

Warhammer 40k Imperial Guard Codex 5th Edition

Tim and his friends find out the hard way that you shouldn't question the game master, and you shouldn't make fun of his cape. One minute, they're drinking away the dreariness of their lives, escaping into a fantasy game and laughing their asses off. The next minute, they're in a horse-drawn cart surrounded by soldiers pointing crossbows at them. Tim now has the voice and physique of a prepubescent girl. Dave finds that while he lost a foot or two in height, he somehow acquired a suit of armor and a badass beard. Julian's ears have grown ridiculously long and pointy. And Cooper... well Cooper has gotten himself a set of tusks, a pair of clawed hands, and a bad case of the shits. He also finds that he's carrying a bag with a human head in it - a head that he had chopped off when they were still just playing a game. Shit just got real, and if they want to survive, these four friends are going to have to tap into some baser instincts they didn't even know existed in their fast-food and pizza delivery world. It's fight, flight, or try to convince the people who are trying to kill them that they don't really exist. Meanwhile, a sadistic game master sits back in the real world eating their fried chicken.

On the snowy wastes of Danik's World, a regiment of the Vostroyan Imperial Guard is ordered to hold their ground to protect the retreat of other Imperial forces. But when their own orders

come to move back, they discover they have been left stranded behind enemy lines. Can the Guardsmen ever fight their way back to safety?

Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge

their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is

legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this

benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself.
