

Viking Queen A Reverse Harem Romance Her Warriors Book 1

Love. Honor. Protect. As an Environmental Studies major, Allie knows the planet is in trouble—a series of natural disasters recently rocked the northern hemisphere, and species across the globe are going extinct. What Allie doesn't know is that her world's decline is a result of an ancient battle called the Night War—the Norse goddess Nott's crusade to control the weakest of the light realms. And Allie most definitely doesn't know that her existence is the only thing stopping Nott from dragging the earth into total darkness. When four gorgeous guys show up claiming to be Allie's Asgardian protectors, she thinks they're delusional. And when they order her to hunt down the pieces of an immortal weapon, she's convinced they're insane. But when Allie's attacked, the guys' crazy stories of demigods and dark elves begin coming together. And Allie's not sure what scares her more—losing her life to the Goddess of Night . . . or losing her heart to one of her protectors. Let the hunt begin.

Three gorgeous shifters. A queen on the run. One thrilling Scottish adventure. The king is dead, I've run away from my throne, and my new husband is hunting me down. My name is Annalise, and I am a runaway queen. But I'm not abandoning my people. I've just found out that I'm the supposed key to unleashing a dark magic upon the world...and I've learned this from my pet leopards nonetheless. I'd try to explain, but I don't think that will make things any less confusing. Now, I must journey to Scotland with three massive, and ridiculously beautiful, shifters in tow to try to convince Roan's kin to help us defeat my husband. I have a lot to learn and long ways to go. I don't know how I'm going to do it, but I am determined to make it with the help of Li, Ero...and Roan. Roan. My green-eyed leopard. My redheaded lover. My highlander. HER HIGHLANDER is a full-length slow-burn reverse-harem fantasy novel and the second in the Royal Shifters series. The Complete Royal Shifters Series: Book One: Her Betrothal Book Two: Her Highlander Book Three: Her Viking Book Four: Her Warrior Book Five: Her Prophecy Space Viking Vengeance is a strange human motivation—it can drive a man to do things which he neither would nor could achieve without it ... and because of that it lies behind some of the greatest sagas of human literature!

Once a human, now a fae princess, destined to be queen. Layanna Fairling has never belonged to her village, and yet, when it's threatened by a tyrant who wants her dead, she knows she has to protect it. Three mysterious strangers who claim Layanna is a changeling and future ruler of the Seelie Court arrive to aid her. They also claim that the only way of saving her village is by overthrowing the Unseelie tyrant who inherited the throne from his evil father when he slew her real parents, the Fae King and Queen of Althea. The tyrant's greed and violence threaten to tear apart the kingdom she never knew existed, leaving Layanna with a simple choice. Overthrow the handsome and powerful tyrant, or lose everyone and everything she loves. Keywords: Dragons, epic fantasy, fae, sword and sorcery, historical fantasy, romantic fantasy, enemies to lovers, fantasy, witches and wizards.

An ancient prophecy. A blood feud. And a heart-wrenching betrayal. Sanura will do whatever she must to return to Egypt, save her brother, and become queen. But three lion shifter kings stand in her way. She can only succeed with an army at her back - but the men she needs can't stand the sight of one another. One by one, Sanura must convince the lion kings to help her. And she just might lose her heart in the process... THE PRIDE OF EGYPT is the second full-length reverse harem historical fantasy book in the SHIFTERS OF AFRICA trilogy.

Betrayed and killed by the god destined to love her. He was meant to be her lover, but he would rather see the Omega dead than surrender to Fate's snare. No one escapes the Realm of Death, but if Annabel doesn't find a way out, her mates will die along with her, and Ragnarök will leave nothing behind but darkness and ashes. Her only hope is to win the heart of the god who killed her. But even if she can trick her way into his icy soul, can she ever love a man whose hatred for her reaches back to the moment of her birth. BETRAYING DESTINY is a full-length fantasy romance novel that concludes Annabel's riveting journey through Norse mythology. Begin her and her five Alphas' story with RAGNARÖK RISING. A new steamy standalone college romance from #1 New York Times bestselling author Rachel Van Dyken!

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

As the daughter of an Inari Fox, celestial messenger to the gods, I should have been reverent, wise, and collected like my father. As the daughter of a kitsune queen, I should have been poised and delicate, with just a hint of playfulness to pay homage to the fox spirit within, just like my mother. Unfortunately, genetics can be unpredictable, and they ended up with a hot mess dipped in sarcasm, rolled in spunk, drizzled with sass, and sprinkled with pop-rocks. Hi! My name's Kaede, and I'm that mess. Life was a never-ending series of clubbing and drinking with my bodyguard, Hiroki. That was his official title, but he's more of a babysitter. He's a nogitsune, kind of like a kitsune, but more physically badass with a little less spiritual oomph. I have the hots for him, but he's afraid of losing important pieces of his anatomy if my parents catch him touching their daughter. I enjoyed my life, except for the hangovers and vomit. It was good. Until I decided to save a human from jumping off a building, just because he saw dead people. The supernatural community had one rule. Don't get caught. I ended up on the six-o'clock news and shipped off to boarding school to learn how to blend in better. Good times. The kicker is Aesir Academy is in Iceland. Know what's in Iceland? Ice, land, and ancient Norse gods. Some of which are sleeping. For a damn reason. Like wanting to destroy the world. Know what wakes them up? Celestial messengers. Know how to keep them from waking up? Kill the messenger. School should be about fitting in with the popular kids, not destroying the world and staying alive. At least I made some friends to help me save the world. Dogs love foxes. Especially hellhounds and werewolves... This trilogy is intended for mature audiences only. It contains graphic language, puns, and sexual situations. 18+ readers only! Harem members are added as the series progresses. Includes M/M themes. This is a medium burn reverse harem where the girl gets all the guys. Why Choose?

Even immortality can have its tragedies. Jane's impressive powers allowed her to secure her family's safety but at a terrible cost. Now, with a message from two mysterious beings, a new series of trials begins on Jane's heart, mind, and soul. The plague was just the beginning. Thrust among the most wicked creatures, she will learn more truths about the myths and monsters of her world, and the extent of the power she holds. However, it is the source of her power that is her most evil rival, and this time, Death will not be there to save her. She will have to face her inner demon and new enemies all on her own. Death's absence gives Lucifer a greater opportunity to acquire Jane than ever before. His interest in her is unclear but one thing is certain, he desires to see her fall. Perhaps, though, that has been Jane's destiny all along. How else can darkness end if she, the most evil monster of them all, remains?

Who would have thought I'd need to die to really come into my own? But with my growing valkyrie powers and the scorching hot Norse gods who resurrected me by my side, I've never felt more alive. If only I could take a moment to enjoy my new home in Asgard. Unfortunately, our recent triumph has enraged a power-hungry giant who wants to see me dead all over again, along with everyone and everything I care about. And then there's our newly returned leader... Odin has turned out to be as single-minded as he is single-eyed, and I can't shake the feeling that there's more to this situation than he's letting on. My four gods and I will have to depend on each other if we're going to find our way through this mess, even if opening my heart that much to anyone terrifies me. I've come this far. No way am I backing down now. I'm Aria Watson, and I'll be no one's pawn. A woman with a deadly kiss. Four Viking warriors who will risk their lives to claim her. They came like the wind to the poisonous garden where I'm held captive: four savage Viking warriors unstuck from their place in time. Strangers, but they've haunted my dreams for as long as I can remember. They whisper sweet stories and promises of the home I've never known. A way out of this life I'm ensnared in. They lavish me with their attention and their touch. But how can I trust them when all anyone's ever wanted from me was a path to power? They say they're here for me, but many have come before them to undertake my poison trial. One by one they've braved a kiss from my poison-laced lips. Any

man who survives it may seize the throne and lay claim to the richest kingdom in the Eleven Realms. It's more likely they only want to woo me into sparing their lives. Especially with the king on his deathbed and the sharks are circling. If a successor isn't chosen through the trial by week's end, outsiders threaten to take the kingdom by force. Now, even if what these warriors say is true and I plot an escape with them, we're playing a dangerous game. The queen has her sights on keeping these warriors for her own. In this game for the throne, the queen will spare nothing to keep hold of what's hers. Including our lives. This is a medium burn reverse harem romance with adult situations suitable for readers 18+. It contains plenty of hot bearded Vikings, a creepy-cool poisonous garden, and Norse mythology. Perfect for fans of rich fantasy worlds like in Alex Lidell's Power of Five and twists on mythology like those in Eva Chase's Their Dark Valkyrie series and Mila Young's Gods and Monsters series. "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of The Man Who Mistook His Wife for a Hat What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. This is a bundle of all four of the episodes of the Their Vampire Princess serial with never before published material. Included titles: Chosen Crowned Turned Mated As the vampire princess of the Night Court it's my duty to choose my prince from four human men, willing to be mine. All I have to do is choose one to crown. I never expected to fall in love. Not with one. Certainly not with all of them. Do I abandon my destiny in order to keep my men, or do I risk it all and rewrite the rules?

No one has ever heard of a female alpha... until me. Now I'm on a journey to see some Oracle I didn't know existed, accompanied by the four most eligible males in the clan--go figure, they're the other clan alphas. The trip gives me an opportunity to learn more about the strangers who wish to claim me as their mate: brooding Rowan, serene Taika, jovial Stig, and flirtatious Mateo all appeal to me, and my wolf, in different ways. And right now they're all seriously pissing me off. As they each try and fail to dominate me, the only person who remains on my side is my best friend and former lover, Emory. But as the trip wears on, I begin to suspect even Emory's keeping secrets. Plus, lest I forget, there are still the blood-drinking monsters that dog our steps and leave a few nasty surprises along our journey. I can only hope that the Oracle has a solution that works for all of us. Otherwise, all five clan alphas are as good as wraith-meat. Pack Claimed is the second book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. Be warned: This is a slow burn, reverse harem romance. Once you pick this story up, you won't be able to stop devouring it until the very last page. Anticipated Release Dates: Pack Claimed - March 2021 Queen Crowned - May 2021 Legacy Fulfilled - July 2021

Vikings are my present. And my past. But will they be my future? Finally reunited, Hjalmar and Lainie could be the perfect couple, if only there weren't Asger and the Archivist as well. She needs to make a decision, but how could she ever decide between these men? One thing is for sure, with all three of them vying for her attention, focusing on her studies will be a an impossible challenge. A time travel reverse harem full of action, intrigue and hot Vikings. Part of the Time Travel Academy world. This is a serial split into five episodes, perfect for sweetening your lunch break or as a quickie before bedtime. Episodes will be released every two weeks.

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts,

they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosyng up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully reverse harem series which means the main character will end up with multiple love interests. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying, sexual scenes and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

I'm supposed to be the Alpha's mate. Screw that. Since I was born, I was destined to be one thing-the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf. Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let him drive me from the town I love. Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street--deadly, sexy, powerful--I just walk by. Keep my head down. Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law. Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer. Juliette had it all. The perfect job, perfect home, perfect fiancé...or so it seemed. Daniel was once the love of her life, but as time went by his hunger for power and success caused them to slowly drift apart. When Juliette's relationship with Daniel hits an all-time low, her life is turned upside down when she meets the enigmatic man with sapphire blue eyes and a bad boy smirk. Knox is everything she thought she never wanted. Impulsive, reckless, cocky, and completely unpredictable. He opens her eyes to a whole new world of excitement and passion, causing her to question every decision she's ever made. Now, Juliette needs to choose between a life she's always known, and a man who can't promise her tomorrow...but give her his all today.

A blood pact. A heart torn. And an army of mummies. Sanura and her lion kings are bound for Egypt to help her retake what she has lost. But old feuds run deep. Sanura must find a way to balance the delicate bond she has with each king before she loses all of them – and the kingdom she would die for. In Sanura's absence, the power of the sorceress Keket has only grown. As has her control over all the people of Egypt – those both above and below the sand. An epic battle awaits – one Sanura is not sure she can win... THE QUEEN OF EGYPT is the final full-length reverse harem historical fantasy book in the SHIFTERS OF AFRICA trilogy.

The one woman he wants is the only one he cannot have. Drake has been dreaming of Mary, Queen Of Scots ever since his second year at the Time Travel Academy, following her throughout her entire life. But the closer she gets to her tragic fate, the more anxious Drake becomes until there's only one option left: he has to break the most important law of time travel. Drake is faced with an impossible choice, one that he's going to make anyway. Love is worth breaking the rules for. Right? An m/f romance novella set in the Time Travel Academy Universe. Previously published as Queen's Academy.

Five years ago, they made my life a living hell. They teased me, abused me, and called me a witch. Little did they know...Now, I'm back for my senior year of high school. New hair, new style, new personality. I'll no longer be the weird girl hiding in the shadows. Instead, I'll embrace all of my darkness. The goal? Revenge on the boys--the men--who bullied me. The football star, the musician, the bad boy, and the class president. I'll make them pay for what they did to me. One spell at a time. Buckle up, boys and girls. You're not going to like me by the time this book ends. I never said I'm the hero of the story, did I? I'm just the crazy bitch with a voodoo doll. This is a dark paranormal reverse harem romance with bully and revenge themes by USA Today Bestselling Author Katie May. All characters are over the age of eighteen. This book will contain strong language and sexual situations. This is a stand-alone!

THE PRIDE OF EGYPT is the second full-length reverse harem historical fantasy book in the SHIFTERS OF AFRICA trilogy.

Holy fucking hearts. Did you just read that?! If you did, I need your advice. I met fallen angel princes; I met a Savage Duke; I met a Cheshire Cat. And remember--how could you possibly forget--I'm the fabled Alice from the prophecy. Just a twisted, dark version of the girl in Lewis Carroll's old books. Except in those books, there was a happy ending. In those books, Alice wasn't dating nine very different, very beautiful men. But now that I've met the King of Hearts and the Mad Hatter, I'm not sure who the real bad guys are. I'm the only one who can turn Underland back into Wonderland again. But if I have a chance to escape the blood, the death, and the intrigue in this place, should I take it? I'm Allison Liddell, and I've got a choice to make: stay here and fight the darkness, defeat the Anti-Alice, and survive the Torrid Tea Party ... or run. Tweedledee says I can change the world. So if you're reading this, will you help me decide what I should do? I want to go home, but I can't leave this place as broken as I found it, now can I? ALLISON AND THE TORRID TEA PARTY (Book 2 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

Stuck working Sleepy Hollow's Oktoberfest in upstate NY wasn't much fun, until a trio of gorgeous blond vikings burst into my life. Sure they were wearing Halloween costumes, but why shouldn't that just add to the fun? Crisp autumn days. Cozy nights by the fire. Working the Halloween holiday season wasn't all bad, until my friend left me house-sitting a strange cottage all alone, in a legendary old town. Enter my three handsome saviors, ripped and gorgeous, all fighting to rescue me at once. But when an impromptu kissing contest evolves into something so hot it turns me into a molten puddle? My lips aren't the only thing the guys are willing to share. But Soren and Tristan harbor a secret of their own, and their hilarious college roommate Lucas is on board for anything. Running an old bed and breakfast on the far side of town, the guys need exactly the type of womanly help I'm willing to provide... provided they keep up their end of the bargain, which of course includes taking very good care of me. Three incredible men. One very willing beer-maid. No rules, no limits, no jealousy - just tons of sizzling hot action peppered by so many twists and turns, not even the Headless Horseman could keep up! STEALING CANDY is a full-length reverse harem romance filled with pumpkin-spiced lattes, candy apples, trick or treating, and tons of Halloween autumn-style goodness. If you like cozy new adult holiday romance and sizzling jaunts through the old cemetery at midnight? You just found your favorite new RH story. HEA Guaranteed!

Three gorgeous shifters. A queen fallen from grace. One formidable Chinese quest. It seems as though the whole world is turning against me... Now that Ero is gone and Roan is barely able to look me in the eye, my heart is broken. I would have jumped ship long ago if it weren't for Li. Upon arriving in China, I soon realize that this kingdom may prove to be the most daunting of challenges yet. Suspicion and stares seem to follow us wherever we go, and we are sure to be noticed...and not just by those who wish to help. With my life and honor at stake, I don't know how I'm going to convince one of the greatest kingdoms on earth to join us, but this is my last chance. Can I persuade the Emperor to help us or will he see Li as a threat to the throne? Li. My violet-eyed leopard. My soul comforter. My Warrior. HER Warrior is a full-length medium/slow burn reverse-harem fantasy novel and the fourth in the Royal Shifters series. Warning: Cliffhanger and adult themes. The Complete Royal Shifters Series: Book One: Her Betrothal Book Two: Her Highlander Book Three: Her Viking Book Four: Her Warrior Book Five: Her Prophecy

The Complete Noc City Trilogy - Special Edition! Book 1 Noc City Book 2 Blood Moon Book 3 Hybrid Theory Book 1 Noc City They call me the Angel of Noc City, but it's all a lie. The cameras see what they want to see as my father spins half truths and dangerous propaganda. Darklings are dangerous. Monstrous. Unholy. They're a threat to humans everywhere, and they need to be destroyed, despite the decades of peace. But what happens when Noc City's poster girl discovers she's one of the monsters they fear? I can tell you what happens. Chaos. Fear. War. I thought death was my only way out. Sweet, dark oblivion. But I was wrong. The way out might just be through a room of chains, blood, and cravings...of sex, pain, and betrayal. My way out of this hell might rest in the hands of the most dangerous creatures Noc City's ever known. Book 1 Blood Moon I've been beaten... I've been humiliated... I've been shackled... I've peered behind the masks and uncovered a world of secrets and evil I never knew existed, and now it's time to choose my side. These men are ruthless, powerful leaders who have seen things I could only dream of. They're cunning, sinister and too alluring for their own good. I've gone from

captive to complicit in a matter of weeks, and they're each tempting the darkest parts of myself I've hidden for so long now. I know what needs to be done. Even if it means jumping right back into the snake pit. I'm a darkling, after all, and I'll fight tooth and claw to bring justice to my kind. All bets are off because I'm out for blood. Book 3 Hybrid Theory I'm changing... From the inside out I'm changing and I can't stop it. Who I was, who I thought I could be... It's all gone now. A single moment was all it took to shatter everything I thought I knew about myself. A single moment was all it took to make me the most wanted woman in the world. This is a DARK reverse harem series with a LOT of blood, MMF, and swears, not to mention references to suicide, abuse, and trauma. 18+ due to graphic violence and sexual situations.

Struggling artist Ariane Arlington flees the Welsh valleys after exposing her corrupt boss. But when the sun rises she finds herself jobless and homeless in Cardiff city with barely a penny to her name. She responds to an advert in the local paper-Room to let, wanted, girl to share. What she doesn't realize is that the two insanely gorgeous guys who live in the penthouse apartment really do want a girl to share, in every sense of the word. Fortunately for Ariane, rent is the last thing on their minds. She discovers the men are bound together by a turbulent past. Liam, a computer whiz, keeps a painful secret hidden beneath his buff exterior, whilst Quinn, a pioneering neurosurgeon, wonders if he'll ever meet a woman who can live with his controlling ways. They admit the one thing missing from their lives is a woman just like Ariane, who can handle them both in and out of the bedroom and who, together, they can keep satisfied, loved and most of all, safe.

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

My goals for college were pretty simple: Get an education. Meet some new friends. Enjoy the mountains of Colorado. If I was lucky, find a boyfriend. Pretty sure they did not include being stalked by a magical black market. Or having multiple boyfriends. I mean, come on. What are the odds? Unfortunately, my birth parents were mages that left me orphaned at a young age. Instead of growing up surrounded by spells and magic, I grew up with normal humans. The world might know about magic, but that didn't mean they accepted it. Mages have no rights, and my foster parents tried to stamp out the tiny bit of magic I held on to. Notice I used the word tried? I manage to sneak in a few things here and there. The perfect temperature pizza? Not a problem. And I've never had a bad hair day in my life. Don't even get me started on red lights...But it was those little things that put me on the black market's radar. An untrained mage with little knowledge of the magical world was easy pickings. Now, the only thing standing between me and a whole lot of unpleasantness is the pack of hot werewolves that made me theirs. This book is intended for mature audiences. 18+ readers only! It contains language and sexual situations. This is a medium burn reverse harem where the girl gets all the guys. Why Choose? Harem members added as series progresses. Series will contain some mild M/M scenes.
