolen her heart. Now she's coming after them. Marcus Laidlaw survived captivity, torture and certain death because of a Valkyrie. Now his solitary existence has been turned upside down by a team of them determined to hunt down the corrupt government officials who stole their lives. He'll do whatever he can to protect them, but there's one Valkyrie he'd do anything for—a brave, beautiful survivor who showed him what it means to live again. And when the unknown threat hovering over them is finally revealed, Marcus will be forced to do the unthinkable to save the woman he loves.

In this "relentlessly gripping, brilliant" epic fantasy (James Islington), an ousted queen must join forces with a young warrior in order to reclaim her throne and save her people. Tau and his Queen, desperate to delay the impending attack on the capital by the indigenous people of Xidda, craft a dangerous plan. If Tau succeeds, the Queen will have the time she needs to assemble her forces and launch an all out assault on her own capital city, where her sister is being propped up as the 'true' Queen of the Omehi. If the city can be taken, if Tsiora can reclaim her throne, and if she can reunite her people then the Omehi have a chance to survive the onslaught. When he is wrongfully implicated in a terrorist attack that interrupted his rendezvous with his dishonored spy wife, physician Jonathan Ransom tries to clear his name, but discovers that he may be a pawn in an international plot.

In 1972, 11 Israeli athletes were murdered at the Munich Olympics. This is the chilling account of how they were avenged. First published in 1984, George Jonas's #1 bestseller Vengeance has become a real-life espionage classic. The story of five ordinary young Israelis whose mission it was to hunt down and kill the terrorists responsible for the massacre of eleven athletes at the 1972 Munich Olympics, Vengeance plunges the reader into an explosive world of terrorism and political murder. This is an account of what happened when five idealistic volunteer agents were sent to track down and kill the central figures of the PLO's Munich operation, told from the point of view of "Avner," a member of the team chosen to avenge the monstrous crime, and the first Mossad agent to come out of "deep cover" to tell his story. His description of the mechanics, the horrors and the unrelenting suspense of this mission surpasses the wildest fabrications of today's blockbuster movies and bestselling crime thrillers. As these men moved from country to country, changing identities and risking their lives, they soon became targets themselves—tracked, hunted and even killed. A profoundly human story, Vengeance explores firsthand the revulsion and doubt that came to torment the Israeli agents, inexorably changing their view of the mission and ultimately how they felt about themselves. It is also a stark examination of the timeless concerns that continue to plague our consciousness today: the nature of good and evil, and the difference between right and wrong.

A dark, twisty thriller about a centuries-old, ivy-covered boarding school haunted by its history of witchcraft and two girls dangerously close to digging up the past. The dangerous romance and atmospheric setting makes it a perfect read for fans of dark academia. Felicity Morrow is back at the Dalloway School. Perched in the Catskill Mountains, the centuries-old, ivy-covered campus was home until the tragic death of her girlfriend. Now, after a year away, she's returned to finish high school. She even has her old room in Godwin House, the exclusive dormitory rumored to be haunted by the spirits of five Dalloway students—girls some say were witches. The Dalloway Five all died mysteriously, one after another, right on Godwin grounds. Witchcraft is woven into Dalloway's past. The school doesn't talk about it, but the students do. In secret rooms and shadowy corners, girls convene. And before her girlfriend died, Felicity was drawn to the dark. She's determined to leave that behind now, but it's hard when Dalloway's occult history is everywhere. And when the new girl won't let her forget. It's Ellis Haley's first year at Dalloway, and she has already amassed a loyal following. A prodigy novelist at seventeen, Ellis is a so-called method writer. She's eccentric and brilliant, and Felicity can't shake the pull she feels to her. So when Ellis asks Felicity to help her research the Dalloway Five for her second book, Felicity can't say no. Given her history with the arcane, Felicity is the perfect resource. And when history begins to repeat itself, Felicity will have to face the darkness in Dalloway—and herself.

When a British tourist fails to turn up for a luxurious cooking vacation in the idyllic village in the south of France that Bruno Courrèges calls home, the chief of police is quickly on the case. Monika Felder is nowhere to be found, and her husband, a retired British general, is unreachable. Not long after Bruno discovers that Monika was traveling with a mysterious Irishman with a background in intelligence, the two turn up dead. Was she running away? How much does her husband really know? Meanwhile, the star of the girls' rugby team is pregnant, jeopardizing her chances of being named to the French national squad. Bruno's search for the truth in both cases leads him in some unexpected directions--but as ever, he and his friends find time along the way to savor the culinary delights of the region.

Story of the man who was sent to avenge the Israeli athletes murdered in 1972 by PLO.

The novel that inspired the TV series Moonlight puts a twist on the classic Dracula vampire tale and blends it with Chandler hardboiled P.I. detective fiction. LA-based P.I. and vampire Mick Angel has been hired by a beautiful red-headed burlesque dancer to find her missing sister. But the apparently simple case of a teenage runaway is soon complicated by drug dealers, persistent cops, murder, and Mick's own past. Mick must learn the hard way what every vampire should know - nothing stays buried for ever, especially not the past.
