Grief with Ease Summary By Anthony Vallez My life was never an Easy Peasy cakewalk, in fact I encountered many hard times and went through countless phases and types of grief even though I did not recognize it at the time. Well, now I do and I want you to as well. Grief comes in many forms and various phases in your life. From grieving over a breakup to grieving the loss of a loved one, youve all been through it! Personally I loved change, but when changes in life didnt meet with my expectations I fell into a form of grief that I did not yet recognize, nor did I understand. I thought I was depressed but actually I was experiencing grief. The two are easily misunderstood and often confused with one another. This book and the exercises in it are in tuned to help foster a deeper understanding and ability to recognize grief, in healthy ways to deal with it. From this book, my hope is that you to gain the ability to recognize various types of grief; how they impact your life, and how to cope with grief on a much gentler level. Grief requires the acceptance of change and the resistance of change only induces pain and suffering, when grief is chosen. If you allow change and chose to be happy, then you ultimately contribute to grief with ease. If you instead avoid grief, you then avoid life. You must understand your grief to understand yourselves and enjoy life. ~ Anthony I. Vallez

"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-selling book *Healing with the Angels*, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, *Angel Numbers* has been created to serve as a pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, *Angel Numbers* provides an interpretation of more complex number sequences than was previously available in *Healing with the Angels*. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates, telephone numbers, the clock, or other locations, they're very real messages from the angels. *Angel Numbers* will help you instantly understand the meaning of these signs!

I Have Learned a Few Things is a book to be read slowly, critically, and thoughtfully. If you can, take at least one day to quietly ponder each chapter and answer its questions before you move on. Also, give yourself permission to digest and experience a full range of emotions, feelings, and thoughts. Take your time, because your life is too important to be examined quickly. You are too valuable not to give yourself your full attention and your full consideration. So find a quiet space, get still, and stay open. Be ready to hear whispers from your own soul; that is where your truth lies.

A guide to align your daily life with your divine Soul Mission, bringing a sense of purpose and fullness, ease and joy into every day • Shares practices to bring you back in touch with the energy of your inner child, reconnect your soul with its mission, explore your soul contracts, and call on the Angels to support you • Details ways of connecting with your Soul Mission and offers guidance for aligning through each method • Includes a fun exercise to establish a 12-month Soul Mission Manifestation Plan and set things in motion When our human daily life and our Soul Mission are not in alignment, life can lose its shine and magic, impacting us on all levels of being: energetic, physical, mental, and emotional. In the extreme, this can even result in sickness, sadness, depression, or burnout. Yet there are Angels all around, here to help us find our way back “home” and rediscover our Soul Mission life purpose. In Discover Your Soul Mission, Kathryn Hudson offers exercises to remember your connection to Source and understand why you were born and what you are meant to experience on Earth, with the aid

of the angelic realm. With practices to bring you back in touch with the energy of the child within, the book helps you to rediscover that sweet spot that made your heart sing when you were young, when you were still connected to your soul and its mission. The author explores the soul contracts we have with our family and the people we encounter throughout life as well as how these contracts impact your alignment with your Soul Mission. She also reveals how, once you have realigned with your Soul Mission, many divine tools of manifestation open to you, including on the human level of direct actions, the energetic or soul level (words/thoughts/emotions), and the angelic level (divine help and spiritual gifts). Once connected with your angelic mentors and realigned with your Soul Mission, you will be guided to establish a 12-month Soul Mission Manifestation Plan, aligned with your life purpose, supported by the Angels, and working through the chakra system. The author also includes a special exercise for the heart chakra (your inner GPS). Taking you from simple questions and requests to direct experience and actual co-creation with the angelic realm, Discover Your Soul Mission reveals how to team up with your friends in high places to open your heart wide and live your highest and best version of life.

We are all as unique as individual snowflakes, intricately designed so that no two are alike, yet when observed as a whole, we form the blended essence of lightworkers, merging into vaster and fuller aspects of God, the one great whole. Each of us holds a very specialized piece of the divine puzzle of God, or the whole. The more attuned we become to God, the more we are called to find and fulfill that specialized piece of the puzzle belonging to ourselves alone. When we find this puzzle piece and embrace it, we are then able to fulfill our divine mission on this Earth.

This book is one of the best books ever written on the subject of how to achieve your Ascension in this lifetime, in a balanced and integrated manner. The Family of God: We wish to bring forth new understandings to support you in these changing times. To achieve what you want from your day, when you wake up in the morning, call forth all supportive energies available to you. There are many supportive energies, and when you call them forth, they will flock to you. Do not focus on the challenges but rather on the results you want. You should acknowledge and observe your body when you wake up. Your body is a finely tuned instrument that carries billions of cells. It has tremendous wisdom and consciousness. Each of your organs (along with the muscles, tissues, blood, bones, skin, hair, nails, and teeth) contains energy — karmic as well as deep wisdom. Observe the body. Then communicate with it to open its inherent wisdom, and these energies will support you throughout your day in a much more aware state. When you create a friendship with your body, it will support you with solutions to the problems you seek to resolve in your daily life. Your body is the greatest friend you can have. Spirit of Success: There are pockets in your body and auric fields that contain codes and embedded energies that, when awakened, will give you the essence and the power to create what you desire. These codes and embedded energies are in everybody, and you must awaken to this truth within you so that as you grow spiritually, you are also able to create abundantly in your material life. Peacocks: What I observe in your earthly world is that human beings have great difficulty accepting themselves. They always want to be someone else or like someone else. It's time to be still and consider: "Why do I think this way? What drives me to want to be like someone else?" I have observed that many human beings do not accept their physical bodies. Some go to great lengths to modify them. Everyone has inner beauty, for all of you were built with that. It is only a matter of finding it. When you see a beautiful flower, sunset, or rainbow, you often feel joy or splendor in your heart. Where did that appreciation for beauty come in? It was always there. You focused on it, and

you found it. How about focusing on your inner beauty every moment of the day and night? That could become your reality. What you focus on is what you create. When you are in that space, not only will you see beauty everywhere but you will also draw forth beautiful experiences through the law of attraction. Know in your hearts that you are all magnificent in the eyes of the Creator. There is no judgment other than the judgment you pass on yourselves. You often accept the judgment of others as truth. In these powerful times, you must consciously work on getting rid of false belief systems that keep you prisoners in your own minds.

Renowned channeler Paul Selig shares the wisdom of The Guides "The gift of the times you sit in, humanity at a crossroads, is the gift of the unknown, the unseen, the unprepared for. "How can I prepare for a future, when all I have trusted and believed in seems to be falling away?"...You say yes to the uncertain moment. You agree that the path before you will be lit as you walk it, and not a moment before. " In *Alchemy: A Channeled Text*, The Guides offer us a way to engage the transformational process of moving beyond a limited interpretation of the self and into a place of true manifestation. As humanity stands at a crossroads, the voices of The Guides offer insight and a path forward. Paul Selig, the author of *Beyond the Known: Realization*, is one of the foremost spiritual channels in the world. *Alchemy* is composed of the pure, unedited words of The Guides as they have been channeled through Paul. Their message is poignant and beautifully written, humming with wisdom and insight for all who are ready and willing to receive their words.

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help'? In *Secrets to Divine Manifestations*, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil, ' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to

easily tap into the life of our divine nature, we can change our consciousness, thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.
