

## White Fire

Otto Klein is a young man living in Singen, Germany at the start of World War II. His life-long ambition is to be a train engineer. After passing his examinations for the Railroad Institute, Otto is accepted into the school. His father, the chief of the Singen fire department, believes that Otto will follow in his footsteps and become a fireman. Otto chooses instead to follow his dream of becoming an engineer and in the process, ignites the anger of his father. Just before leaving Singen he meets Drina, a gypsy whose prophecy of marriage and children shakes him to his very core. After leaving Singen, Otto embarks on a career of improbable travels and dangerous missions that carry him closer and closer to the fulfillment of Drina's prophecy. *Engine 81* is a story of family bonds ripped apart by pride and anger and the redemption of those bonds in the face of near certain death.

Mark Godfrey looks closely at a series of American art and architectural projects that respond to the memory of the Holocaust. He investigates how abstract artists and architects have negotiated Holocaust memory without representing the Holocaust figuratively or symbolically.

This is a collection of deeply felt and insightful poetry and thoughts. It is organized into thirteen sections, and reveals a map of emotions. Self-awareness is explored in "In The Mirror" and "Deeper Seeing." A glimpse into the pain of an abusive childhood is explored in "Child's Woe." "The Harsh Rub" gives reactions to basically having a bad day. "Loves Lost" are about the ones that got away, including two selections about loss through death. "Toil's Trouble" is some views of the difficulty of the need to work for a living. "The Body Clock" is a poem in this section that I've dedicated to all those who work graveyard shift out of necessity. "Out of Touch" portrays feelings of alienation. Each section has poems and insights that everyone can identify with. When you take a moment to reflect on your own life, you will find a poem or thought offered in this book to help define your feelings. These offerings can be a source of comfort during trying times and a validation of your own experience.

Rice Cookbook: 50 Delicious of Rice Cookbook (Rice Recipes, Rice Flour Recipes, Rice Recipes Cookbook, Rice Recipes Cookbooks, Rice Recipes Book) Rice is a part of many traditional cuisines. It is used as a main dish as a side dish or as a decoration for food. People knew about rice a long time ago. It has been part of our meals for 5,000 years. The first information about rice was found in China about 2,800 BC. The rise has been a part of Chinese food tradition. Chinese legends provide information that rise is used so much in the Chinese cuisine thanks to the legendary Emperor of China Shennong who was also the inventor of Chinese agriculture. The rise was spread from East Asia to South Asia and after that in Europe. Also, it was introduced to Americans through the European colonization. Rice comes in many shapes, colors and sizes. There are several types of rice known worldwide. - Long Grain Brown Rice - Long grain rice has a long, slender kernel, four to five times longer than its width. Cooked grains are separate, light and fluffy. - Short Grain Brown Rice - Short grain rice has a short, plump, almost, round kernel. Cooked grains are soft and cling together. - Sweet Brown Rice - Sweet rice is short and plump with a chalky white, opaque kernel. When cooked, sweet rice loses its shape and is very sticky. - Brown Basmati Rice - India is well known for its fragrant Basmati rice, another aromatic long grain rice with a distinct popcorn aroma. - Chinese Black Rice - Chinese Black Rice is a medium grain rice with white kernels inside the black bean. Cooked, it takes on a deep publishing color. Rice is definitely the food we should include in our diet. It is full with nutrients. This food is really good for us, because it is very healthy. Rice contains proteins, iron, B vitamins and folic acid. These nutrition give us a lot of energy and that is why we do not need extra snacks. It is also important to know that the brown rice is whole grain and the white is not. Most of us are aware that we do not get as much fiber as we should. That is why rice is a good choice for our next meal. Whole grains are the healthiest option because they retain all the nutrients from the grain and are high in fiber.

Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.

Indie Book Awards Winner: A deeply affirming exploration of the unknown—the challenges, the possibilities, and how to navigate uncertainty without fear For most of us, the unknown is both friend and foe. At times, it can be a source of paralyzing fear and uncertainty. At other times, it can be a starting point for transformation, creativity, and growth. The unknown is a deep current that runs throughout all religions and mystical traditions, plays an important role in contemporary psychotherapeutic thought and practice, and is essential to personal growth and healing. In *The Wisdom of Not Knowing*, psychotherapist Estelle Frankel shows us that our psychological, emotional, and spiritual health is radically influenced by how comfortable we are with navigating the unknown and uncertain dimensions of our lives. Drawing on insights from Kabbalah, depth psychology, Buddhism, Christianity, Hinduism, and ancient myth, Frankel explores how we can grow our souls by tapping into the wisdom of not knowing. She also includes case studies of individuals who have grappled with fears of the unknown and, as a result, come out wiser, stronger, and more resilient. Each chapter includes

experiential exercises and meditations for befriending the unknown, conveying how embracing a state of "not knowing" is the key to gaining new knowledge, learning to bear uncertainty, and enjoying a healthy sense of adventure and curiosity. *White Fire* challenges the critical tradition that for nearly half a century has celebrated the power of blackness in American literature. This tradition presents Herman Melville as investigating, then rejecting the optimistic vision of Ralph Waldo Emerson because he lacked a viable sense of evil. Williams digs beneath the obvious contrasts between these two great contemporaries, asking three questions about their relationship: What was Emerson actually saying at the time Melville was serving his literary apprenticeship? How much did Melville know of Emerson's provocative thought? What use did Melville make of ideas and images that Emerson, more than any other contemporary, espoused? In his findings, Williams views Melville as far less the independent critic of Emerson that modern critics have described and far more the responsive artist and opportunist, absorbing images and ideas from the most readily available sources and transforming them into art.

A stunning new work by a profound poetic talent.

A Cossack warrior woman finds vengeance and wild passion in savage sixteenth-century Russia in this adventure by the #1 New York Times–bestselling author. Katerina Vaschenko possesses the courage and beauty of her wild Cossack ancestors. Now she seeks vengeance against the marauders who destroyed her village and stole her priceless snow-white horses in the name of the mad czar. She will not rest until she has killed the man who dared to take her innocence. Never does she dream that it is her irresistible seducer—a proud Mongol prince—who will help her avenge her people and reclaim her horses. Together, they harness the fires of fury and passion that consume them. And, together, they forge a destiny as magnificent as the land and the love that is their glorious heritage . . .

In 1983, a 20-year-old kid from California wandered into a marketplace in downtown Cairo, Egypt, looking for some eggs to cook for dinner. What he found in the Suq Bab el-Louq was a fascinating world of commerce, ritual, community, and personal drama — constantly changing, yet unchanged for decades upon decades. Truth is indeed more amazing than fiction. These stories draw the reader into an intimate connection with the people of a culture that few Westerners have experienced at this level, a culture that we must understand better as we seek to understand and live in harmony with the Arab world. The stories within are endangered. Much has changed in Cairo in the past thirty years, and the suq and its denizens have all but disappeared as the internet and world trade have altered the way we shop. In the pages of this unparalleled book, the suq lives on. This is a collection of stunning black and white photographs with a gripping narrative story of the Suq's denizens and how the place works. Economists, historians, travelers, political scientists, fans of the Middle East, and general readers will be entranced by this almost uncategorizable but unmissable gem of a book. Come inside. You will never forget what you find.

A young soldier shattered by war, on the run from a mental institute.

Dev is a smuggler with the perfect cover. He's in high demand as a guide for the caravans that carry legitimate goods from the city of Ninavel into the country of Alathia. The route through the Whitefire Mountains is treacherous, and Dev is one of the few climbers who knows how to cross them safely. With his skill and connections, it's easy enough to slip contraband charms from Ninavel - where any magic is fair game, no matter how dark - into Alathia, where most magic is outlawed. But smuggling a few charms is one thing; smuggling a person through the warded Alathian border is near suicidal. Having made a promise to a dying friend, Dev is forced to take on a singularly dangerous cargo: Kiran. A young apprentice on the run from one of the most powerful mages in Ninavel, Kiran is desperate enough to pay a fortune to sneak into a country where discovery means certain execution - and he'll do whatever it takes to prevent Dev from finding out the terrible truth behind his getaway. Yet the young mage is not the only one harboring a deadly secret. Caught up in a web of subterfuge and dark magic, Dev and Kiran must find a way to trust each other - or face not only their own destruction, but that of the entire city of Ninavel.

Colorado, 1876: At a remote mining camp high in the Rocky Mountains, eleven silver miners are killed, their bodies horribly mutilated, flesh devoured. Bear attack? Not everyone thinks so. 136 years later, the cemetery where the miners were buried is being cleared for new development. Forensic pathologist Corrie Swanson has arranged to study the bones. What she discovers will expose a conspiracy that's as lethal today as it was a century ago. As the winter snows fall, Corrie's life depends on unravelling a dark secret... the key to which may just lie in a lost Sherlock Holmes story, a tale allegedly so horrifying that its author never dared publish it.

B&W version of 2nd ed. A collection of Mooji's essential pointings, each with the power to reveal our true nature as the pure, timeless Being. This 2nd edition has been masterfully refined to provide the most direct, universal guidance. Powerful new quotes and Self-realisation guidances are included plus new photographs and brush drawings by Mooji #1 New York Times Bestseller With extraordinary access to the West Wing, Michael Wolff reveals what happened behind-the-scenes in the first nine months of the most controversial presidency of our time in *Fire and Fury: Inside the Trump White House*. Since Donald Trump was sworn in as the 45th President of the United States, the country—and the world—has witnessed a stormy, outrageous, and absolutely mesmerizing presidential term that reflects the volatility and fierceness of the man elected Commander-in-Chief. This riveting and explosive account of Trump's administration provides a wealth of new details about the chaos in the Oval Office, including: -- What President Trump's staff really thinks of him -- What inspired Trump to claim he was wire-tapped by President Obama -- Why FBI director James Comey was really fired -- Why chief strategist Steve Bannon and Trump's son-in-law Jared Kushner couldn't be in the same room -- Who is really directing the Trump administration's strategy in the wake of Bannon's firing -- What the secret to communicating with Trump is -- What the Trump administration has in common with the movie *The Producers* Never before in history has a presidency so divided the American people. Brilliantly reported and astoundingly fresh, *Fire and Fury* shows us how and why Donald Trump has become the king of discord and disunion. "Essential reading."—Michael

D'Antonio, author of *Never Enough: Donald Trump and the Pursuit of Success*, CNN.com "Not since Harry Potter has a new book caught fire in this way...[*Fire and Fury*] is indeed a significant achievement, which deserves much of the attention it has received."—The Economist

A collection of poems/short stories focused on the depth of absurdity in the human condition and the small triumphs that can be found in such conditions.

This newly edited 2nd edition of the 2006 debut, brought to you by Spearhead Books, includes a revised map, page layout, and first ever "From the Author" section. Visit [spearheadbooks.com](http://spearheadbooks.com) and [christopherhopper.com](http://christopherhopper.com) today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations—their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Named one of the best 25 space opera books by BookRiot! The first book in a scifi retelling of the Mahabrahata. When Esmæ wins a contest of skill, she sets off events that trigger an inevitable and unwinnable war that pits her against the family she would give anything to return to. In a universe of capricious gods, dark moons, and kingdoms built on the backs of spaceships, a cursed queen sends her infant daughter away, a jealous uncle steals the throne of Kali from his nephew, and an exiled prince vows to take his crown back. Raised alone and far away from her home on Kali, Esmæ longs to return to her family. When the King of Wychstar offers to gift the unbeatable, sentient warship Titania to a warrior that can win his competition, she sees her way home: she'll enter the competition, reveal her true identity to the world, and help her famous brother win back the crown of Kali. It's a great plan. Until it falls apart. Inspired by the Mahabharata and other ancient Indian stories, *A Spark of White Fire* is a lush, sweeping space opera about family, curses, and the endless battle between jealousy and love.

Remington Weylyn is burned and broken. She made a choice and now she's paying the price. The girl she once was is gone, replaced by someone she no longer recognizes. What once was her home now feels foreign and the people she was closest to feel like strangers. And it's all his fault. Jax Whitlock is dangerous and damaged. With no home or family, his place in the world is unknown. The only thing he has is a goal; to kill the man who took everything from him. And he won't let anything get in his way. Even if it means breaking her heart. When the monster who's been haunting them for years emerges from the shadows, Remington and Jax must put aside their past and their mistakes if they want to save the people they care about. If they don't, everything will go up in flames.\**Fire Bound* is the 4th and final book in The White Wolf Prophecy series. While it can be read as a standalone, it is highly recommended you read the first three books for a better understanding and enjoyment of the story\*

Columbus Discovered America . . . But Who Discovered Europe? Were the ancient Egyptians black? Did Egyptian explorers land in Greece some 4,000 years ago? Did they plant colonies, establish royal houses, and bring civilization to Europe's savage tribes? Did the secret rites of their temple cults later resurface among the Knights Templar and the Freemasons? In *Black Spark, White Fire*, Richard Poe provides startling answers to these questions and more. "Brilliant. . . . Poe has produced a classic volume . . . splendid in its conception and powerful in its execution—a major work."—Molefi Kete Asante, author of *The Afrocentric Idea* "Superb. . . . I am convinced that within 20 years Richard Poe's views will be seen as closer to the historical truth than those of the present defenders of the status quo. The book is clear, well-written, and hard to put down. While we disagree on a number of issues, *Black Spark, White Fire* is the popular book that I am incapable of writing."—Martin Bernal, author of *Black Athena* "It is refreshing to hear the Afrocentric theory of ancient Egypt argued so persuasively, from a viewpoint that is neither liberal nor conservative, black nor white."—Armstrong Williams, syndicated columnist and TV talk show host

In *Pale Fire* Nabokov offers a cornucopia of deceptive pleasures: a 999-line poem by the reclusive genius John Shade; an adoring foreword and commentary by Shade's self-styled Boswell, Dr. Charles Kinbote; a darkly comic novel of suspense, literary idolatry and one-upmanship, and political intrigue.

"A remarkable book. . . . Rojzman's analysis is very stimulating, especially since the use of linguistic notions does not prevent her from remaining sensitive to the spiritual concerns of the commentators she analyzes."—Thomas Pavel, author of *The Feud of Language*

Veteran White House reporter April Ryan thought she had seen everything in her two decades as a White House correspondent. And then came the Trump administration. In *Under Fire*, Ryan takes us inside the confusion and chaos of the Trump White House to understand how she and other reporters adjusted to the new normal.

Across the American Frontier, an army commander's daughter never forgets her forbidden true love in this sweeping

historical romance. Known as Flame for her fiery red hair, not to mention her temperament, beautiful Reshelle Russell wants only one man. Unfortunately, he's the one she can't have—or so she is told. But Flame has always known that White Fire, the proud Chippewa warrior, is meant for her. Now a grown woman, she has embarked on her quest for him, in defiance of her father, an elite army commander. Imprisoned for three years by an enemy tribe, White Fire has returned only to discover that his wife is dead and his young son has been taken by a wealthy white couple. It seems nothing can penetrate his cold, embittered heart, much less heal it—until he lays eyes on Flame once more. And soon it is clear that together they can fight to regain all he has lost, amid a passion that was destined to last for a lifetime . . .

“Mesmerizing and haunting.”—Lisa Gardner “T. Jefferson Parker is the poet of American crime fiction, and *The Room of White Fire* absolutely proves why.”—C.J. Box In this stirring thriller from New York Times bestseller and award winner T. Jefferson Parker, P.I. Roland Ford must hunt down a soldier who is damaged by war, dangerous, and on the run. Roland Ford—once a cop, then a marine, now a private investigator—is good at finding people. But when he's asked to locate an Air Force veteran who's escaped from a mental institution, he realizes he's been drawn into something deep and dark. What he doesn't know is why a shroud of secrecy hangs over the disappearance of Clay Hickman—and why he's getting a different story from everyone involved. In a flash, what began as just a job becomes a life-or-death obsession for Ford, pitting him against immensely powerful and treacherous people and forcing him to contend with chilling questions about truth, justice, and the American way. “A fast-paced, beautifully written thriller.”—*The Washington Post*

Most of us are eventually compelled to search for meaning and fulfillment amidst the increasing busyness, isolation, and uncertainty of daily life. When our outer pursuits have failed to bring lasting contentment, it is our great fortune that we are inspired to turn inward. If you have found yourself on the quest for true Self-discovery and realization, the wisdom and power of *White Fire* will illumine your way and help you see clearly, thereby ending suffering and unveiling the happiness and everlasting peace that is our natural and effortless state. *White Fire* is 800 gleaming sparks of wisdom from world-renowned Advaita Zen master Mooji's essential spiritual teachings. Mooji's approach is direct and immediate, combining deep spiritual wisdom with revealing self-inquiry. Each one of the quotes and sayings in this brilliant collection has the power to ignite a burning flame within your heart, clear away confusion and doubt, and reveal your true nature as perfect and timeless Being. Divided into five sections, and replete with color photos and Mooji's mystical ink drawings, *White Fire* is an unsparing light for complete Self-realization. In Mooji's own words, “Only when the ego is slain by the white fire of pure seeing will the light be set free—the light that illumines the whole world.”

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to:

- Graduate from medical school with as little debt as possible
- Escape from student loans within two to five years of residency graduation
- Purchase the right types and amounts of insurance
- Decide when to buy a house and how much to spend on it
- Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor
- Avoid investments which are designed to be sold, not bought
- Select advisors who give great service and advice at a fair price
- Become a millionaire within five to ten years of residency graduation
- Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes
- Protect your hard-won assets from professional and personal lawsuits
- Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die
- Minimize your tax burden, keeping more of your hard-earned money
- Decide between an employee job and an independent contractor job
- Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation

Take a look at the first pages of the book by clicking on the [Look Inside](#) feature

Praise For *The White Coat Investor*

- "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of *How a Second Grader Beats Wall Street*
- "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of *The Investor's Manifesto* and seven other investing books
- "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of *Common Sense Investing*
- "The *White Coat Investor* provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO
- "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD
- "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D

"Now I am become Death, destroyer of worlds." Dr. Grace Llewellyn quotes Oppenheimer as her creation takes its first breath. Moments later, a US military strike team hits her laboratory in suburban Maryland. Markus Stebbings is hiding terminal brain cancer, hoping to remain alive and a part of Delta long enough to die for something that matters. The mission to destroy a domestic terrorist cell in possession of a nuclear bomb sounds like the opportunity he is looking for, until he realizes that his targets are not terrorists, and that what they have is something infinitely more dangerous than a bomb. On the run with Grace and the device she calls Prometheus, Markus finds himself pitted against the full might of US intelligence and military forces as they mount the biggest manhunt ever conducted on American soil. He quickly learns that Prometheus represents a technological advancement so profound that it can alter the course of history. What

he doesn't know is that there is another such device already in play, and that he, Grace and Prometheus are all that stand between it and the end of human civilization as we know it.

Welcome to the Campfire. Did you ever go camping as a kid and sit around the fire at night listening to scary stories? Creepy Campfire Quarterly features horror fiction from the most talented writers across the globe. Dark, disturbing, dramatic, or just down right creepy, these stories will entertain you. And perhaps the next time you are around a campfire, you'll find yourself recounting a few of these haunting tales... Featuring works from the newest crop of modern horror writers: James E. Coplin D.J. Schuette Jeffrey Todd Morgan Griffith Tom Breen Nick Nafpliotis Vincent Salvati Ryan Neil Falcone Christopher Hivner David Neilsen Jim Cort Lisamarie Lamb Howard Rachen Dale W. Glaser Nancy J. Hayden Fredrick Obermeyer Jack Lee Taylor Ambrose Stolliker

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

A raging forest fire in the National Parks area of the Sierras traps a forest ranger and a young boy he suspects is an arsonist.

Who Rides the White Horse Hi my friend, after you've read this book you may not want to consider me a friend. I'm learning to accept that. There was a time that when I met someone like me the way I am now. I felt the same way as many of you will. Even though you won't be able to prove me wrong, you're going to hate me for the way I tell the truth. Yes I know I seem to act and sound cocky. I'm hoping that some one can knock old Ray off his high horse with a stronger sense of truth than mine. It's been a few years now and no one yet has done that. My pledge is that should some one prove anything that I have said to be a lie at the very least I'll have to publically apologize. If my word is worth anything it's now on the line. My name is Ray Ralph. I'm the author of Christ, Christianity, and Christians Welcome to the real world. For most of you who are about to read this book, It will most likely not live up to your expectations. The majority of you who read these types of books will be expecting more of the same old same old. These days preachers of all faiths prepare their sermons for their next worship day. You will attend the service out of tradition, and habit more than anything else. It's your responsibility, your duty to honor God with your presence. You'll show up at the church dressed in your Sunday best whether you have services on Sunday, Saturday, or any other day. You'll find your seat, make yourself as comfortable as you can, some of those seats are as comfortable as easy chairs, and some are bring your own pillows. Then you muddle through the next few hours give or take. Whatever the sermon is about, you usually don't have a say, and yet you'll suppose ably accept it as Gods Word. What was said actually didn't make sense but hey, the sermon was good the pastor who told it is your friend. Gods chosen representative. They don't make mistakes and if they do there so insignificant it doesn't matter. Like many of you I was raised a Christian and as I was growing up I heard the word of God told to me the same way, over and over for over 50 years. Myself I had never read a book of the Bible in my life. I used the same excuse as many of you; it's just too hard to understand. All those years I just took for granted that what my preachers were telling me was Gods Word. My preachers wouldn't lie. I stood up for my faith whatever the consequences. Now that I think back upon many of my conversations with other faiths it didn't matter that what I was saying was totally wrong, as far as I was concerned I was right and they were wrong. What I couldn't figure out was why everyone else couldn't see that my faith was the true faith. I could see their faiths short comings, but I couldn't see mine. Then one morning it happened, TheReallyTruth. You are now about to read Christ, Christianity, and Christians. This Roller Coaster Ride I call TheReallyTruth is rolling, ride with your eyes and mind wide open. Remember to show this book to your pastor's asking them to put Ray in his place. Should you and or your faith disagree with what I say, they should be able to do that? Thank You and Enjoy!... Sincerely Ray Ralph ...

Gives voice and image to the women who are changing America's spiritual landscape, including pioneering minister Bishop Leontine Kelly, Yoruba priestess Luisa Teish, media star Iyanla Vanzant, best-selling author Marianne Williamson, ashram leader Ma Jaya, and many other

women who lead traditional and nontraditional communities.

The Jewish Bible: an introduction -- 1. The Torah Scroll -- 2. The Hebrew Bible in the age of the manuscript -- 3. The Jewish Bible in the early age of print -- 4. The Jewish Bible since the sixteenth century -- Epilogue: The future of the Jewish Bible

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

Three-time Edgar Award winner and New York Times bestselling author T. Jefferson Parker delivers a stirring thriller about a private investigator tasked with hunting down a returned soldier broken and made dangerous by his experiences at war. A young soldier shattered by war, on the run from a mental institute. A P.I. carrying his own vicious wounds hired to track that soldier down. A race against the clock to bring the soldier home before he reveals the secret that haunts him. Roland Ford is good at finding people. But when he's asked to locate Air Force veteran Clay Hickman, he's been drawn into something deep and dark. He knows the weight of war, having served as a Marine in First Fallujah; he also knows the nightmare of personal pain, as only two years have passed since his young wife's sudden death. What he doesn't know is why a shroud of secrecy hangs over the disappearance of Hickman--and why he's getting a different story from everyone involved. Soon, what began as just a job becomes a life-and-death obsession for Ford, pitting him against immensely powerful and treacherous people and forcing him to contend with chilling questions about truth, justice, and the American way.
