

Voyage Of The Heart

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

From the Sunday Times bestselling author of *The Blessed Child*; perfect for fans of Dilly Court, Katie Flynn and Catherine Cookson. 'Goodwin is a master of her craft. From the author of *Mayflower*, *Valiant Ambition*, and *In the Hurricane's Eye*--the riveting bestseller tells the story of the true events that inspired Melville's *Moby-Dick*. Winner of the National Book Award, Nathaniel Philbrick's book is a fantastic saga of survival and adventure, steeped in the lore of whaling, with deep resonance in American literature and history. In 1820, the whaleship *Essex* was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. *In the Heart of the Sea*, recently adapted into a major feature film starring Chris Hemsworth, is a book for the ages.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

King Cyranius is a woman-hater, and Lady Jennava hates most men. This does not prevent them from secretly falling in love. But a phantom-like masked man towering between them crushes loves petals before they bloom...Royalty, romance, mystery, escapism; this book has it all. Just remember to breathe. Freddy is torn between her need for a normal adolescent dating life and the responsibility she has always felt for her mentally challenged Uncle Joey. When Joey is accused of the murder of a local 6 year old girl, Freddy works to clear his name. But can she accomplish this without alienating the man she loves? A real page-turner; you will be riveted to the mystery as well as the circuitous paths Freddy's love life takes on her way to maturity. An excellent choice for a book club!

Two women. Born on opposite sides of the world. Both experience catastrophic loss. Until their lives intersect... Laura is a young woman who has it all. A loving husband who has just begun his private medical practice. A beautiful home nestled in the hills north of San Diego. A promising counseling career. Life has given her everything she could ever hope for...but she would give it all up without a second thought. Despite appearances, there is one thing Laura wishes for and desires more than anything else...the one thing that life won't give her. And the pursuit of that one thing nearly destroyed her. Adrianna, a refugee in a foreign land, has left behind a home ravaged by war. In her arms, she clings to her new baby girl as they travel across the country to their new life. Adrianna has lost her husband, her parents, and the only man she ever truly loved. The only thing the young mother clings to besides her precious baby girl is a glimmer of hope that her life will be better than the one she left behind. Fate brings the two women together and they are drawn to one another as kindred spirits, each recognizing a familiar pain in the other. Can their new friendship heal old wounds and navigate the pitfalls that come with starting over? And what happens when Laura's new best friend makes a choice she will never be able to comprehend?

From bestselling author Soraya Lane comes a story of friendship, love, and heartbreak at the end of World War II. 1945: Along with hundreds of other war brides, Betty, Madeline, Alice, and June set sail for New York to be with the men they love. In the days they spend at sea, the four young women become firm friends and vow to stay in touch no matter what their new lives bring. Life in a new country comes with many challenges, but Betty, Madeline, Alice, and June didn't move half way across the world

to give up without a fight. As their love is tested, the one thing they can count on is the friendship they forged while crossing the Atlantic.

A steamy and sweet stand-alone novel that will steal your heart. Jessa Allen knew she was plain and average. Yes, she was brainy and successful in her career but she wasn't a raving beauty who easily attracted hunky, gorgeous guys. So when Rob Granger asked her out, she was shocked. A seriously handsome man who had magnetism she couldn't escape wanted her. That wasn't something that happened everyday. Rob Granger was a self-confessed playboy who had absolutely no plans to be tied down by any woman. He valued his freedom, first and foremost. But there was something alluring about Jessa Allen that drew him like a moth to a flame and he was intent on satisfying his intense desire for her. They both didn't want to fight their physical attraction for each other. But could Jessa trust herself not to fall apart when the time came to let Rob go? And could Rob ever find freedom in what he considered as a prison to be avoided at all cost?***** Each book in the Lifestyle by Design series is a complete stand-alone novel that would give you enjoyment on its own. How far will they go for family, friendship, and love? Occupied France, 1940. When the staff at a field hospital draw straws to find out who will join the evacuation from Dunkirk, Nurse Cate is left behind. But when the Nazis arrive to claim prisoners of war, she takes her chance and flees into the night, taking one patient with her. Fifty miles away, the surrendering soldiers of the Royal Norfolk Regiment are shot dead by the advancing Germans. Beneath the pile of bodies two men survive, crawling to the safety of a nearby farmhouse, where sisters Elise and Adelaide risk their lives to take them in. When Cate, too, arrives at their door with her injured soldier, the pressure mounts. The sisters are risking everything to keep their visitors safe. But with the Nazis coming ever closer and relationships in the farmhouse intensifying, they must all question the sacrifices they are willing to make for the lives of others. How far will they go for family, friendship, and love?

The journey to the centre of the earth is a voyage like no other we can imagine. Over 3,000 km below the earth's surface an extraordinary inner world the size of Mars awaits us. Dive through the molten iron of the outer core and eventually you will reach a solid sphere - an iron-clad world held within a metal sea and unattached to anything above. At the earth's core is the history of our planet written in temperature and pressure, crystals and minerals . . . Our planet appears tranquil from outer space. And yet the arcs of volcanoes, the earthquake zones and the auroral glow rippling above our heads are testimony to something remarkable happening inside . . . For thousands of years these phenomena were explained in legend and myth. Only in recent times has the brave new science of seismology emerged. One hundred and fifty years after the extraordinary, imaginative feat of Jules Verne's JOURNEY TO THE CENTRE OF THE EARTH, David Whitehouse embarks on a voyage of scientific discovery into the heart of our world.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and

misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

When the author's mother died he discovered over 200 letters in a shoe box that his father had written to her during their separation during World War II. Captain Lashley was stationed first at a hospital in England as a supply officer and then as the commander of a prisoner of war camp in France. During those months his letters tell of the events of his life. Some are boring and seem to be of little consequence, others are filled with emotional turmoil. Rene Lashley, his wife, has his fourth child while he is away, moves in with her mother and sister and raises her other three children. Kirk, the second son, is puzzled by what is happening, but continues doing those things a normal child does. The book is an effort to show the common, everyday concerns of all the family members in what is an unprecedented time in the life of the family and the world. The story is told through the voices of the soldier, the mom, and the child.

Take time in the middle of life for your dreams. That is the message of this lighthearted true story of a Dallas couple who, in mid-career, sold their house and cars, bought a boat, and sailed around the world. Author Liza Farrow-Gillespie tells of pirates, storms,

sharks, cannibals, and the scariest of all 24/7 exposure to her husband's sense of humor. She also relates the joy and personal growth that can come from a zig and a zag along the path of life. Liza Farrow-Gillespie is an attorney, musician, and writer. During the sailing circumnavigation she published articles in Ocean Navigator, Cruising World, and Blue Water Sailing. Her husband Alan Farrow-Gillespie, M.D., is a pediatric anesthesiologist and former captain in the United States Air Force.

"Cancer's Seeming Madness" answers the question, "How did an agnostic son and concerned parents in their relationship with one another and God find peace during a wrenching but bonding period of two weeks together leading up to the son's death?" At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless...provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."
